

Donald J. Robinaugh

Northeastern University
Departments of Applied Psychology

EDUCATION

2005 B.A. **Michigan State University**
2008 M.A. **Columbia University, Teachers College**
2010 A.M. **Harvard University**
2015 Ph.D. **Harvard University**
2015 Internship **Harvard Medical School, Massachusetts General Hospital**

ACADEMIC APPOINTMENTS

2015 – 2017 **Harvard Medical School & Massachusetts General Hospital**
Clinical Research Fellow
2017 – 2018 **University of Amsterdam, Department of Psychology**
Post-doctoral Researcher
2018 – Current **Massachusetts General Hospital, Department of Psychiatry**
Research Scientist
2019 – 2021 **Harvard Medical School, Department of Psychiatry**
Assistant Professor
2021 – Current **Northeastern University, Departments of Applied Psychology & Art + Design**
Assistant Professor

ADMINISTRATIVE LEADERSHIP

2019 – Current **Massachusetts General Hospital,**
Center for Anxiety and Traumatic Stress Disorders
Director of Research

AWARDS & HONORS

2003 – 2004 Stoddard Institute Scholarship
2003 – 2005 Michigan State University Board of Trustees Scholarship
2006 – 2008 Second Century Scholarship Recipient
2008 – 2011 Karen Stone Fellowship
2011 Harvard University Certificate of Distinction in Teaching
2012 Stimson Fund Travel Grant Award
2012 Sackler Scholar in Psychobiology
2012 Harvard University Certificate of Distinction in Teaching (Awarded Twice)
2012 George W. Goethals Award for Excellence in Teaching
2013 Stimson Fund Travel Grant Award
2013 Society for Science of Clinical Psychology (SSCP) Dissertation Research Award
2013 Sackler Scholar in Psychobiology
2013 Anxiety & Depression Association of America (ADAA) Clinician Trainee Award

J.** (Chairs). *Bringing network science into cognitive behavioral therapy and research*. Symposium presented at the annual convention of the British Association for Behavioral and Cognitive Psychotherapy, Glasgow, Scotland, UK.
- Robinaugh, D. J.** (2019, May). Can psychological theories of Panic Disorder explain panic attacks? In Fried, E. (Chair) *Recent advances in the use of modeling to explain and predict psychological phenomena: Examples from social, health, and clinical psychology*. Symposium presented at the annual meeting of the Association for Psychological Science, Washington D.C.
- Robinaugh, D. J.,** O'Day, E. & Simon, N. (2019, October). Examining the effect of treatment on symptom network connectivity: A case series of bereaved adults with complicated grief and suicidal thoughts. In

Rodebaugh, T. & Frumkin, M. (Chairs). *Individualized assessment and treatment: What wisdom does ecological momentary assessment offer to clinician and client stakeholders?* Symposium presented at the annual meeting of the Association of Behavioral Cognitive Therapies, Atlanta, GA.

Robinaugh, D. J., Haslbeck, J. & Ryan, O. (2019, October). What can network psychometrics tell us about cognitive behavioral systems of psychopathology? In Young, M. (Chair). *Network models advancing the understanding of psychopathology*. Symposium presented at the annual meeting of the Association of Behavioral Cognitive Therapies, Atlanta, GA.

Robinaugh, D. J. (2020, January). *Human grief research*. Panel Discussion at the Social Neuroscience of Grief: 2020 Vision Conference, Tucson, AZ.

Robinaugh, D. J. (2020, May). Central symptoms and the relationship between change in symptoms and change in disorders: Establishing and critically evaluating a robust empirical finding. In Fried, E. (Chair). *Using centrality metrics of network models to understand, predict, and control clinical outcomes*. Symposium accepted to the annual meeting of the Association of Psychological Science, Chicago, IL. (Conference canceled).

Robinaugh, D. J. (2020, May). *Computational clinical psychology: Using computational models to advance clinical theory, case conceptualization, and treatment*. Symposium accepted to the annual meeting of the Association of Psychological Science, Chicago, IL. (Conference canceled).

Robinaugh, D. J. (2020, November). *Novel analytic methods for clinical science: Recent approaches to modeling psychopathology*. [Symposium, Discussant]. Symposium presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Robinaugh, D. J. (2020, November). *Bayesian approaches to modeling psychiatric vulnerability and treatment mechanisms*. [Symposium, Discussant]. Symposium presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Robinaugh, D. J. (2021, June). *A brief history of prolonged grief disorder*. Presentation delivered to the Complicated Grief Special Interest Group at the Virtual Conference of the European Society for Traumatic Stress Studies.

Robinaugh, D. J., Frumkin, M. R. LeBlanc, N. J. Ahmad, Z. Bui, E. Nock, M. K. Simon, N. M. & McNally, R. J. (2021, November). The pain of grief: Exploring the concept of psychological pain and its relation to complicated grief, depression, and risk for suicide in bereaved adults. In Frumkin, M. (Chair). *What is psychological pain? A transdiagnostic examination of the nature and correlates of pain affect arising from psychological social stimuli*. Symposium presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, New Orleans, LA.

Robinaugh, D. J. (2022, May). *Computational clinical psychology: Using mathematical and computational models to advance clinical theory and practice* [Symposium, Chair]. Symposium presented at the annual meeting of the Association for Psychological Science, Chicago, IL.

Robinaugh, D. J. (2022, November). Discussant in Hellberg, S. (Chair) *Novel analytic methods for clinical science: Recent approaches to modeling psychopathology*. Symposium presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Conference Workshops

Shear, M. K., Sung, S. C., Wetherell, J., Marques, L., **Robinaugh, D. J.** Simon, N. M. (2011, March). *Recognizing and treating complicated grief*. Workshop presented at the annual meeting of the Anxiety Disorders Association of America, New Orleans, LA.

- Robinaugh, D. J. & Fried, E.** (2019, June). *Improving psychological science by formalizing psychological theories: The value of computational modeling*. Workshop given at the annual meeting of the Society for the Improvement of Psychological Science, Rotterdam, Netherlands.
- Robinaugh, D. J. & Fried, E.** (2020, May). *Computational models for formalizing theories*. Workshop accepted to the annual meeting of the Association for Psychological Science, Chicago, IL. (Conference cancelled).
- Robinaugh, D. J.** (2020, October). Loss and grief during the COVID-19 pandemic. In Marques, L. & Youn, S. (Chairs). *Mental wellness for health professionals: COVID-19 responses and strategies for the future*. Presentation delivered as part of workshop for health professionals organized by Harvard Medical School Post-graduate Medical Education
- Fried, E. & **Robinaugh, D. J.** (2021, July). *Improving psychological science by formalizing psychological theories: the value of computational modeling*. Workshop presented at the Society for Personality and Social Psychology Summer Psychology Forum.

Invited Talks

- Robinaugh, D. J.** (2013, October). *Examining the nature of persistent complex bereavement disorder*. Presentation to the Center for Depression, Anxiety & Stress Research at McLean Hospital.
- Robinaugh, D. J.** (2017, May). *A brief introduction to the network approach to psychopathology*. Presentation to the Center for Depression and Clinical Research at Massachusetts General Hospital.
- Robinaugh, D. J.** (2017, January). *Mental disorders as causal systems: Examining complicated grief and post-traumatic stress disorder as networks*. PTSD Innovation Meeting at Massachusetts General Hospital
- Robinaugh, D. J.** (2017, January). *Understanding the nature and treatment of complicated grief*. Presentation to the Department of Psychiatry, New York University.
- Robinaugh, D. J.** (2018, April). *Advancing the theory and assessment of mental disorders as complex systems*. Presentation to the Department of Experimental Psychopathology and Psychotherapy, University of Zurich.
- Robinaugh, D. J.** (2018, April). *Advancing the theory and assessment of mental disorders as complex systems*. Presentation to the Department of Psychiatry, Psychotherapy, and Psychosomatics at Psychiatry Hospital, University of Zurich.
- Robinaugh, D. J.** (2019, October). *Computational modeling as a tool for theory development*. Presentation to the Transcontinental Computational Psychiatry Workgroup.
- Robinaugh, D. J.** (2020, April). A brief introduction to the network approach to psychopathology. In Djelantik, A. A. A. M. J. (Chair). *Connecting perspectives on traumatic grief*. Utrecht University, The Netherlands. Symposium presented in honor of A.A.A.M.J Djelantik's dissertation defense.
- Robinaugh, D. J.** (2020, August). Formalization as a tool for advancing and personalizing cognitive behavioral theories of psychopathology. In Schiepek, G. (Chair). *Building the bridge between nomothetics and idiographics*. Upper Bavaria, Germany.
- Robinaugh, D. J.** (2021, March). *Mental disorders as complex systems*. Unraveling the complexity of mental health using intensive time-series data and computational modeling. Presentation delivered to the Department of Applied Psychology, Northeastern University.
- Robinaugh, D. J.** (2021, March). *Computational modeling as a toolkit for advancing theories in clinical psychology*. The example of panic disorder. Presentation delivered to the Computational Cognitive Neuroscience Lab, Harvard University.

- Robinaugh, D. J.** (2021, April). *Computational modeling as a toolkit for advancing theories in clinical psychology*. The example of panic disorder. Presentation delivered to the McNally Lab, Harvard University.
- Robinaugh, D. J.** (2021, April). *Computational modeling as a toolkit for advancing theories in clinical psychology*. The example of panic disorder. Presentation delivered to the Reese Lab, Bowdoin University.
- Robinaugh, D. J.** (2021, May). *The nature and treatment of complicated grief*. Presentation delivered to the Boston Child Study Center.
- Robinaugh, D. J.** (2021, June). *Understanding the impact of the COVID-19 pandemic and ideas for how to move forward*. Presentation delivered to the MGH Chelsea Health Care Center, Adult Medicine CME Series.
- Robinaugh, D. J.** (2021, June). *Computational clinical psychology: Computational models as a tool for advancing clinical theories*. Presentation delivered to the VA Data Science Fellowship Program.
- Robinaugh, D. J.** (2021, December). *From burnout to flourishing. A systems-based perspective on addressing the impact of the COVID-19 pandemic*. Presentation delivered to the MGH Chelsea Health Care Center, Adult Medicine Retreat
- Robinaugh, D. J.** (2022, March). *Theory Formation*. Panel discussion presented to the Methods and Statistics Colloquium, Utrecht University.
- Robinaugh, D. J.** (2022, March). *Research exchange and conversations on trauma*. Presentation delivered to the Mental Health Seminar, Northeastern University.
- Robinaugh, D. J.** (2022, June). *Computational modeling as a tool for treatment planning: The example of cognitive behavioral therapy for panic disorder*. 14th Summer Schools on Human Change Processes. Virtual Meeting.

Invited Workshops

- Robinaugh, D. J.,** Ryand, O., Haslbeck, J. (2022, May). *Formal theories in psychology: What they are, why they matter, and how to build them*. Workshop delivered to the Universität des Saarlandes Graduate Program in Psychology.

Poster Presentations

- Robinaugh, D.,** Friedberg, J. P. & Natarajan, S. (2008, March). *The association between dietary stage of change, decisional balance and self-efficacy in adults with hypertension*. Poster presented at the annual meeting of the Society of Behavioral Medicine, San Diego, CA.
- Friedberg, J.P., **Robinaugh, D.,** Simmons, L. & Natarajan, S. (2008, March). *Providing healthcare by phone: Characteristics of patients who are difficult to reach for telephone counseling*. Poster presented at the annual meeting of the Society of Behavioral Medicine, San Diego, CA.
- Robinaugh, D. J.,** Weingarden, H.M., Sung, S.C, Marks, E.H., Pollack, M.H., Simon, N.M., Marques, L.M. (2010, March). *Perceived dyadic social support and posttraumatic stress symptoms following a motor vehicle accident (MVA): The mediating role of negative posttraumatic cognitions*. Poster presented at the annual meeting of the Anxiety Disorders Association of America, Baltimore, MD.
- Robinaugh, D. J.,** Jacoby, R., Porter, E., Pollack, M., Sung, S., Simon, N., & Marques, L. (2010, June). *The role of negative post-trauma cognitions in the relationship between social support and posttraumatic stress disorder following a motor vehicle accident*. Poster presented at the World Congress of Behavioral and Cognitive Therapies, Boston, MA.
- Marks, E.H., Wechsler, R.S., **Robinaugh, D. J.,** Sung, S.C., Otto, M.W., Simon, N.M., Marques, L. (2010, June). *Quality of life and functional impairment in social anxiety disorder: The role of experiential*

- avoidance*. Poster presented at presented at the 6th World Congress of Behavioral and Cognitive Therapies, Boston, MA
- Jacoby, R.J., Alegria, M., **Robinaugh, D. J.**, Alegria, M., Weingarden, H., Pollack, M.H., Simon, N.M., Marques, L. (2010, June) *Psychological treatment utilization among Latino Americans: Implications for the diagnosis and treatment of social anxiety disorder*. Poster presented at the 6th World Congress of Behavioral and Cognitive Therapies, Boston, MA
- Weingarden, H., Marques, L., **Robinaugh, D. J.**, Alegria, M., Pollack, M., & Simon, Naomi, S. (2010, November) *Are Latinos diagnosed with social anxiety disorder “doctor shopping” relative to non-Latino Whites? Implications for clinical care*. Poster presented at the 2010 Association of Behavior and Cognitive Therapies Annual Conference, San Francisco, CA.
- LeBlanc, N., Marques, L., **Robinaugh, D. J.**, Weingarden, H., & Wilhelm, S. (2010, November) *Does one’s ethnic identity moderate the association between ethnicity and body dysmorphic symptoms?* Poster presented at the 2010 Association of Behavior and Cognitive Therapies Annual Conference, San Francisco, CA.
- LeBlanc, N., Marques, L., **Robinaugh, D. J.**, Weingarden, H., Keshaviah, A., & Wilhelm, S. (2010, November) *Socio-demographic and clinical correlates of quality of life in individuals with body dysmorphic symptoms*. Poster presented at the 2010 Association of Behavior and Cognitive Therapies Annual Conference, San Francisco, CA.
- Sung, S. C., Porter, E. **Robinaugh, D. J.**, Marks, E. H., Marques, L., Otto, M. W., Pollack, M. H., Simon, N. M. (2011, March). *Emotion regulation deficits and quality of life in patients with social anxiety disorder: An examination of generalized expectancies for negative mood regulation*. Poster presented at the annual meeting of the Anxiety Disorders Association of America, New Orleans, LA.
- Robinaugh, D. J.** & McNally, R. J. (2011, March) *When childhood sexual abuse becomes key to identity: Examining the association of trauma centrality and posttraumatic stress*. Poster presented at the annual meeting of the Anxiety Disorders Association of America, New Orleans, LA.
- Robinaugh, D. J.**, Marques, L., Sung, S. C, Traeger, L., Marks, E. H., Beck, J. G., Pollack, M. H., Simon, N. M., (2011, November). *Understanding the relationship of perceived social support to post-trauma cognitions and posttraumatic stress disorder*. Poster presented at the annual convention of the Association for Behavioral and Cognitive Therapies, Toronto, ON.
- LeBlanc, N., **Robinaugh, D.**, Nadal-Vicens, M., Marques, L., Porter, E., Dryman, M. T., Worthington, J., & Simon, N. (2011, November). *Complicated grief comorbidity in individuals presenting with anxiety disorders*. Poster presented at the annual convention of the Association for Behavioral and Cognitive Therapies, Toronto, ON.
- Bui, E. Brunet, A., Simon, N. M. **Robinaugh, D. J.**, & Birmes, P. (2012, April). *Peritraumatic distress mediates the relationship between female gender and PTSD symptoms*. Poster presented at the annual convention of the Anxiety Disorders Association of America, Arlington, VA.
- Fischer, L., Bui, E., LeBlanc, N., **Robinaugh, D.**, Moore, C., Nadal-Vicens, M., Simon, N. M. (2012, November). *Childhood behavioral inhibition and complicated grief*. Poster presented at the annual convention of the Association for Behavioral and Cognitive Therapies, National Harbor, MD.
- Enock, P., **Robinaugh, D. J.**, Reese, H. E., McNally, R. J. (2012, November). *Improved reliability estimation and psychometrics of dot-probe paradigm on smartphones and PC*. Poster presented at the annual convention of the Association for Behavioral and Cognitive Therapies, National Harbor, MD.
- Hunter, M. L. Dixon, L. **Robinaugh, D. J.** Yacoubian, A. & Marques, L. (2013, April). *Access to care in community mental health clinics: Patient risk factors associated with provider burnout*. Poster presented at the annual convention of the Anxiety and Depression Association of America, La Jolla, CA.

- Robinaugh, D. J.** & McNally, R. J. (2013, May). *Remembering the past and envisioning the future in bereaved adults with and without complicated grief*. Poster presented at the annual convention of the Association for Psychological Science, Washington D.C.
- Robinaugh, D. J.** & McNally, R. J. (2013, November). *Difficulties with emotion regulation in bereaved adults with and without complicated grief*. Poster presented at the annual convention of the Association for Behavioral and Cognitive Therapies, Nashville, TN.
- Unger, L.,[±] **Robinaugh, D. J.**, LeBlanc, N., Li, S., Kovachy, B. & McNally, R. J. (2014, November). *Examining the content and characteristics of intrusive memories in complicated grief*. Poster presented at the annual convention of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
- Parker, L.,[±] **Robinaugh, D. J.**, Lincoln, S.H. & McNally, R. J. (2014, November). *Perceived self-ownership: Association with symptoms of psychopathology*. Poster presented at the annual convention of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
- Kovachy, B.,[±] **Robinaugh, D. J.**, Lincoln, S.H., Parker, L. & McNally, R. J. (2014, November). *Integration of trauma memories in the autobiographical memory network: Association with symptoms of post-traumatic stress disorder*. Poster presented at the annual convention of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
- Horentstein, A.,[±] Bui, E., **Robinaugh, D. J.**, Shear, K. & Simon, N. M. (2014, November). *The role of personality in bereaved adults with and without complicated grief*. Poster presented at the annual convention of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
- Fico, C.,[±] **Robinaugh, D. J.** & McNally, R. J. (2014, November). *Cognitive set shifting in bereaved adults with and without complicated grief*. Poster presented at the annual convention of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
- Daoust, E.,[±] **Robinaugh, D. J.**, LeBlanc, N., Wang, P., Strech, J. & McNally, R. J. (2014, November). *Avoidance mediates the association between emotion regulation and complicated grief*. Poster presented at the annual convention of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
- Rogers A. H.,[±] O'Day E. B.,[±] **Robinaugh, D. J.**, Bui E., Mauro, C., Reyonlds C. F. III, Zisook, S., Shear M. K. & Simon N. M. (2016, November). *Examining the age of onset of comorbid psychiatric disorders in bereaved adults with complicated grief*. Poster presented at the Annual Convention of the Association of Behavioral and Cognitive Therapies, New York, NY, 2016.
- Hellberg, S. N.[±] **Robinaugh, D. J.**, Tio, P., Baker, A. W., Simon, N. M. (2017, November). *Utilizing a network approach to examine the structure of weighted mental disorder symptom network and its relation to comorbidity*. Poster presented at the Annual Convention of the Association of Behavioral and Cognitive Therapies, San Diego, CA, 2017.
- Toner, E. R.,[±] LeBlanc, N. J., O'Day, E. B., Marques, L., **Robinaugh, D. J.** & McNally, R. J. (2019, November). *Moral emotions following loss: Exploring the effect of shame and guilt on complicated grief and depression in a bereaved sample*. Poster presented at the annual convention of the Association for Behavioral and Cognitive Therapies, Atlanta, GA.
- Losiewicz, O. M.,[±] Brown, M. L.,[±] Toner, E. R.,[±] Marques, L., Baker, A. W. & **Robinaugh, D. J.** (2019, November). *Predicting the unpredictable: Critical slowing down as a warning signal for panic attacks*. Poster presented at the annual convention of the Association for Behavioral and Cognitive Therapies, Atlanta, GA.
- Brown, M.L.,[±] Losiewicz, O.M.,[±] LeBlanc, N.J., Kind, S.L., **Robinaugh, D.J.**, Hellberg, S.N., Simon, N.M., Marques, L., & Baker, A.W. (2019, November). *A closer look at the efficacy of cognitive-behavioral therapy for panic disorder using ecological momentary assessment and a symptom-level approach*. Poster presented at the annual convention of the Association for Behavioral and Cognitive Therapies, Atlanta, GA.

- Levine, D. S., Bui, E., & **Robinaugh, D. J.** (2020, November). *Advancing our understanding of complicated grief treatment by examining change in intra-individual symptom dynamics*. Poster presented at the annual convention of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
- Ander I. K.,[±] Toner E. R.,[±] LeBlanc N., Bui E. & **Robinaugh, D. J.** (2020, November). *Social behavior and emotional experiences among bereaved adults with and without complicated grief: An ecological momentary assessment study*. Poster presented at the annual convention of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
- Steinberg, M. H., Schantz, B., Szuhany, K. L., Jennings, E., Chen, A., Miron, C., Rassaby, M., **Robinaugh, D.J.**, & Simon, N. M. (2021, November). *Differences in emotion regulation with generalized anxiety disorder, social anxiety disorder and prolonged grief disorder*. Poster presented at the Association for Behavioral and Cognitive Therapies Annual Conference, New Orleans, LA.
- Skolnik, A.,[±] Toner, E. LeBlanc, N., Simon, N. M. & **Robinaugh, D.J.** (2021, November). *Reconstructing reality: Counterfactual thinking is associated with core features of prolonged grief disorder*. Poster presented at the Association for Behavioral and Cognitive Therapies Annual Conference, New Orleans, LA.
- Pan, A.,[±] Jurek, K., Aideyan, B. & **Robinaugh, D.J.** (2022, April) *Examining the relationship between loneliness and grief-related avoidance in bereaved adults*. Poster presented at the RISE 2022 Virtual Expo, Boston, MA.
 **Awarded the *Health Sciences: Graduate RISE Category Award*
- Kabel, K.E., Coppersmith, D.D.L., LeBlanc, N.J., Hotchkin, C.M., **Robinaugh, D.J.**, Baker, A.W. (2022, November) *Disentangling how our treatments work: Examining time-lagged change in PTSD symptom clusters in PE and CPT*. Poster presented at the 56th annual convention of the Association for Behavioral and Cognitive Therapies (ABCT), New York, NY. (National)
- Hotchkin, C., Bellet, B., **Robinaugh, D. J.** & Baker, A. (2022, November). *Those Who Seek Reminders of Trauma: High Prevalence of Self-Triggering Behavior in a PTSD Clinical Sample*. Poster presented at the 56th annual convention of the Association for Behavioral and Cognitive Therapies (ABCT), New York, NY. (National)

RESEARCH GRANTS

Past

- | | |
|------|---|
| 2008 | Stimson Fund Research Grant
Amount Awarded: \$1,000 |
| 2009 | Knox Fund Large Grant Award
Title: <i>Remembering the past and envisioning the future in bereaved adults with and without complicated grief</i>
Role: Principal Investigator
Amount Awarded: \$3,100 |
| 2011 | Knox Fund Large Grant Award
Title: <i>Training the ability to remove negative material from working memory: A preliminary investigation of a working memory bias modification task</i>
Role: Principal Investigator
Amount Awarded: \$3,500 |
| 2012 | Society for the Science of Clinical Psychology Dissertation Research Award
Title: <i>Constructive episodic simulation in bereaved adults with and without complicated grief</i> |

-
- Role: Principal Investigator
Amount Awarded: \$500
- 2012 – 2013 **Sackler Scholarship in Psychobiology**
Title: *Cognitive bias and impairment in bereaved adults: Association with post-loss psychopathology*
Role: Principal Investigator
Amount Awarded: \$19,000
- 2013 – 2014 **Sackler Scholarship in Psychobiology**
Title: *Examining the nature and etiology of complicated grief in bereaved adults*
Role: Principal Investigator
Amount Awarded: \$20,000
- 2013 – 2017 **Department of Defense, Military Suicide Research Consortium**
Title: *New approaches to the measurement and modification of suicide-related cognition*
Role: Co-Investigator Principal Investigator: Matthew K. Nock
Amount Awarded: \$777,564
- 2015 – 2017 **American Foundation for Suicide Prevention**
Title: *Intra-individual assessment of suicidal ideation in complicated grief: A proof-of-concept study*
Role: Principal Investigator
Amount Awarded: \$29,768
- 2016 – 2018 **Charles A. King Trust Postdoctoral Research Fellowship**
Title: *Examining symptom decoupling and propagating causal influence as intra-individual mechanisms of change in psychotherapy.*
Role: Principal Investigator
Amount Awarded: \$45,450
- 2016 – 2021 **Clinical Loan Repayment Program (LRP) NIH/NIMH**
Title: *Assessing the structure and remission of the persistent complex bereavement disorder symptom network and its relation to suicidal ideation in treatment-seeking bereaved adults*
- 2017 – 2022 **American Foundation for Suicide Prevention**
Title: *Development of an innovative and practical suicide risk assessment battery for youth*
Role: Co-investigator Principal Investigator: Christine B. Cha
Amount Awarded: \$82,432

Current

- 2018 – 2023 **National Institute of Mental Health**
Title: *Network psychiatry: Using network science to advance our understanding of post-bereavement psychopathology*
Role: Principal Investigator
Amount Awarded: \$1,004,400

2022 – 2023 **Northeastern University TIER 1 Award**
Title: *Computational phenotyping of psychopathology in extended reality: A Proof-of-concept study*
Role: Principal Investigator
Amount Awarded: \$50,000

TEACHING

Formal Coursework

08/11 – 12/11 **Psychological Science (SLS 20)**
Harvard University, Cambridge, MA
Teaching Fellow under the supervision of Daniel T. Gilbert
*Received Harvard University Certificate of Distinction in Teaching

01/12 – 05/12 **Introduction to Statistics for the Behavioral Sciences (Psych 1900)**
Harvard University, Cambridge, MA
Teaching Fellow under the supervision of Matthew K. Nock
*Received Harvard University Certificate of Distinction in Teaching

01/12 – 05/12 **Contemporary Issues in Psychology: Intensive Cross-level Analyses (Psych 971)**
Harvard University, Cambridge, MA
Instructor
*Received Harvard University Certificate of Distinction in Teaching
*Received George W. Goethals Award for Excellence in Teaching

01/18 – 05/18 **Bachelor's Thesis in Psychological Methods**
University of Amsterdam, Amsterdam, NL
Instructor

08/21 – 12/21 **Intermediate Statistical Data Analysis Techniques (CAEP 7712)**
Northeastern University
Instructor

03/22 – 05/22 **Statistics for Design (ARTG 5320)**
Northeastern University
Instructor

08/22 – 12/22 **Design and Mental Health (ARTG 5000)**
Northeastern University
Instructor

Additional Teaching Experience

01/19 – Current **Clinical Research Seminar**
Massachusetts General Hospital, Boston MA

MENTORSHIP

Doctoral Students

		<u>Position</u>
2020 – Current	Jill de Ron	Graduate Student, University of Amsterdam
2022 – 2022	Julian Burger	Visiting Student, Northeastern University

Masters Students

		<u>Position</u>
2021– Current	Alicia Pan	Graduate Student, Northeastern University
2021– Current	Katie Jurek	Graduate Student, Northeastern University
2022– Current	Lauren Herrera	Graduate Student, Northeastern University
2022– Current	Megan Masterson	Graduate Student, Northeastern University
2022– Current	Stephanie Schiavo	Graduate Student, Northeastern University
2022– Current	Vanessa Sams	Graduate Student, Northeastern University
2022– Current	Tianbao Piao	Graduate Student, Northeastern University

Undergraduate Students & Research Assistants

		<u>Position</u>
2012 – 2013	Ujunwa Anakwenze	Research Assistant, Harvard University
2012 – 2013	Rebecca Lubin	Research Assistant, Harvard University
2012 – 2016	Benjamin Kovachy	Research Assistant, Harvard University
2013 – 2014	Heidi Vuletich	Research Assistant, Harvard University
2013 – 2015	Leslie Unger	Research Assistant, Harvard University
2013 – 2015	Arielle Horenstein	Research Coordinator, Massachusetts General Hospital
2014 – 2015	Zeba Ahmad	Research Assistant, Harvard University
2015 – 2017	Madelyn Frumkin	Research Coordinator, Massachusetts General Hospital
2015 – 2017	Emily O’Day	Research Coordinator, Massachusetts General Hospital
2016 – 2018	Samantha Hellberg	Research Coordinator, Massachusetts General Hospital
2018 – 2020	Meredith Ward	Research Coordinator, Massachusetts General Hospital
2018 – 2020	Emma Toner	Research Coordinator, Massachusetts General Hospital
2018 – 2020	Mackenzie Brown	Research Coordinator, Massachusetts General Hospital
2018 – 2020	Olivia Losiewicz	Research Coordinator, Massachusetts General Hospital
2019 – 2021	Daniella Levine	Research Coordinator, Massachusetts General Hospital
2019 – 2021	Ilana Ander	Research Coordinator, Massachusetts General Hospital
2020 – 2022	Alexa Skolnik	Research Coordinator, Massachusetts General Hospital
2021 – Current	Katherine Kabel	Research Coordinator, Massachusetts General Hospital
2021 – Current	Claire Hotchkin	Research Coordinator, Massachusetts General Hospital
2022 – Current	Emily Mintz	Research Coordinator, Massachusetts General Hospital

Dissertation Committee

2020	Jonas Haslbeck	University of Amsterdam
2020	Manik Djelantik	University of Utrecht
2021	Benjamin Bellet	Harvard University

Master’s Thesis Committee

2020	Nikki Puccetti	University of Miami
------	----------------	---------------------

SERVICE

Departmental Service

09/2021 – 05/2022	Member, William James Lecture Series Committee, Department of Applied Psychology
09/2021 – 05/2022	Member, Faculty Search Committee, Department of Applied Psychology
09/2022 – Current	Member, Faculty Search Committee, Department of Applied Psychology
09/2022 – Current	Member, Curriculum Committee, Department of Applied Psychology

College Service

09/2022 – Current	Member, Faculty Search Committee, College of Arts, Media, and Design
-------------------	--

Editorial Service

Editorial Positions:

2016 – 2018	Behaviour Research & Therapy, <i>Associate Editorial Board Member</i>
2020 – 2021	BMC Psychiatry, <i>Guest Editor for Special Collection: Complexity in Mental Health Research: Theory, Method, and Empirical Contributions</i>
2022 – Current	Cognitive Behavioral Therapy & Practice, <i>Guest Editor</i>

Ad Hoc Reviewer:

Australian Critical Care	International Journal of Eating Disorders
Addiction Research & Theory	Journal of Abnormal Psychology
American Journal of Drug and Alcohol Abuse	Journal of Affective Disorders
