

Behavioral Neuroscience (BNSC)

BNSC 1000. Behavioral Neuroscience at Northeastern. (1 Hour)

Introduces first-year and new transfer students to the major and the field of behavioral neuroscience and to the professional and academic resources available to students at Northeastern University. Acquaints students with their faculty, advisors, and fellow students; provides an initial orientation to undergraduate research, cooperative education, study abroad, and other experiential learning options; familiarizes students with academic support resources and leadership opportunities; provides grounding in the culture and values of the university community –in short, familiarizes students with all skills needed to become a successful university student.

BNSC 1990. Elective. (1-4 Hours)
