

Bachelor's and Postbaccalaureate Programs, Lowell Institute School

Bachelor of Science

These programs are self-paced:

- Biological science (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/bachelors-postbaccalaureate/lowell-institute-school/biological-science-bs>)
- Biotechnology (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/bachelors-postbaccalaureate/lowell-institute-school/biotechnology-bs>)
- Environmental science (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/bachelors-postbaccalaureate/lowell-institute-school/environmental-science-bs>)
- Health management (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/bachelors-postbaccalaureate/lowell-institute-school/health-management-bs>)
- Health science (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/bachelors-postbaccalaureate/lowell-institute-school/health-science-bs>)
- Information technology (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/bachelors-postbaccalaureate/lowell-institute-school/information-technology-bs>)
- Psychology (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/bachelors-postbaccalaureate/lowell-institute-school/psychology-bs>)

Fast-Track Programs

The following programs (Fast-Track) are accelerated cohort programs in which students take four to five courses per term:

- Health management, Fast-Track (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/programs-previous-catalog-fast-track-hmg-fast-track>)
- Information technology, Fast-Track (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/programs-previous-catalog-fast-track-itc-fast-track>)

Bachelor of Science in Engineering Technology

These programs are self-paced:

- Computer engineering technology (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/bachelors-postbaccalaureate/lowell-institute-school/computer-engineering-technology-bset>)
- Electrical engineering technology (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/bachelors-postbaccalaureate/lowell-institute-school/electrical-engineering-technology-bset>)
- Mechanical engineering technology (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/bachelors-postbaccalaureate/lowell-institute-school/mechanical-engineering-technology-bset>)

Postbaccalaureate

- Premedical program (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/bachelors-postbaccalaureate/lowell-institute-school/postbaccalaureate-premedical-program>)

Curricula For Students Who Entered Prior to Fall 2016

- Biological science (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/programs-previous-catalog-bs-biological-science>)
- Biotechnology (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/programs-previous-catalog-bs-biotechnology>)
- Computer engineering technology (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/programs-previous-catalog-bs-cet>)
- Electrical engineering technology (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/programs-previous-catalog-bs-eet>)
- Environmental studies (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/programs-previous-catalog-bs-environmental-studies>)
- Health management (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/programs-previous-catalog-bs-hmg>)
- Health science (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/programs-previous-catalog-bs-hsc>)
- Information technology (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/programs-previous-catalog-bs-itc>)
- Mechanical engineering technology (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/programs-previous-catalog-bs-met>)
- Operations technology (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/programs-previous-catalog-bs-opt>)
- Psychology (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/programs-previous-catalog-bs-psy>)
- Technical communication (<http://catalog.northeastern.edu/archive/2016-2017/professional-studies/programs-previous-catalog-bs-tec-com>)
