Dr. Joseph E. Aoun
President
Northeastern University
716 Columbus Place, Suite 620

Dear Dr. Aoun:

At the July 2012 meeting of the National Architectural Accrediting Board (NAAB), the board reviewed the *Visiting Team Report (VTR)* for the Northeastern University, School of Architecture.

As a result, the professional architecture program:

Master of Architecture

was formally granted a six-year term of accreditation with the stipulation that a focused evaluation be scheduled in three years to review the following Conditions and the progress that has been made in each area:

- I.1.2 Administrative Structure and Governance**
- I.2.1 Human Resources and Human Resources Development**
- I.2.4 Financial Resources**
- I.1.2 Learning Culture and Social Equity**

The accreditation term is effective January 1, 2012. The program is scheduled for its next accreditation visit in 2018. The **focused evaluation** is scheduled for calendar year 2015. For more information on focused evaluations, please see Section 6 of the *2011 Procedures for Accreditation*.

Continuing accreditation is subject to the submission of *Annual Reports*. *Annual Reports* are submitted online through the NAAB's Annual Report Submission system and are due by November 30 of each year. These reports have two parts:

Part I (Annual Statistical Report) captures statistical information on the institution in which a program is located and the degree program.

Part II (Narrative Report) is the narrative report in which a program responds to the most recent *VTR*. The narrative must address Section 1.3 Conditions Not Met and Section 1.4 Causes of Concern of the *VTR*. Part II also includes a description of changes to the program that may be of interest to subsequent visiting teams or to the NAAB.

If an acceptable *Annual Report* is not submitted to the NAAB by January 15, 2013, the NAAB may consider advancing the schedule for the program's next visit. A complete description of the *Annual Report* process can be found in Section 10 of the *NAAB Procedures for Accreditation*, 2011 Edition.

Finally, under the terms of the *2011 Procedures for Accreditation*, programs are required to make the *Architecture Program Report*, the *VTR*, and related documents available to the public. Please see Section 3, Paragraph 8 (page 22), for additional information.
