

Graduation Requirements

To be eligible to receive degrees, students must meet all academic requirements. They must also clear all financial and disciplinary deficiencies.

In addition, each program of study has specific academic requirements. These are specified for each program under the various schools and colleges in this catalog.

Prior to completion of their program, students are expected to complete a graduation degree audit at their college's academic student services office.

All eligible degree candidates must complete the graduation application by the applicable deadline. Before you apply to graduate through the Student Hub, we recommend you take the time to review your current program information, i.e., degree, major, and concentration.
