

Finance and Business Administration, MSFMBA—Part-Time

Northeastern University's D'Amore-McKim School of Business prepares leaders highly skilled in finance and business. D'Amore-McKim's Part-Time MS in Finance/MBA (https://damore-mckim.northeastern.edu/programs/part-time-ms-finance-mba/?utm_source=internal-referral&utm_medium=nu-catalog&utm_campaign=ptmsfmbs) combined degree program integrates business knowledge with a deep understanding of finance, preparing students to be the leaders that today's business world demands. In this flexible program, students build skills they can apply in real time—and complete their degree part-time.

Integrating Classroom and Professional Experiences

Learning by doing is a hallmark of a Northeastern MBA. Students apply their knowledge to actual business challenges through experience-fueled electives and class projects. Students benefit from the experience of their faculty as finance experts and business leaders who understand today's challenges because they've experienced them firsthand.

Develop Deep Finance Expertise

Students pursue a major in finance laser-focused on financial theory and practice. Students have an opportunity to gain advanced financial skills and high-level knowledge to drive financial strategy, increase shareholder value, support flexible operating models, minimize risk, and maximize revenue through the finance courses.

Students can gain experience performing equity research and portfolio management in a student-managed mutual fund, The 360 Huntington Fund. By participating in the Fund, students may earn one semester hour per semester with the option to fulfill a 3-semester-hour elective course requirement by participating for three terms.

Select a Concentration

Students specialize their degree by selecting a concentration. They gain exposure to diverse perspectives as they build competencies in multiple disciplines. This combination of their finance major and a concentration of their choosing prepares them to lead in a complex business world.

Program Requirements

Core Requirements

Code	Title	Hours
Accounting		
ACCT 6200	Financial Reporting and Managerial Decision Making 1	3
