

Liability Insurance

Students on clinicals, clinical practicum, or clinical internships, under a clinical agreement with the university, are covered by Northeastern University's liability insurance program for claims arising out of the student performing assigned duties in the scope of their studies. Students should consult their clinical placement office, program director, and program policies for more information about liability insurance. If students have questions about their placement and the insurance provided, they may contact Risk Services (http://www.northeastern.edu/risk_services/).
