A vibrant, colorful mural on a wall. The central focus is a pair of hands holding a white paper airplane. The hands are rendered in shades of purple, blue, and pink. The background of the mural features abstract shapes, including a large yellow and purple circular pattern on the left, and various geometric and organic forms in blue, green, and orange. A person in a striped shirt and dark shorts is walking from left to right in the foreground, partially obscuring the mural. A tree is visible on the right side of the image. The overall scene is set outdoors on a grassy area.
