

GLOBAL EXPLORATION

ALL OVER THE WORLD, PEOPLE ARE SEEKING KNOWLEDGE TO FUEL THE FUTURE OF OUR INTERCONNECTED ECONOMIES, HEALTH, SUSTAINABILITY, AND SECURITY—AND THE FUTURE OF PROBLEM-SOLVING.

Northeastern has made purposeful, strategic investments to create a massive, networked campus that spans the world. Today, our university community is made up of individuals who come from all over the globe, and who will continue to build professional and personal lives as global citizens. As our network grows ever larger and more representative of the world's populations, our next challenge is to unleash our tremendous collective capacity to enact needed change.

The world's most pressing problems are in our sights. Through use-inspired research, innovation, experiential learning, and collaborative initiatives, we will advance frontiers and improve the quality of life throughout the world we share. From a researcher forecasting the spread of disease around the globe to a student completing a co-op at the United Nations, the Northeastern community is making a direct impact on our society.

The beauty of a globally connected learning community is that the opportunity to serve humanity—to unlock insights, innovate, and grow—is always all around us. Through the campaign, donors can power solutions on a global scale.

ABOUT EXPERIENCE POWERED BY NORTHEASTERN

Experience is a transformational force.

At Northeastern, we know what it takes to make a difference—and how it feels—because we live it every day. And each moment of insight, understanding, and success we experience is motivation to clear the next hurdle.

A vanguard of investors and donors is driving Northeastern's historic \$1.3 billion campaign. With initiatives that span the globe, transforming strengths into outcomes, we're creating a better world right now.

We know decisive action and bold investment are what tips the balance from what we wish to experience and what we will experience. Together, we will experience innovation. Impact. Community. Breakthroughs. Global Connection—**Experience powered by Northeastern.**
