College of Professional Studies Undergraduate

General Admission and Transfer Credit

- Admission (p. 4)
- Admission Requirements for Undergraduate Degrees and Certificates (p. 5)
- Undergraduate Students Seeking More Than One Undergraduate Certificate and/or Degree (p. 5)
- Transfer Credit Policy (p. 5)

Admission

The goal of the admission process at the College of Professional Studies is to provide access to a Northeastern University education worldwide and to create an environment where you will grow and create lasting opportunities for your future. To support this, we take a friendly and supportive approach to admissions and are here to guide you through the process and help you achieve your goals. There are no application fees. No GREs, GMATs, or SATs required. And there are multiple start terms per year.

When to Apply

DOMESTIC APPLICANTS

The College of Professional Studies admissions process operates on a rolling basis. However, it is recommended that all required documents are received:

- Six weeks prior to your desired start term for **transfer applicants**
- Four weeks prior to your desired start term for **applicants not transferring credits**

INTERNATIONAL APPLICANTS

As an international applicant, there are important deadlines you must meet in order to begin classes during your desired start term. International applicants who will be studying in the United States on a student visa must abide by the deadlines found on the College of Professional Studies website (<http://www.cps.neu.edu/admissions/international>).

Application Information

Applicants should refer to the following information to submit application documents:

MAIL OR DROP OFF

Mail or drop off supporting documents to the following address:

Northeastern University
College of Professional Studies
Office of Admissions
50 Nightingale Hall
360 Huntington Avenue
Boston, MA 02115-9959

It is important to include "College of Professional Studies" in the address when sending mail or requesting transcripts from previous institutions.

FAX

Fax supporting documents to the following number:

617.373.8574

EMAIL

Supporting documents we recommend you submit via email (cpsadmissions@northeastern.edu) include:

- Unofficial transcripts
- Copy of diploma
- Statement of purpose
- Recommendation letters

TRANSCRIPTS

Transcripts must be mailed from the originating institution in a stamped and sealed envelope or emailed through "escript."

IMPORTANT CODES

Note the following codes:

- TOEFL code: 4999
- FAFSA code: 002199

ADMISSIONS CONTACT

Questions? Please feel free to reach out to the College of Professional Studies Office of Admissions:

- 1.877.668.7727
- 617.373.8574 (fax)
- cpsadmissions@northeastern.edu

Application Withdrawal Due to Inactivity

An application can be incomplete for up to one year before it is automatically withdrawn due to inactivity. An applicant who would like to reactivate his or her application has one year to do so from the time of his or her application withdrawal.

If an applicant has any questions or would like to reactivate his or her application, call 617.373.2400, 877.668.7727, or submit an email (cpsadmissions@northeastern.edu).

Request to Withdraw an Application

An applicant can request to withdraw his or her application for admission at any time. An applicant who would like to reactivate his or her application has one year to do so from the time of his or her application withdrawal.

To request to withdraw your application, call 617.373.2400, 877.668.7727, or submit an email (cpsadmissions@northeastern.edu).

Admissions Acceptance Deferral

A student who is not able to start his or her studies during the academic term for which he or she gained acceptance must contact the Office of Admissions to request a deferral of admission. A student may request a deferral for up to one year, unless otherwise noted for specific programs. Check with the Office of Admissions for more information.

If a student does not get approved for an acceptance deferral and does not begin his or her studies within two academic terms of acceptance into a program, he or she forfeits that acceptance and must reapply to the program for a future term. It is important for the student to inform the Office of Admissions about deferral requests as this may impact the student's time limit on program completion and financial aid.

Curricular Requirements

Admitted students are required to follow the program requirements that are in effect the term for which they have been admitted or, in the case of a formal deferral, the future term to which they have deferred. Students are encouraged to review the curricular requirements at the beginning of their start term to ensure they have the most up-to-date information.

Admission Requirements for Undergraduate Degrees and Certificates

Admissions requirements include the following:

- **Online application**
- **Academic transcripts**—submit one of the following:
 - Official high school transcript
 - Official GED
 - Official associate degree transcript, stating degree conferral and date
- **Transfer credit documents**—transfer students must submit the following:
 - Academic transcripts—official U.S. transcript from each institution you previously attended and from which you are requesting transfer credit
 - Foreign transcripts—official transcripts and English translation; we recommend you submit a course-by-course evaluation of your diploma(s) and transcript(s)
 - College-level examinations—official examination
 - Military evaluation
- **Proof of English-language proficiency**—students for whom English is not their primary language must submit one of the following:
 - Official associate degree transcript from an accredited college or university in the United States, stating degree conferral and date
 - Official TOEFL or IELTS scores
 - NU Global Exam scores
 - Pearsons scores

Additional information regarding English-language proficiency test score requirements may be found on the English Language Proficiency webpage (<http://www.cps.neu.edu/admissions/international/english-language-proficiency.php>).

All Global Classroom programs have additional admissions requirements.

Undergraduate Students Seeking More Than One Undergraduate Certificate and/or Degree

An undergraduate student can be enrolled in only one undergraduate program at a time.

Undergraduate students seeking more than one certificate or degree after having completed a program should note that undergraduate credits earned toward:

- A certificate earned at the College of Professional Studies may be used to satisfy the requirements of a bachelor's degree, if the contents are determined to be applicable per the program director.
- A certificate earned at the College of Professional Studies may be used to satisfy the requirements of a second certificate with a cap of 6 credits, if the contents are determined to be applicable per the program director.

- A bachelor's degree earned at the College of Professional Studies may be used to satisfy the requirements of a second bachelor's degree with a cap of 50 percent of the requirements for the second degree, if the contents are determined to be applicable per the program director.

Transfer Credit Policy

The College of Professional Studies awards transfer credits for eligible courses completed successfully at regionally and programmatically accredited institutions. The Council for Higher Education Accreditation provides information about the organizations responsible for these two forms of accreditation. Official transcripts from all institutions should be sent directly to the College of Professional Studies Office of Admissions at the time of application.

Credits earned at institutions outside the United States are considered for transferability on a case-by-case basis. Students should submit an official English evaluation completed by an approved credential evaluator. Course descriptions and/or syllabi also should be translated into English and submitted to the College of Professional Studies Office of Admissions.

Once a new student has been accepted into a program, a major has been declared, and all official transcripts and/or exam results have been received, the College of Professional Studies Office of Registrar Operations conducts an official transfer credit evaluation within the first academic term. Students may be required to provide additional documentation for transfer credit evaluation.

The College of Professional Studies reserves the right to revise transfer credit awards due to course duplication, a student's change in program of study, or other reasons deemed necessary by the college.

Students who wish to transfer credits earned at the College of Professional Studies to another institution need to consult with that institution to determine eligibility.

For more information about transferring credit and the transfer credit award process, visit the College of Professional Studies Admissions website (<http://www.cps.neu.edu/admissions/undergraduate/transferring-credit>).

Undergraduate Transfer Credit

Undergraduate students who wish to make a request for transfer credits must provide an official academic transcript for credits earned at another institution and an official report of exam results for credits earned through college-level proficiency examinations.

Undergraduate transfer credit awards are granted on a case-by-case basis employing the following guidelines:

- The minimum course grade acceptable for transfer credit is C, or 2.000 on a 4.000 scale.
- Courses completed on a pass/fail scale are not eligible for transfer.
- Credits earned in science and technology courses are valid for a period of seven years. Science and technology courses completed more than seven years ago may be considered for transfer at the discretion of the program director. Courses successfully completed in other subject areas are not subject to timelines.
- Transfer credits also may be earned through:
 - Assessment of Prior Learning (APL).
 - College-Level Examination Program (CLEP).

6 *Transfer Credit Policy*

- The Excelsior College Examination Program (formerly Regents College).
- DANTES Examination Program of the Educational Testing Service.
- Advanced Placement (AP) Examination Program of the College Entrance Examination Board.
- Credits earned from any college within Northeastern University other than the College of Professional Studies are granted under the following guidelines:
 - Minimum grade of a C–, or 1.667 on a 4.000 scale.
 - If the undergraduate transfer student is only transferring credits earned at another Northeastern University college, he or she completes a minimum of 24 semester hours (residency) for a bachelor's degree at the College of Professional Studies.
- With specified exception, students must complete at least 50 percent of the total credits required for a bachelor's degree at the College of Professional Studies.
- Students may transfer up to 6 semester hours toward an undergraduate certificate.
- An undergraduate student who is on active military duty may transfer up to 75 percent of the total credits required for an undergraduate certificate or degree at the College of Professional Studies.

Assessment of Prior Learning (APL)

Students may be eligible for APL credit if they have accrued a foundation of knowledge and skills equivalent to the content of courses in the following areas:

- Liberal arts (ANT, ART, CMN, ECN, ENG, HST, MUS, PHL, POL, PSY, SOC, and TCC)
- Health professions and sciences (BIO, BTC, CHM, HMG, and HSC)
- Information technology (ITC)
- Business

Interested students should contact their career and academic coach for more information.

Information for Entering Students

- Academic Calendar (p. 7)
- myNortheastern Portal (p. 7)
- NU Online (p. 7)
- Husky Email (p. 7)
- New Student Orientation (On-Ground and Online) (p. 7)
- International Student Orientation (p. 7)
- Student Reference Guide (p. 8)
- Information for International Students (p. 8)
- Husky Card Services (p. 9)
- Academic and Student Resources (p. 9)
- Campus Resources (p. 11)
- Public Safety (p. 12)
- Information Technology Services (p. 13)

Academic Calendar

The College of Professional Studies undergraduate programs are offered on a semester calendar consisting of three 15-week terms (with the option for half-term sessions offered in an accelerated format as well as a 7-week term in the summer).

For calendar details, please visit the registrar website (<http://www.northeastern.edu/registrar/calendars.html>).

MyNortheastern Portal

The myNortheastern portal is a comprehensive, web-based service that addresses students' academic, personal, and recreational needs by providing a single integrated point of access to useful information, people, and processes. Students can access their student email accounts, register for and/or drop courses, confirm course registration, find classroom assignments, access online classes, view billing information, check financial aid application status, apply for a parking permit, view grades and academic history, and apply to graduate.

To activate your mynortheastern account:

1. Go to myNortheastern (<http://myneu.northeastern.edu>)
2. Click on "How do I get a myNortheastern username and password?"
3. Click "Activate Account"

If you have trouble accessing your myNortheastern account, contact the Service Desk at 1.617.373.4357 (HELP), via email (help@northeastern.edu), or at the InfoCommons located inside Snell Library on the main Boston campus.

NU Online

Northeastern Blackboard is the access point to the College of Professional Studies' online, hybrid, and blended courses. Students are strongly encouraged to review the online class demo within the New Student Online Orientation website (<http://www.orientation.cps.northeastern.edu>) before beginning any course that requires online instruction.

Students can also access any applicable program-specific student resource centers via Blackboard.

Students may access Northeastern Blackboard via their myNortheastern (<https://my.northeastern.edu>) portal. Alternatively, you may visit Blackboard (<https://northeastern.blackboard.com>) directly.

Husky Email

Students have access to their Husky email accounts upon activation of their myNortheastern account. It is important to check this account regularly as all official college and university correspondence is sent to students' Husky email accounts, e.g., billing, academic standing, student newsletters, graduation information, important announcements.

Students have the option to:

1. Forward their Husky emails to a preferred email account. This can be done via their myNortheastern account. Students with a preferred personal email account are encouraged to enter that information in their myNortheastern account. Visit the Information Technology Services website (<http://www.northeastern.edu/its/services/huskymail>) for further instructions.
2. Configure their HuskyMail on a smartphone. Visit the Information Technology Services website (<http://www.northeastern.edu/its/services/huskymail>) for further instructions.

New Student Orientation (On-Ground and Online)

The purpose of New Student Orientation is to provide information and tools for each student's success from the point of program entry to degree completion. All new students are expected to attend the on-ground orientation. If students cannot attend the on-ground orientation, they should thoroughly review the Student Reference Guide (available on the CPS website at: <https://cps.northeastern.edu/academic-resources>) and the New Admitted Student site located at <http://www.orientation.cps.northeastern.edu/>.

International Student Orientation

At the beginning of each term, the Office of Global Services (OGS) (<http://www.northeastern.edu/ogs>) conducts orientation sessions, events, and activities designed to ensure all international students have completed all U.S. documentation requirements. OGS staff provides information and support to help international students transition to life in the United States and at Northeastern University. During Orientation, students will also have the opportunity to meet other international students, learn from shared experiences, and find any assistance they may need.

Orientation week is very important. All students should register, attend every mandatory session, and attend as many scheduled events as they can to avoid missing other important information during the first few weeks on campus.

For a schedule of required sessions and other events, please visit the OGS website (<https://www.northeastern.edu/ogs/home/new-students/orientation/#1501875537352-ce3d3c3e-69d2>).

Student Reference Guide

In addition to participating in New Student Orientation, students are strongly encouraged to review the *Student Reference Guide* provided by the Office of Academic Advising.

This is a tool and resource intended to help new students prepare for their first term of enrollment as well as provide information that students can reference throughout their time at Northeastern University and beyond.

The guide is organized with checklists students may use during different points in their academic career. It can be found on the College of Professional Studies website (<http://www.cps.neu.edu/student-resources>).

Information for International Students

Office of Global Services

405 Ell Hall
617.373.2310
617.373.8788 (fax)
Website (<http://www.northeastern.edu/ogs>)

The Office of Global Services (OGS) offers a vast array of programs and services to more than 13,000 international students and scholars who represent approximately 147 nations.

The OGS also works to promote meaningful interaction and intercultural understanding among citizens of other countries and their peers from the United States, providing educational and cultural enrichment opportunities for all members of Northeastern and the community at large.

The OGS oversees the Student and Exchange Visitor Information System (SEVIS) at Northeastern, as mandated by the U.S. federal government, in order to ensure compliance with regulations and procedures affecting those international students and scholars in specified nonimmigrant visa classifications.

Affiliation with the OGS begins with the orientation program and continues through such initiatives as its cultural festival, International Carnevale, which celebrates the cultural diversity of the entire university community. For a list of OGS services and programs, visit the OGS website. (<https://www.northeastern.edu/ogs>)

International students in F-1 and J-1 visa classification must maintain full-time status at Northeastern to be in compliance with immigration and SEVIS regulations. Also, students must not engage in any type of employment unless previously authorized by the OGS. Note that timely registration for courses is especially important so that students may remain in compliance with current federal regulations. International students should consult with the OGS if they have any questions about their individual status.

Coming to Campus

Preparing to travel to the United States and begin studies at Northeastern University is exciting. Careful planning will help to ensure smooth travel and arrival to campus. Here are some of the key reminders:

- **Apply for an F-1 or J-1 visa** at the U.S. Embassy or Consulate. If an interview is required, the appointment should be requested early. More information on the application process is available online (<http://www.northeastern.edu/issi/visaprocess.html>).

- **Transfer students** currently studying in the United States in F-1 or J-1 visa classification should obtain an **I-20 or DS-2019** from Northeastern.
- Understand the medical insurance requirements (<http://www.northeastern.edu/issi/insurance.html>) and purchase health insurance coverage if not already covered by a policy that meets Massachusetts state requirements.

Make sure you received the Northeastern Health Report form in your admissions packet. Have your doctor sign the form and make sure you have received all of the immunizations listed on the form. If you have any questions, contact the University Health and Counseling Services in person at 135 Forsyth Building, by calling 617.373.2772 option #2, or by email (UHCS@northeastern.edu).

Planning Information

As a new international student, you are expected to arrive by the start date of your program stated on the I-20 issued by Northeastern or on the DS-2019 issued by Northeastern or by your sponsoring agency/government.

When you plan your travel arrangements, you should seek admission to the United States no more than 30 days prior to the report date on your I-20 or DS-2019, and you should not arrive after the report date on your I-20 or DS-2019.

All international students will need to report to the OGS at their scheduled immigration clearance session during orientation. Check the orientation schedule (<https://www.northeastern.edu/ogs/home/new-students/orientation/#1501875537352-ce3d3c3e-69d2>) for the date and time of your session.

Housing

Students at Northeastern University College of Professional Studies are not eligible for on-campus housing at Northeastern University. There are, however, a number of housing resources (<http://www.cps.neu.edu/student-resources/housing.php>) you may refer to if you are seeking housing in the Boston area.

SEVIS Compliance

The OGS is required to comply with immigration regulations governing your student status and must submit information every term as required by the Department of Homeland Security.

The OGS: Your Resource for SEVIS Advice and Assistance

The OGS advises F-1 and J-1 students on the complexities of immigration compliance and interfaces with various U.S. government agencies. The OGS maintains and updates the SEVIS system and advises students on relevant issues related to nonimmigrant student status by individual appointments or through workshops and information sessions. Consult the OGS whenever you have a question relating to your nonimmigrant student status or any aspect of SEVIS compliance.

Global Student Success

10 Belvidere
617.373.2455
globalss@northeastern.edu
Website (<http://www.cps.neu.edu/student-resources/gss>)

Global Student Success is committed to fostering the acculturation of international students to the Northeastern community and promoting internationalization across the institution. We support international students through cross-cultural, linguistic, and academic support services. We also partner with faculty, staff, and administrators to

integrate global dimensions and cross-cultural understanding into the Northeastern experience.

Husky Card Services

4 Speare Commons
617.373.8740
HuskyCard@northeastern.edu

Husky Card Services prints Husky Cards, the official identification card of Northeastern University. The Husky Card is used for many purposes, including access to locations, parking, laundry, printing, vending machines, dining services, off- and on-campus vendors, and library book checkout.

Students who are registered for courses on the Boston campus of Northeastern University can come to the Husky Card Services office to obtain their card. A government-issued photo ID must be presented when receiving your Husky Card.

Students who are registered in online courses only are eligible to have their Husky Cards mailed to them. If you are an online student and would like a Husky Card mailed to you, submit an email (HuskyCard@northeastern.edu) with your name, Northeastern University ID number, address, and college/degree. Once we have this information, we will open the photo upload option through your myNEU account, which will allow you to upload a photo. Once your photo is submitted, it will take up to **two weeks** for the photo to be approved and the Husky Card to be mailed to you. Allow more time for international mail.

Academic and Student Resources

Libraries

Northeastern University Libraries
617.373.8778
Website (<http://www.library.northeastern.edu>)

The Northeastern University Library is at the hub of campus intellectual life. Resources include over 900,000 print volumes, 206,500 e-books, and 70,225 electronic journals. The Snell Library building welcomes 1.5 million visitors a year on the Boston campus, and the library's website serves users around the world. The library provides award-winning research and instructional services, a growing focus on networked information, and extensive special collections that document social justice efforts in the greater Boston area. The library has an ambitious vision to expand its digital initiatives by developing its digital repository, digitizing unique collections, constructing integrated collaborative spaces, and fostering the adoption of digital media and the creation of new knowledge. The Northeastern University Library leads the way in redefining library service in the 21st century.

Snell Library is also the primary study environment on campus, open 24/7 to the whole university community, year-round. Spaces include group, quiet, and silent work areas, with more than thirty group study rooms with whiteboards and plug-in displays for collaborative group work. Individual study rooms are available for graduate students on a long-term reservation basis, as well. In partnership with Information Technology Services, the library supports the Digital Media Commons and InfoCommons computing areas, providing high-level media creation and editing capabilities. The Digital Media Commons also includes a 3D printing studio with a full suite of fabrication technologies and professional-level audio and video recording studios.

Services provided by Snell Library include both on-site and distance reference, the latter including 24/7 live chat with a reference librarian; subject specialist librarians who provide in-depth consultation and research support for each academic program at the university; and an interlibrary loan system for providing materials not readily available at Northeastern. Digital scholarship project support and tools are also available through an institutional repository and data management services. The library also teaches workshops on digital media tools and resources and instructional sessions about library research for students and faculty.

The School of Law Library, located on five floors in the Knowles Law Center, includes a comprehensive collection of U.S. legal materials in print and in electronic format. Of particular note is the library's collection in the areas of public interest law; international human rights law; and public health, death penalty issues, and progressive lawyering. Access to print and electronic materials is provided through Scholar OneSearch, the university's online library catalog. More information can be found on the library website (<http://www.northeastern.edu/law/library>).

Office of Academic Advising

50 Nightingale Hall
617.373.2400
617.373.5545 (fax)
cps-adviser@northeastern.edu
Website (<http://www.cps.neu.edu/student-resources/OAA.php>)

The mission of the Office of Academic Advising is to provide comprehensive services to enable students to take ownership of their education and to make sound decisions and judgments that further their individual academic and professional success.

Each student accepted in a degree or certificate program has a designated career and academic coach who serves as the student's primary contact and partner at the university to work together toward the student's success by:

- Navigating curriculum/program requirements
- Planning a course load
- Choosing a major
- Determining the best path for degree completion
- Petitioning for transfer credit, course substitution, and course overloads
- Researching and locating resources that are important to the student

The Office of Academic Advising offers student enrichment opportunities throughout the year to satisfy educational, social, and networking desires/needs. For more information about the Office of Academic Advising, visit the College of Professional Studies website (<http://www.cps.neu.edu/student-resources/OAA.php>).

Students are encouraged to communicate regularly with their academic advisors.

TUTORING SERVICES

Tutoring can benefit skilled professionals and beginning students alike. Students enrolled in the College of Professional Studies have access to and are strongly encouraged to make use of the various available tutoring services.

SMARTHINKING

Smarthinking is a free online tutoring service (<http://www.cps.neu.edu/student-resources/tutoring-services.php>) accessed through the student's Blackboard account.

Smarthinking provides online tutoring, synchronous or asynchronous, in many different subjects such as writing, reading, basic math through multivariate calculus, business, biology, chemistry, and physics.

International Tutoring Center

Basement of Snell Library
617.373.2455
globalss@northeastern.edu
Website (<http://www.cps.neu.edu/gss>)

Tutors provide high-quality ESL writing instruction and tutoring for international students who need assistance with papers, assignments, TOEFL writing, and research projects. Students can meet one-on-one with an ESL tutor for 50-minute appointments. This is a free service for Northeastern international students.

The Writing Center

412 Holmes Hall
617.373.4549
Website (<http://www.northeastern.edu/writingcenter>)

The Northeastern University Writing Center (WC) is open to any member of the Northeastern community and exists to help writers of any level, from any academic discipline, become better writers. There are many ways to enjoy our services. You can book in-person or virtual sessions with a WC consultant, send us your writing through our email submissions, or browse our online content and multimedia resources on Facebook and Pinterest.

Northeastern Math Center

540B Nightingale Hall
617.373.2438

Math tutoring on an individual basis is provided in algebra, precalculus, or calculus. This is a free service for Northeastern students. Students can call or stop by the center for an appointment.

Career Services

103 Stearns Center
617.373.2430
617.373.4231 (fax)
careerservices@northeastern.edu
Website (<http://www.northeastern.edu/careerservices>)

Career Services provides resources, guidance, and opportunities that help students and alumni with the following:

- Choose a major and explore career options that fit their unique attributes
- Make career decisions that will engage them in productive and fulfilling work
- Prepare for and conduct successful job searches
- Create meaningful and effective engagement with employers
- Contribute to meeting global and societal needs

Northeastern's Career Services does not guarantee employment nor does it refer students to prospective employers regarding job openings.

Disability Resource Center

20 Dodge Hall
617.373.2675
617.373.2730 (TTY)
617.373.7800 (fax)

Website (<http://www.northeastern.edu/drc>)

The Disability Resource Center (DRC) strives to create an environment in which all are empowered to make their unique contributions to the rich academic and social life of Northeastern. Its staff takes a creative approach to assisting students who have disabilities or who are Deaf or hard of hearing by providing services that will enable them to succeed.

In accordance with federal laws and guidelines, services cannot be provided unless acceptable documentation is submitted to the DRC. Students must provide recent diagnostic documentation indicating that the disability substantially limits one or more major life activities. They must also register with the DRC and meet with a counselor.

Students who are disabled, Deaf, or hard of hearing are strongly encouraged to contact the DRC upon their acceptance to Northeastern. It is also most beneficial to schedule a meeting with a DRC counselor at least three months prior to arriving on campus in order to register and request services. Early contact with the center will allow enough time to assemble the required diagnostic documentation, register at the DRC, and set up services.

Services are individually tailored on a case-by-case basis to meet each student's needs. Support services are available for, but are not limited to, students with a documented diagnosis of learning disabilities, blindness or visual disabilities, mobility disabilities, deafness or hard-of-hearing disability, head injuries, psychiatric disorders, degenerative or chronic conditions, HIV-positive status or AIDS, and temporary disabilities.

The center's services include examination modification and accommodation; disability-related academic advising and course modification; note-taking services; readers and scribes; sign-language interpreters and transliterators; computer-aided, real-time information about classrooms' accessibility; advising and referral services; campus orientations; acquisition of assistive listening devices, Braille materials, taped textbooks, and raised-line drawings; and assistive technology, such as the Reading Edge machine. The center also provides liaison, advocacy, and training services for faculty, staff, and administration and coordinates special-interest groups.

The DRC does not provide personal care assistance (PCA) services; the center will provide referral to local PCA service agencies, such as the Boston Center for Independent Living (<http://bostoncil.org>).

Northeastern does not offer transportation services; however, public transportation in greater Boston is run by the Massachusetts Bay Transportation Authority (MBTA), which offers a curb-to-curb transportation service known as The RIDE for persons with disabilities. Several stops on the Orange Line branch of the MBTA subway system are very convenient to the Northeastern campus. Please visit the MBTA website (<http://www.mbta.com>) for more information.

University Health and Counseling Services

Forsyth Building, Suite 135
617.373.2772
UHCS@northeastern.edu
Website (<http://www.northeastern.edu/uahcs>)

The University Health and Counseling Services team is eager to serve you. We hope that you will use our center as a resource to help stay healthy, physically and mentally, and for care when you are ill or injured, depressed or stressed.

We Care

104 Ell Hall

617.373.4384
 we_care@northeastern.edu
 Website (<http://www.northeastern.edu/wecare>)

The mission of We Care is to support students who experience unexpected challenges in maintaining their academic progress. We Care works with the student to coordinate assistance among university offices and to offer appropriate on- and off-campus referrals to support successfully resolving the issue. We Care also provides guidance to faculty and staff in identifying Northeastern resources and policies to help students succeed.

Center for Spirituality, Dialogue, and Service

203 Ell Hall
 617.373.2728
 csds@northeastern.edu
 Website (<http://www.northeastern.edu/spirituallife>)

The Center for Spirituality, Dialogue, and Service (<http://www.northeastern.edu/spirituallife>)(CSDS) serves and supports the diverse spiritual, religious, and social justice commitments of all Northeastern community members. The center is home to the Sacred Space (<http://www.northeastern.edu/spirituallife/our-spaces/sacred-space>) (200 Ell Hall), a beautiful award-winning spiritual area for worship, private contemplation and reflection, group meetings, dialogue, yoga, meditation, service projects, and special events. The center also oversees the Social Justice Resource Center (<http://www.northeastern.edu/sjrc>) (SJRC) (106 St. Stephen Street) and supports the Hillel Center (<http://www.northeasternhillel.org>), The Foundation for Jewish Life (70 St. Stephen Street), and the Catholic Center (<http://www.nucatholics.neu.edu>) (68 St. Stephen Street).

CSDS sponsors over 25 student organizations representing the world's spiritual, religious, and humanist traditions. The center builds partnerships across university departments and disciplines and with religious communities and public service agencies locally, nationally, and internationally to help students become engaged citizens, peace builders, and equipped as leaders to tackle pressing global problems. The work of the center is organized into two mutually reinforcing spheres:

- Sphere of Spirituality and Interfaith Engagement
 - Offers students, faculty, and staff opportunities to explore their personal spirituality, diverse religious traditions, learn ethical reflection and decision making, and develop interfaith appreciation and competence
- Sphere of Service and Social Action—coordinated by the SJRC
 - Serves as an inclusive hub of innovative justice-minded thinking, collaboration, and action that empowers students, faculty, and staff to help enact a society that is equitable and peaceful

For more information, visit the website (<http://www.northeastern.edu/spirituallife>), call 617.373.2728, submit an email (csds@northeastern.edu), or visit 203 Ell Hall.

Office of Student Conduct and Conflict Resolution

202 Ell Hall
 617.373.4390
 Website (<http://www.northeastern.edu/osccr>)

The Office of Student Conduct and Conflict Resolution administers the Code of Student Conduct (<http://www.northeastern.edu/osccr/code-of-student-conduct>) and the student disciplinary process. The code establishes and defines university community expectations for standards

of behavior and responsibility, as well as rights and remedies provided to all university community members. The office is also responsible for the design, development, and implementation of the university mediation program.

Programs and services provided by the Office of Student Conduct and Conflict Resolution are designed to support the academic mission of the university by enhancing each student's academic achievement and personal, ethical, and character development. These programs are intended to promote community standards of behavior; positive and productive conflict management and resolution; civility; respect for self; respect for others; and an appreciation for being a part of a diverse, flourishing community.

Campus Resources

Office of the Registrar

271 Huntington Avenue
 617.373.2300
 617.373.5360 (TTY)
 Website (<http://www.northeastern.edu/registrar>)

The Office of the University Registrar provides an important link between the university's academic programs and policies and the student. It administers a number of specific services including class scheduling, registration, record functions, verification of enrollment, reporting, transcript services, and Commencement.

The registrar's office utilizes the myNortheastern web portal (<http://myneu.northeastern.edu>) and public campus computers to provide students convenient access to information and services, including class schedules and registration, most recent grades, and unofficial transcripts. Additional information is available on the registrar website (<http://www.northeastern.edu/registrar>).

Northeastern University Bookstore

Main Campus
 Curry Student Center, ground floor
 617.373.2286
 Website (<http://www.northeastern.bncollege.com>)

The bookstore operates during the entire academic year, but days and hours may vary in accordance with the university's calendar.

Purchases can be made by cash, check, American Express, MasterCard, Visa, Discover, or Husky Card.

Campus Recreation

Marino Recreation Center
 617.373.4433
 Website (<https://www.northeastern.edu/campusrec>)

Exercise your body, mind, and spirit. The campus recreation program provides many outlets to help clear your mind and recharge your spirit. Our fitness facilities, unique among Boston-area colleges and universities, are open year-round. All programs were designed with you in mind, so whether you enjoy group fitness classes, ice hockey or street hockey, basketball, weight training, or swimming, Campus Recreation has something for everyone.

Full-time Northeastern students, in good standing, have access to the Marino Recreation Center, Cabot Center, and, the Badger and Rosen SquashBusters Center when they are enrolled in classes and co-op or scheduled for vacation and have paid the campus recreation fee. Part-

time students, in good standing, will have access during any academic term in which they are enrolled and attending classes, as long as they have requested and paid the campus recreation fee. Help us maintain a safe and secure environment. Your Northeastern photo ID card must be a current, valid, and active card that needs to be swiped upon arrival in order to enter all facilities.

Russell J. Call Children's Center

1 Fencourt Street (alley right after Qdoba Restaurant)
617.373.3929

The Russell J. Call Children's Center is available to faculty, staff, and students; children from two years and nine months to five years of age are eligible to attend.

The center is licensed by the Massachusetts Department of Early Education and Care and staffed by professional teachers and co-op and work-study students.

For more information, contact Regina Nazzaro, Director of the Children's Center, at 617.373.3929 or via email (r.nazzaro@neu.edu).

Parking

Student Financial Services
354 Richards Hall
617.373.2366

Website (<http://www.northeastern.edu/parking>)

Parking spaces in the university lots and garages are filled on a first-come, first-served basis. To park in a university lot or garage, students must have a valid parking permit displayed on their vehicles. A parking permit does not guarantee a parking space.

New students may purchase a day parking permit. Only eligible students will receive a permit. To be eligible, students must be registered for a class or on co-op. The cost of the permit will be charged to the student's tuition account.

Overnight parking permits are limited, and preference is given to those students on co-op or clinical internships. Upperclass students in classes may be denied overnight parking due to limited availability.

Applications for term and overnight parking permits are available online (<https://www.applyweb.com/applyweb>).

To park in a handicap space, individuals must purchase a parking decal and display a state-issued handicap license plate, placard, or hangtag. Handicap parking spaces are located throughout campus.

Operators of vehicles driven or parked on university property are responsible for knowing and complying with university driving and parking regulations.

Refer to the parking website for more information, or contact University Police at 617.373.2121.

John A. and Marcia E. Curry Student Center

434 Curry Student Center
617.373.2663

Website (<http://www.northeastern.edu/curry>)

This campus "living room" serves as a hub of student activity. It is the crossroads of community life at Northeastern, offering cultural, social, and recreational programs and services.

The center offers ATM machines, an art gallery, the afterHOURS late-night club, food court and cafeteria, game room, lounge space, meeting

rooms, Starbucks Coffee, student organization offices, TTY machines, a TV viewing area, and WRBB-FM.

Student center facilities may be reserved by recognized student organizations and university departments. The university reserves the right to limit the use of its facilities when the general public is involved.

Public Safety

Public Safety Division Administrative Offices

100 Columbus Place
617.373.2696

Website (<http://www.northeastern.edu/publicsafety>)

Police Operations Center

100 Columbus Place
617.373.3333 (EMERGENCY—police, fire, medical)
617.373.3934 (TTY emergency or nonemergency)
617.373.2121 (nonemergency regular business)

Personal Safety

617.373.2121

Website (<http://www.northeastern.edu/nupd/services-programs>)

The Public Safety Division's mission is to provide a comprehensive program of police, security, fire safety, and emergency medical services to help ensure the campus remains a safe and pleasant place to live, work, and learn.

The University Police Department is the largest and most visible unit of the division and consists of professionally trained officers charged with the protection of life and property and the prevention and detection of crime on campus. University police officers have the same authority as municipal police officers and enforce both the Massachusetts laws and university regulations. Regulations mandate that students show their university ID cards whenever requested to do so by any university police officer. For more information, visit the NUPD website (<http://www.northeastern.edu/nupd>).

The Public Safety Division takes pride in its comprehensive plan to minimize crime and protect the safety of the Northeastern community. But the division needs students' help and urges students to take responsibility for creating and maintaining a safe and secure environment. For tips on safety around campus and in the neighborhood, pick up a brochure or visit the website.

The Personal Safety Escort Service provides a door-to-door escort from one on-campus location to another whenever personal safety is a concern. After receiving your call, the university police dispatcher will assign an officer or cooperative education cadet within 10 to 15 minutes (if necessary, the dispatcher will advise you of any expected delays).

A special, nighttime off-campus escort service runs from dusk to dawn to transport students who reside within approximately one mile of the campus from the campus to their residence after dark. The only destination this service will take you to is your residence. A van stops at Snell Library and the Ruggles Public Safety Substation on the hour from 7:00 p.m. to 6:00 a.m. to pick up students.

If you are sexually assaulted, either by a stranger or an acquaintance, get to a safe place, then telephone the university police and a friend or family member. A university police officer who is a state-certified sexual assault investigator will meet with you and address your physical and emotional needs, as well as inform you of your rights and options regarding filing charges against the perpetrator. The police will provide

you with important information about on-campus as well as off-campus counseling services as well as other options regarding changing your residence or class schedule.

If the sexual assault took place off campus, the university police department can still provide emergency medical treatment, transportation to a medical facility, and counseling referrals. However, the criminal investigation of such cases is the responsibility of the police department that has jurisdiction in the locale where the assault took place, and university police will assist you with making contact with the appropriate agency.

RAD Self-Defense Courses

617.373.2696

Website (<http://www.northeastern.edu/nupd/services-programs/radself-defense-classes>)

The R.A.D. System of defense will provide women of all ages with the knowledge to make an educated decision about resistance, on the premise that a spontaneous violent attack will stimulate a natural desire to resist on the part of the victim.

Lost and Found

Website (<http://www.northeastern.edu/nupd/services-programs/lost-and-found>)

If you have lost an item on Northeastern's Boston campus, call 617.373.3913. You will be instructed to leave a detailed message describing the item lost and the best way to contact you if the item is found.

If your item has been turned in, we will contact you by telephone or mail. If your item has not been turned into our department, we will continue to keep this information on file.

If you suspect the item has been stolen, call the Northeastern University Police at 617.373.2121 to report the theft.

If you have found an item on campus, return it to our headquarters located at 100 Columbus Place.

Emergency Information

617.373.2000 (snow emergencies)

Website (<http://www.northeastern.edu/emergency>)

Northeastern University is committed to providing members of its community with a safe and secure place in which to live, work, and study.

The university is prepared to respond to emergencies and urgent situations that require immediate action. A trained team of police officers, EMTs, health and counseling experts, student affairs and residential life staff, and other professionals form a coordinated group that is able to manage a wide range of potential situations.

NU ALERT, emergency broadcast communication messages, are sent to the email addresses and telephone numbers students, faculty, and staff have provided the university.

Information Technology Services

617.373.4357 (xHELP)

help@northeastern.edu

ITS Website (<http://www.northeastern.edu/its>)

Information Technology Services (ITS) is the centralized technology resource for students, faculty, and staff. ITS provides secure, high-speed Internet access through the on-campus networks UNet and ResNet; wireless internet connectivity through NUwave; centralized computer labs—the InfoCommons and the Digital Media Commons (DMC)—with the latest software; on-site and remote printing; access to the Blackboard learning management system; a vast array of software applications for Windows and Mac; access to myNEU, Northeastern's online portal; on-site and online training on popular software; and high-performance research computing.

ITS Service Desk

ITS Service Desk, Snell Library

617.373.4357 (xHELP)

help@northeastern.edu

The ITS Service Desk provides phone-based technology support services to students, faculty, and staff. The staff also offers support for ITS-managed printers and answers general computing questions. Contact the ITS Service Desk for the following services:

- Troubleshooting Northeastern University—provided accounts and applications, including email.
- Investigating wired and wireless network connection problems.
- Troubleshooting network printer problems.
- Assisting with myNEU and Blackboard questions.

ITS Help and Information Desk, Snell Library

617.373.4357 (xHELP)

help@northeastern.edu

The ITS Help and Information Desk is located on the first floor of Snell Library near the InfoCommons. Visit the ITS Help and Information Desk for the following services:

- Assistance on computer-related issues to students, faculty, and staff with a valid Northeastern ID.
- Support for ITS-managed computer labs.
- Access to equipment available for loan including AV equipment, and laptop computers and adapters.

myNEU

myNEU Website (<http://myneu.neu.edu>)

Your myNEU username and password provide access to key university platforms, from the myNEU portal to other university systems, including wireless network access, printing, and email. Undergraduates get an account when they are accepted and Graduate students claim their account when they become active students

myNEU—the online portal for the Northeastern community—is a central resource for students, faculty, and staff. The myNEU portal offers services tailored to your role at Northeastern for all academic, personal, and recreational needs. Resources available for students include links to student email, information channels, financial aid, Blackboard and online course registration. NU Alert, our real-time university emergency notification system, utilizes the contact information provided within myNEU. It is your responsibility to maintain accurate personal and emergency contact information.

ResNet Resource Center

Speare Commons

617.373.4357 (xHELP)

resnet@northeastern.edu

ResNet Website (<http://www.northeastern.edu/resnet>)

ResNet—a service of Information Technology Services and Housing Services—provides internet access to all students living in Northeastern residence halls. The ResNet Resource Center, located in Speare Commons, provides students with support for the HuskyCable HD*plus* service, mobile devices, gaming systems and other devices, student email, computer troubleshooting, and repair services for Apple and Dell computers.

Printing

The Northeastern Printing Program provides a limited amount of free printing each year to students, faculty, and staff. Each September, as an active member of the community, you are given a credit of \$120 on your Husky Card to use at your discretion at any of the ITS-managed printers located across the main Boston campus as well as the Boston Financial District campus, Charlotte campus, and Seattle campus. Print credits do not carry over from one academic year to the next.

Print jobs can be directly sent to the appropriate printer queue from any ITS computer labs or from your own computer by using the Virtual Print Client software available from Software Downloads on myNEU (<https://myneu.neu.edu>) to print remotely. When you locate a printer associated with the appropriate printing queue, simply swipe your HuskyCard, select your print job, and it will print. For more information visit the ITS website (<https://www.northeastern.edu/its/services/printing-plan>).

Appropriate Use Policy

The information systems of Northeastern University are intended for the use of authorized members of the community in the conduct of their academic and administrative work. The Appropriate Use Policy (AUP) describes the terms and conditions of Northeastern information systems use. For more information, visit the Appropriate Use Policy web page (<http://www.northeastern.edu/aup>).

Training Services

Information Technology Services training provides the following instructor-led and web-based courses free of charge to all members of the Northeastern community:

- **Instructor-led training:** this includes classes such as Tools for Creating Online Content and Interactions, Introduction to Online Photo Editors, Blackboard, and other software that ITS and ATS support. Instructor-led training generally occurs in a library computer lab to enable a hands-on approach to learning software with a facilitator who can respond to participant interests.
- **Web-based training:** ITS training offers computer training over the internet, including Mac tutorials, MS Office tutorials, some application-specific training provided by the application vendors, and via Lynda.com, which offers 24/7 access to an extraordinary breadth of training modules. Web-based training is an innovative, self-paced learning method that allows students, faculty, and staff to train anytime or anywhere, using a computer with an internet connection or any mobile device.

To browse the list of courses or to register for a class, visit the training section of the ITS (<https://www.northeastern.edu/its>) or the Learn@ATS section of the ATS (<http://www.ats.neu.edu/learnats>) website.

Academic Technology Services (ATS)

212 Snell Library
ats@northeastern.edu

ATS Website (<http://www.ats.neu.edu>)

For graduate students performing teaching assistant/graduate assistant work, Academic Technology Services (ATS) is a resource for choosing and implementing technological solutions for a wide range of classroom goals. Whether creating online classes or incorporating flipped classroom techniques into on-ground classes, ATS offers consultation and support for implementation. Additionally, ATS manages the Discovery Lab, located on the first floor of Snell Library, which is a space for showcasing ideas and innovations at Northeastern. The Discovery Lab is an area to host both events and exhibitions.

College Expenses

- Financial Aid Assistance (p. 15)
- General Financial Aid Policies and Procedures (p. 15)
- Tuition and Fees (p. 16)
- Northeastern University Student Health Plan (NUSHP) (p. 16)
- Bill Payment (p. 17)

Financial Aid Assistance

Student Financial Services

354 Richards Hall
617.373.2897 (College of Professional Studies)
617.373.5714 (TTY)
cpssfs@northeastern.edu
studentfinance.northeastern.edu (<https://studentfinance.northeastern.edu>)

Northeastern University is committed to assisting students in developing a plan for financing their Northeastern education. Through a variety of options—including federal financial aid, Northeastern’s monthly payment plan, supplemental loans, and your own resources—a plan can be designed that will make your education costs affordable. Visit the Student Financial Services website (<https://studentfinance.northeastern.edu/applying-for-aid/college-of-professional-studies>) or call 617.373.2897 for additional information.

Federal Financial Aid

Student Financial Services is committed to working with you to identify federal financial aid options that can help make a Northeastern education affordable. To apply for federal financial aid programs, students must submit the Free Application for Federal Student Aid (FAFSA) (<https://fafsa.ed.gov>) form.

Students must meet the following criteria to be eligible for federal financial aid:

- Be enrolled in at least 6 credits, applicable toward a degree-granting program, per term for federal financial aid, unless you are enrolled in a full-time stand-alone course (<http://www.northeastern.edu/registrar/ref-udc-fulltime.pdf>)
Note: Although some programs may consider students enrolled in 4 credits to have half-time status, in order to qualify for federal financial aid, students must be enrolled in a minimum of 6 credits.
- Be citizens or eligible noncitizens of the United States
- Be matriculated in a degree-granting program
- Have received a high school diploma or GED and be able to document upon request
- Be registered with Selective Service (if required)
- Not be convicted of a drug-related crime in the last year
- Not be in default from previous student loans
- Maintain satisfactory academic progress

How to Apply

File the Free Application for Federal Student Aid (FAFSA) (<https://fafsa.ed.gov>). Northeastern’s FAFSA school code is 002199.

You will need an FSA ID to sign your FAFSA online. If you do not have one or have forgotten your FSA ID, go to the Federal Student Aid site (<https://fsaid.ed.gov>) to obtain one before starting the FAFSA online.

Awarding Timelines

For information regarding your financial aid status, visit the myNortheastern portal (<https://my.northeastern.edu>), click on “Services & Links,” and select “My Financial Aid Status.”

New students are awarded on an ongoing basis after we have been notified that they have been accepted into their program. Awarding will commence as detailed below:

Term of Entry	Earliest Award Availability
Summer	April
Fall	June
Spring	October

Returning students will begin receiving award notifications in June. Award notifications are electronic. New students will receive an email to the address provided during the admissions process. Returning students will be contacted at their @husky.neu.edu address.

Federal Loans

All students eligible to receive federal financial aid are awarded a Federal Direct Loan, provided they have not exhausted aggregate loan maximums. Eligibility for a need-based Federal Direct Loan is determined by the information provided on the FAFSA and academic level. Students **must be registered** for at least 6 credits each term to be eligible for a federal loan. Additionally, all credits taken must count toward their current degree program for students to be eligible for federal financial aid.

Supplemental Student Loans

There are a number of educational loan programs available to assist students in covering their expenses over and above any federal financial aid that may be awarded to them from the Office of Student Financial Services. Most private lenders have credit and income requirements that must be met before being approved for these programs.

Additional information regarding private loans is available online (<https://studentfinance.northeastern.edu/billing-payments/financing-options>). The Office of Student Financial Services recommends to students that, when researching the loan and lender that best meets their needs, they make sure they take into consideration the interest rate; origination, disbursement, or repayment fees; the quality of customer service; and the amount actually needed for borrowing.

General Financial Aid Policies and Procedures

Financial Aid Policies

Student Financial Services reserves the right to adjust a student’s initial offer of assistance based upon information brought to the office’s attention subsequent to extension of the offer, including the receipt of outside scholarships or revised family financial data.

Return of Title IV Funds

Northeastern University is required by federal statute to recalculate federal financial aid eligibility for students who withdraw, drop out, are dismissed, or take a leave of absence prior to completing 60 percent of

a term. Recalculation is based on the percentage of earned aid using the Federal Return of Title IV funds formula. Federal regulations require students to obtain at least an A, B, C, D, or S in at least one course for the term; students who receive all unsuccessful grades for a term (F, NE, W, I, U) may be considered unofficially withdrawn from the term and subject to an aid recalculation, including the possible loss of financial aid for that term.

Satisfactory Academic Progress (SAP)

To continue receiving financial aid, undergraduate students must have a 2.000 grade-point average (GPA) and have earned academic credit in 67 percent of the courses attempted. Satisfactory academic progress will be evaluated once per academic year. Refer to the Student Financial Services website (<https://studentfinance.northeastern.edu/policies-procedures/satisfactory-academic-progress>) for more information about how satisfactory progress affects financial aid.

Change in Enrollment Status

Students must notify the Office of Student Financial Services about any changes to their enrollment, whether due to withdrawal from a class, a leave of absence, a change in course work, or withdrawal from the university. Students should be aware that any change in enrollment status may result in a loss of all or part of their federal and/or institutional aid eligibility. It is the student's responsibility to notify the Office of Student Financial Services about any change in enrollment status and understand the ramifications of such changes.

It is highly recommended that whenever possible, students discuss the impact of such changes with their Office of Student Financial Services counselor before making them.

Unusual Enrollment

Some FAFSA applications will be flagged for "unusual enrollment history" by the U.S. Department of Education as a result of the student having received Federal Pell grants or Stafford loans at multiple institutions in recent years. These files will need to be reviewed by financial aid counselors; if necessary, additional documentation may be required. We will not be able to award students with federal financial aid assistance until the unusual enrollment history has been resolved.

Ability to Benefit

In general, students who have received a high school diploma, GED, associate degree, or higher may be eligible for federal financial aid assistance. As a part of the application process, students will have to document receipt of one of these credentials in order to be admitted into the College of Professional Studies. If appropriate documentation was not provided during the admission process, our office will request proof of high school diploma, GED, or college degree. Aid cannot be disbursed until this process is completed.

Appeal/Change in Circumstances

If the student feels that the aid process does not accurately reflect his or her situation, or if family circumstances change during the year, the student should notify his or her Student Financial Services counselor for further evaluation. We may request additional documentation from you that might indicate a change in financial circumstances.

Outside Sources of Aid

Students must notify the Office of Student Financial Services of any aid received from outside sources, such as scholarships. Receipt of outside sources of financial aid may require that financial aid offered by Northeastern University be adjusted.

Reapplication Process

Students must reapply for financial aid each year by filing the Free Application for Federal Student Aid (FAFSA). The FAFSA can be completed online (<https://fafsa.ed.gov>).

Verification

If a student is selected for verification, the Office of Student Financial Services may be required to collect tax transcripts and other financial documents to verify the information provided on the FAFSA. We will not be able to award students with federal financial aid assistance until this process has been completed.

Tuition and Fees

Your total tuition due for the semester is dependent upon the total number of credit hours in which you are enrolled. Course tuition is assessed just prior to the start of each class. Fees typically are assessed each semester.

To calculate the total tuition for an individual class, you would multiply the total number of credit hours for the course by the cost per credit hour.

Example: The 2018–2019 tuition for an on-campus undergraduate class that is 3 semester hours is $\$530 \times 3 = \$1,590$.

Please note the different price structure for different types of courses, e.g., lecture vs. lab.

College of Professional Studies Undergraduate Tuition Rates (2018–2019)

These tuition rates are for the 2018–2019 academic year, which begins with the fall 2018 semester. Tuition and fees are subject to revision by the president and Board of Trustees at any time.

Course Type	Tuition per Credit Hour
Undergraduate CPS course	\$530
Lab course (science lab or writing lab)	\$766

Visit the College of Professional Studies website (<https://cps.northeastern.edu/tuition-financial-aid>) for a complete listing of tuition.

Fees

- **Student center fee:** An \$11.00 fee per semester will be assessed for all students enrolled at Northeastern University's Boston Huntington Avenue campus. This fee is for facilities and services at the Curry Student Center.
- **Campus recreation fee:** A \$13.00 per semester campus recreation fee will be assessed for all students at Northeastern University's Boston Huntington Avenue campus. This fee covers admission to home athletic events, use of the Marino Fitness Center, SquashBusters athletic facility, and the Cabot Gym (fitness and pool). This fee will also support the maintenance of existing athletic fields and facilities.

Northeastern University Student Health Plan (NUSHP)

For general health plan information, visit the NUSHP website (<http://www.northeastern.edu/nushp>).

Since September 1989, Massachusetts General Laws (M.G.L. c.15A, § 18) require every full-time and part-time student enrolled in a certificate-, diploma-, or degree-granting program in a Massachusetts institution of

higher learning to participate in a student health program or in a health benefit plan with comparable coverage. The Student Health Program defines a part-time student as a student enrolled in at least 75 percent of the full-time curriculum. CPS undergraduate students taking 12 credits of course work are considered part-time students for the purposes of the Student Health Program.

CPS students enrolled in only online classes are not automatically enrolled. For additional information, email NUSHP (nushp@northeastern.edu).

Health Insurance Waiver

Eligible students may waive NUSHP via myNortheastern once they have been billed for NUSHP. In addition, to be eligible to waive, comparable coverage must be effective from the beginning of the term the student meets Student Health Program requirements.

The burden of proof that the alternative insurance is adequate falls upon the student choosing to waive. By submitting the waiver form, the student will be accepting responsibility for all medical expenses incurred, and neither Northeastern University nor its student health plan will be responsible for these expenses.

Northeastern University reserves the right to verify that the student's insurance meets the criteria indicated. Disciplinary action may be taken if a student knowingly waives NUSHP without comparable coverage.

Visit the NUSHP website (<http://www.northeastern.edu/nushp>) for waiver deadlines.

Bill Payment

Office of Student Financial Services

354 Richards Hall
617.373.2270
617.373.8222 (fax)
studentaccounts@northeastern.edu

Full payment of tuition, residence hall fees, and other related charges are due prior to the start of the term as specified on the original bill. A past-due balance may result in prevention of registration or grade release. Payments will be accepted for billed charges only. The university is not able to process payments for more than the balance due on the student's account. For questions related to underload and overload charges, the billing process, late fees, payment methods, tuition payment plan, and refunds, contact us at the above phone and email address.

E-Bill

Tuition bills are only generated electronically and are available via the myNortheastern portal (<https://my.northeastern.edu>). Paper bills are not generated. For additional information regarding the e-bill, please visit the billing frequently asked questions webpage (<https://studentfinance.northeastern.edu/billing-payments/billing-faq>). For details on available payment methods, visit the payment methods webpage (<https://studentfinance.northeastern.edu/billing-payments/payment-methods>).

Payment of Tuition

Accepted methods of payment are:

- Electronic check and credit card payments can be made on the web via NUPay on myNortheastern (<http://my.northeastern.edu>) (MasterCard, Visa, American Express, and

Discover accepted). Check or money order, payable to Northeastern University.

- Through the monthly payment plan, administered through Tuition Management Systems. For additional information, visit the Student Financial Services website (<https://studentfinance.northeastern.edu/billing-payments/financing-options>).
- Supplemental loans. Review options on the Student Financial Services website (<https://studentfinance.northeastern.edu/billing-payments/financing-options>).
- Additional payment options and payment details are available online (<https://studentfinance.northeastern.edu/billing-payments/payment-methods>).
- International payments using Flywire. Northeastern University has partnered with Flywire to streamline the international wire payment process to the university. This service provides students and their families a safe, cost-effective, and convenient method of making payments to Northeastern University in foreign currencies. Review how to initiate payment at the Student Financial Services website (<https://studentfinance.northeastern.edu/billing-payments/payment-methods>).

A past-due balance may result in late fees, prevention of registration, prevention of grade release, prevention of participation in international study programs, or withdrawal from the university.

Student Financial Responsibility Agreement

As compelled by federal law, all students who enroll in classes at Northeastern University are required to complete and accept the Student Financial Responsibility Agreement (SFRA). This agreement must be completed once per academic year and is located on the student's myNortheastern portal. Failure to complete the SFRA will result in a hold that prevents registration.

Northeastern's Monthly Payment Plan

Northeastern University offers a monthly payment plan, administered through Tuition Management Systems (TMS), which allows students to divide their educational costs into smaller, more manageable installments. For additional information, visit the Student Financial Services website (<https://studentfinance.northeastern.edu/billing-payments/financing-options>).

Tuition Reimbursement

Many companies, embassies, and agencies directly reimburse students for their educational expenses upon successful completion of courses. In these situations, the student is responsible for paying the bill in full at the beginning of the term or selecting another payment option. Tuition may not be left unpaid pending reimbursement by a third party. Check with your human resources department to see if you qualify. If your company requires an official transcript to process the tuition reimbursement, you may request your transcript through your myNortheastern account.

Tuition Remission/Third-Party Payer

When a third party pays tuition directly to the university, the student must provide the Office of Student Accounts with a purchase order, or a written statement of intent to pay by the third party, prior to the first week of classes. If there are stipulations associated with the payment agreement, such as a minimum grade level, then the student must either pay the university directly or enroll in one of the payment options. Documents pertaining to a third-party agreement can be emailed to thirdparty@northeastern.edu or mailed to the address below.

Student Account Operations
354 Richards Hall

360 Huntington Avenue
Boston, MA 02115
Fax: 617.373.8222

Discrepancies in Your Bill

Discrepancies in your bill should be addressed in writing via email (studentaccounts@northeastern.edu) to the Office of Student Financial Services. Include your name, Northeastern ID, permanent home billing address, Husky email address, dollar amount in question, date of invoice, and any other relevant information.

Responses will be sent to the student's Husky email address. If there is a billing problem, pay the undisputed part of the bill to avoid responsibility for any late fees or financial holds.

Late Fees

Late fees can be placed on accounts any time after the due date if the account remains fully or partially unpaid. The university typically waits, however, until after the conclusion of the add/drop period, for the specified semester, prior to assessment of late fees. These fees are based on the amount past due at the time of assessment and can range from \$75 to \$200. Late fees are assessed once per semester.

If a student or payer wishes to dispute a late fee assessment, they must do so, in writing, to studentaccounts@northeastern.edu. Please be sure to include the student's name, NU ID, and reason for the dispute in the email.

Refund Policies

To be eligible for a refund, a student must drop his or her course(s) before the course drop deadline. There is no partial tuition refund or credit. Once the course drop date passes, the student is responsible for 100 percent of tuition and associated charges. Refer to the academic calendar (<https://registrar.northeastern.edu/group/calendar>) for course registration dates. Credit balances will be refunded to the student unless otherwise directed by the student or the bill payer. Note the following exception:

- Payment plans—credit balances created from overpayment to the monthly payment plan will be refunded to the bill payer on record unless a letter of authorization, stating that funds may be released directly to the student, is received from that borrower. Verify that you have an existing credit on your account before submitting your request. Anticipated credits are funds that have not been received by the university, and therefore cannot be refunded.
- International payments—Credit balances created from an international payment must be returned to the originating bank by the payment method used.

Official Withdrawal Adjustments

Students who officially withdraw, either from a course or from the university, during an academic term will receive a tuition refund based on the policy specified in this catalog. Institutional funds awarded by Northeastern University will be adjusted based on the actual charges incurred during the term. Funds from federal Title IV programs will be returned to the government according to federal regulations. The federal government Return of Funds Policy dictates that a student's eligibility for federal financial aid is determined by the number of days enrolled during the term. The refund will be calculated from the day the student submits a notification of withdrawal to the Office of the University Registrar.

Credit policies vary according to the duration of the course. Typical tuition adjustments are made according to the schedule described below.

Fifteen-Week and Seven-Week Courses

The College of Professional Studies will permit students to drop a 15-week and 7-week course within 14 days from the start of the term in Eastern Standard Time and receive a 100 percent refund. After the 14th day of the term, any student seeking to withdraw from a 15-week or 7-week course will be ineligible for a refund. Should a student decide to withdraw from a course, he or she is expected to do so via his or her myNortheastern portal. For specific dates in each term, refer to the academic calendar (<https://registrar.northeastern.edu/group/calendar>).

Students who experience difficulty adding, dropping, or withdrawing from a course should promptly email (registrar@northeastern.edu) the Office of the University Registrar. If it is determined that there is an issue with myNortheastern access, he or she needs to contact the Service Desk at the following:

617.373.4357 (HELP)
help@northeastern.edu
Website (<https://its.northeastern.edu/audience/students>)

Students with holds (e.g., financial, judicial) may have restricted access to add, drop, or withdraw from a course. In such instances, students are responsible for resolving the hold immediately and to meet the established course registration deadlines.

Courses Meeting for One Week or Less

With the exception of Education Summer Institutes and one-day courses, the College of Professional Studies will permit students to drop a course meeting for one week or less through the first day of the course in Eastern Standard Time and receive a 100 percent refund. After the first day of the course, any student seeking to withdraw from an intensive course meeting for one week or less will be ineligible for a refund.

Students who experience difficulty adding, dropping, or withdrawing from a course should promptly email (registrar@northeastern.edu) the Office of the University Registrar. If it is determined that there is an issue with myNortheastern access, he or she needs to contact the Service Desk at the following:

617.373.4357 (HELP)
help@northeastern.edu
Information Technology Services (<https://its.northeastern.edu>)

Students with holds (e.g., financial, judicial) may have restricted access to add, drop, or withdraw from a course. In such instances, students are responsible for resolving the hold immediately and to meet the established course registration deadlines.

Note: Nonattendance does not constitute official course dropping or withdrawal. A student who registers for a course, completes the "I Am Here" process or begins attendance, and does not officially drop from the course before the deadline is responsible for paying 100 percent of the tuition charges and applicable fees. A student in this situation may earn an F grade that will be part of the student's permanent academic record.

Like all grades for courses attempted and/or completed, a grade earned due to nonattendance impacts a student's academic progression, an international student's visa eligibility, and a federal financial aid recipient's aid eligibility and award.

- Global Partnership Programs (p. 32)

Academic and Research Integrity

Essential to the mission of Northeastern University is the commitment to the principles of intellectual honesty and integrity. Academic integrity is important for two reasons. First, independent and original scholarship ensures that students derive the most from the educational experience and the pursuit of knowledge. Second, academic dishonesty violates the most fundamental values of an intellectual community and depreciates the achievements of the entire university.

Accordingly, Northeastern University views academic dishonesty as one of the most serious offenses that a student can commit while in college. Academic dishonesty includes cheating, fabrication, plagiarism, unauthorized collaboration, participation in academically dishonest activities, and facilitating academic dishonesty.

All members of the Northeastern University community—students, faculty, and staff—share the responsibility to bring forward known acts of apparent academic dishonesty. Any member of the academic community who witnesses an act of academic dishonesty should report it to the appropriate instructor or to the director of the Office of Student Conduct and Conflict Resolution.

Violations of the Academic Integrity Policy will result in disciplinary action, which may include a failing grade in the assignment or course, academic probation, suspension, or immediate dismissal from the

program. No student may withdraw from a course in which he or she is found responsible for violating the Academic Integrity Policy.

The university's complete Academic Integrity Policy (<http://www.cps.neu.edu/student-resources/academic-integrity.php>) is available through the Office of Student Conduct and Conflict Resolution.

Students unclear as to whether or not a source requires citation should speak with their instructor; consult a writing resource (e.g., Writing Center, University Library); and/or utilize the Northeastern Citation and Academic Integrity Checklist (https://nuonline.adobeconnect.com/_a833303360/academicintegritychecklist).

Code of Student Conduct

The Code of Student Conduct can be found on the Office of Student Conduct and Conflict Resolution website (<http://www.northeastern.edu/osccr/code-of-student-conduct>).

Attendance Requirements

Class participation is essential to success no matter the course format or its delivery.

Attendance requirements vary. It is the student's responsibility to ascertain what each instructor requires. If a student will be absent, it is his or her responsibility to inform the instructor and to abide by the attendance requirements as explained in the course syllabus. Unexplained absence from class or failure to meet an assignment deadline may seriously affect the student's academic progress and may result in a final grade of F.

"I Am Here" (IAH) Process

After course registration, students are required to verify their intent to enroll in College of Professional Studies class(es) through their myNortheastern account during the first week of each class start. This verification process is called "I Am Here." Students who fail to complete this process on time will be dropped from their class(es), which may impact their financial aid or international student visa eligibility.

Students are responsible for ensuring completion of the "I Am Here" process, which requires that they do not log out of the system early. Students who do not receive a "Successful Completion" message have not reached the end of the procedure and must start again. Sometimes it may take 24 hours before students can restart the procedure.

Students who experience difficulty with the process or have questions should email (registrar@northeastern.edu) the Office of the University Registrar.

Absence Because of Religious Beliefs

Any student who is unable, because of his or her religious beliefs, to attend classes or to participate in any examination, study, or work requirement should be provided with an opportunity to make up such examination, study, or work requirement that he or she may have missed because of such absence on any particular day; provided, however, that such make-up examination or work should not create an unreasonable burden upon such school. Students should make appropriate arrangements with the instructor in advance of the absence, preferably at least two weeks before the religious observance.

Absence Because of Jury Duty

Members of the university community are expected to fulfill their obligations to serve on a jury if called upon. A student selected for jury duty should inform his or her instructors. They will provide a reasonable substitute or compensatory opportunities for any required work missed. A student with such an absence will not be penalized in any way.

Absence Because of Military Deployment

See “Leave of Absence Due to Military Deployment (p. 20).”

Nonattendance

Nonattendance does not constitute official course dropping or withdrawal, which means the student is fully responsible for the academic and financial consequences.

A student who registers for a course and completes the “I Am Here” process but does not officially drop the course by the deadline, regardless of his or her level of participation or attendance/nonattendance, is responsible for paying 100 percent of the tuition charges and applicable fees and the final earned grade. A student in this situation may earn an F grade that will be part of his or her permanent academic record.

Like all grades for courses attempted and/or completed, a grade earned due to nonattendance impacts a student’s academic progression, an international student’s visa eligibility, and a federal financial aid recipient’s aid eligibility and award.

Leaves of Absence and University Withdrawal

General Leave of Absence Policy

Students who wish to take a leave of absence are encouraged to apply for the leave by filling out the proper petition through the myNEU web portal (<http://myneu.northeastern.edu>) one month prior to the start of the effective term. The usual limit for a leave of absence is for one or one-and-a-half academic terms (a term plus a half term). A leave of absence, if approved, will take into account the following conditions:

- Students who do not return at the end of the leave will be withdrawn and must submit a petition for subsequent readmission to the program.
- Students must return to classes, not co-op.
- Students must be currently enrolled in academic courses or co-op. If a student is withdrawn for any reason, a request for a leave of absence cannot be considered until the withdrawal is resolved.
- Students who receive financial aid should meet with a financial aid counselor before going on a leave.
- Students in university housing should refer to the Office of Residential Life for policy information.
- Students’ enrollment status cannot include more than one academic year of consecutive nonclass enrollments.

International students must make an appointment with the Office of Global Services (OGS) (p. 21) to discuss leave of absence procedures in accordance with federal regulations.

Students returning from an approved leave of absence must submit a notification of intent to return to the Office of Academic Advising no later than one month prior to the start of the term in which they intend to return. Students are required to preregister for courses upon returning from a leave of absence.

Medical or Emergency Leave of Absence

Medical leave is an option available to those Northeastern students who develop a major medical condition that precludes class attendance, completion of requirements, and/or co-op. Medical leave petitions must be initiated at University Health and Counseling Services (UHCS). Students are not allowed to take courses for credit toward their degree at Northeastern while on medical leave of absence. Students can petition their college for an exception to take courses elsewhere based on extenuating circumstances.

Students who wish to reenter the university following a medical leave must contact UHCS. Reentry from a medical leave requires receipt of all documentation delivered to UHCS on or around one month prior to the planned reentry to classes. Once all documentation is received by UHCS, it will be reviewed and the student will be notified of the decision. Students must be enrolled in Northeastern University classes for the term they wish to return from medical leave of absence.

More specific information about the reentry process, along with the application for leave, can be found at the UHCS website (<http://www.northeastern.edu/uahcs/access-to-care>).

Emergency leaves may be granted when a student cannot continue attending class after the start of the term due to life-changing situations beyond the student’s control. Students can access the application and submit their request for an Emergency Leave of Absence online by going to the myNEU web portal (<http://www.myneu.northeastern.edu>), clicking on the “Self-Service” tab, and selecting “Registrar Forms.”

The university’s medical leave of absence and emergency leave policy states that all *tuition* charged for the term in which the leave has been granted will be held by the university and applied toward future tuition charges in the same academic program. This does not include housing and other fees. Outstanding balances (including unpaid balances) for the academic term in which the leave is taken are still due the university. Tuition adjustments are made depending on the timing of the leave. The adjustments would follow the same schedule as official withdrawal adjustments. Financial aid recipients must contact their financial aid counselor to understand the effects on aid received.

If the leave extends more than six months, student loans may go into repayment. Students enrolled in the Northeastern University Student Health Plan (NUSHP) will remain enrolled in the plan for the plan year, ending August 31.

For both medical and emergency leaves:

- Students who do not return at the end of the leave will be withdrawn and must submit a petition for subsequent readmission to the program.
- Students must return to classes, not co-op.
- Students must be currently enrolled in academic courses or co-op. If a student is withdrawn for any reason, a request for a leave of absence cannot be considered until the withdrawal is resolved.
- Students who receive financial aid should meet with a financial aid counselor before going on a leave.
- Students in university housing should refer to the Department of Housing and Residential Life for policy information.
- Students’ enrollment status cannot include more than one academic year of consecutive nonclass enrollments.

Returning from a Leave Of Absence

Students returning from an approved general or emergency leave of absence are required to submit to the Office of Academic Advising a

notification of intent to return. It should be submitted no later than one month prior to the start of the term in which they intend to return. Students are required to preregister for courses upon returning from a leave of absence. Students who are withdrawn and are applying for Commencement may be reentered on a leave of absence, pending the college's approval, prior to the term in which they will graduate. International students returning from a leave of absence should contact the OGS regarding the Student and Exchange Visitor Information System (SEVIS) procedures three to four months prior to anticipated return time.

Students who wish to reenter the university following a medical leave must contact the Medical Leave Team. Reentry from a medical leave requires receipt of all documentation delivered to UHCS on or around one month prior to the planned reentry to classes. Once all documentation is received by the Medical Leave Team, it will be reviewed and the student will be notified of the decision. Students must attend classes for the term they wish to return from medical leave of absence.

Leave of Absence Due to Military Deployment

When a student in the U.S. Reserves or in the National Guard is called to active duty or when an international student is called to active duty in his or her home country, the student must notify his or her college academic student services office and provide proof of deployment prior to being deployed. The proof may be faxed, mailed, or hand-carried to the college academic student services office, which will ensure that the information is conveyed to the registrar's office. It may take the form of general orders cut by the company commander.

When a student is activated during the term, the university will:

- Excuse tuition for that term. Any payment made will be credited to the student's account.
- Post a leave of absence for the term to hold a place for the student when he or she returns.

If a student is called to active duty near the end of the term, the student and faculty members may determine that incomplete (I) grades are more appropriate. In this case, tuition will not be waived.

When a student returns to the university after completion of the tour of duty, he or she will notify the college academic student services office, which will in turn notify the registrar's office. The college academic student services office will assist the student with reentry and registration.

International students who must take a leave of absence to engage in military service in their home country must fill out a form for leave of absence with the OGS as well as with their college.

Leave of Absence for International Students

International students should discuss maintenance of proper U.S. immigration status with an advisor at the OGS before requesting any type of leave of absence.

University Withdrawal

Students seeking to withdraw from the university for any reason should contact the student academic services office of their college.

Students may be withdrawn from the university for financial, disciplinary, academic, or health reasons. In the last case, the vice president for student affairs will review the recommendations of the director of health services to determine whether the student should withdraw. Withdrawals are made only when it is determined that the student is a danger to himself or herself or to other members of the university community, or when the student has demonstrated behavior detrimental to the

educational mission of the university. Note that withdrawal from the university will impact an international student's immigration status. Thus, international students should discuss the means to maintain proper U.S. nonimmigrant status with an advisor at the OGS before requesting or after having been placed on withdrawal.

Reentry to Program

Application for reentry into any academic program is required of students whose studies are interrupted voluntarily for a period of one to three years. Students who are dismissed must wait at least one year before applying for reinstatement.

Students are expected to meet the requirements of the program curriculum current at the time of the approved reentry term. In addition, College of Professional Studies and transfer courses will be reevaluated. The seven-year time limit on science and technology courses may expire. If a student does not enroll in the term in which he or she was approved for reentry, he or she must follow the curriculum requirements for the term in which he or she resumes course work. If a student waits for more than one year to resume his or her studies after being approved for reentry, he or she will have to apply for reentry again.

If the program into which the student is seeking reentry is no longer offered, the student may choose to enroll in another program if he or she meets the admissions requirements for that program. Contact the Office of Academic Advising for assistance and to complete the appropriate form.

Readmission to Program

A new admission application is required of students whose studies are interrupted voluntarily for more than three years.

Students are expected to meet the requirements of the program curriculum current at the time of the approved readmission term. If the program into which the student is seeking readmission is no longer offered, the student may apply to another program and must meet the admissions requirements for that program. Contact the Office of Admissions for assistance and to complete the admission application.

If readmitted, College of Professional Studies and transfer credits that a student was previously awarded will be reevaluated. The seven-year time limit on science and technology courses may have expired. It is at the discretion of the academic program to determine applicability of courses previously completed.

Full-Time Status

A student is considered a full-time undergraduate student if he or she is enrolled in a minimum of 12 semester hours of undergraduate credit for the semester.

Note that full-time status may be defined differently for federal loan purposes. International students have other considerations/requirements to maintain their visa eligibility.

Course Load

Federal financial aid recipients must be enrolled in and successfully complete a minimum number of credits each semester to maintain eligibility. For more information, contact your financial aid counselor.

Students who are not studying in F-1 or J-1 status and who are eligible to study in the United States may be enrolled part-time or full-time. Applicants in B-1/B-2 status cannot enroll part-time or full-time; however, they may choose to apply for a change to a status in the United States and may enroll only upon approval by the U.S. Citizenship and Immigration Services (USCIS).

Course Overload

A maximum course load (not full-time status) for an undergraduate student is 18 credits taken across a 15-week semester, with no more than 9 credits per half-semester session.

To be eligible for a course overload (more than 18 credits per 15-week semester or more than 9 credits per half-semester session), an undergraduate student must:

- Have a record of successful study at Northeastern University—transfer students must wait at least one term to request an overload
- Have a minimum cumulative grade-point average (GPA) of 3.000
- Provide a rationale to support the request

A student needs to complete the appropriate form and return it to his or her career and academic coach. If approved, the student is required to pay the normal tuition charges for all attempted courses. He or she is responsible for informing his or her financial aid counselor, if applicable, and for making the necessary arrangements to manage the increased workload. Should an approved course overload impact an international student's degree completion date and his or her visa end date, the student is responsible for informing the Office of Global Services (OGS) (<http://www.northeastern.edu/ogs>).

International Student Enrollment Requirements

In order to maintain lawful student status in the United States, international students must be mindful of the rules and regulations that govern their nonimmigrant visa classification. Numerous U.S. federal regulations make it especially important for students in the F (student) and J (exchange visitor) categories to consult regularly with an international student advisor at the OGS before taking any action that might impact their immigration status and educational endeavors in the United States.

All international students in F or J status must register before each semester starts. It is strongly recommended that international students register for an appropriate full-time course load at least two weeks before the semester starts. Any exceptions from full-time registration requirements must be preapproved by the OGS in accordance with specified regulations.

To achieve full-time status, undergraduate international students in F-1 or J-1 visa classification must be enrolled for a minimum of 12 credits each semester. Students must be enrolled in fall semester and spring semester each academic year. For a 12-credit course load, the student must take at least 8 to 9 credits of on-ground courses that are held fully on campus or in the blended or hybrid format to remain in compliance with U.S. federal government regulations. Thus, students enrolled in a full-time course load of 12 credits per academic term may take up to one 3- or 4-credit course online or 3 credits online per term to count toward their full-time course load of 12 credits. J-1 students can only take on-ground courses to count toward full-time student status. Once students reach full-time enrollment status, they may take additional online courses if desired if allowed by their academic program. Students must have on-ground course presence throughout the entire academic term.

In the College of Professional Studies, many courses are offered for half of the academic semester (parts of term). Students in F-1 and

J-1 status must be enrolled at all times during a full semester to remain in compliance with U.S. federal government regulations. Students who are enrolled in programs that include courses that are offered for half of the academic term should have on-ground course enrollment (which includes courses held fully on campus or in blended or hybrid format as explained above) throughout the entire academic term. Enrolling in only online courses for any part of the term will result in loss of F-1/J-1 status.

Full-time status must be maintained by students in F-1 and J-1 visa classification throughout the academic year with the following exceptions:

- A student whose first term is *not* summer does not need to be enrolled in the summer term.
 - If a student's first term of enrollment is summer, he or she must be enrolled full-time that summer. For the second and subsequent summer terms, he or she does not need to be enrolled.
- In the final academic term of a student's program of study, enrollment may be for fewer than 12 credits if the student has fewer than 12 credits left to complete their academic program, but the student may not be enrolled in only online courses at any time during the academic term. The student must have on-ground course enrollment throughout the academic term.
- In the last term, a student must still adhere to the online course limitations explained above .
- Students may apply to the OGS for authorization for a reduced course load for a very limited number of reasons that are allowed for by U.S. federal government regulations. A reduced course load is allowed only once per degree level. Please see the OGS website or an advisor at the OGS for more detailed information.

Contact the OGS office (<http://www.northeastern.edu/ogs/contactus.html>) if you would like or need one-on-one guidance and assistance on the vast array of federal requirements and procedures related to immigration and maintaining your legal status throughout your studies.

Registration and Taking Courses

Course Registration

For course registration information, visit the College of Professional Studies website (<http://www.cps.neu.edu/class-registration/registration-instructions.php>).

Course registration procedures are as follows:

- Newly accepted and returning students add or drop courses through their myNortheastern account any time during the registration period.
- Certificate- and degree-seeking students whose studies have been interrupted voluntarily for one to three years need to first apply for reentry through the Office of Academic Advising. Those who have been absent voluntarily for more than three years must apply for readmission. Once a student is accepted for reentry, he or she will register via myNortheastern.
- Students interested in taking undergraduate-level courses for personal professional enrichment (PPE) may register using the Express Registration form (<http://www.cps.neu.edu/class-registration/registration-instructions.php>). Students who study under the PPE status:
 - Are responsible for satisfying course prerequisites and corequisites, if applicable, before enrolling in courses
 - May elect to apply to an undergraduate certificate or degree program by completing the online application process

- Understand that up to 8 qualifying credits earned while on PPE status may be applied to the intended undergraduate certificate program and up to 16 credits may be applied to the intended undergraduate degree program
- Global Classroom program students do not need to register for courses themselves. The Global Classroom programs register all students enrolled in their programs each term.

All students need to be mindful of the college's course add/drop policies and deadlines to register as early as possible with the intent to secure a spot in the preferred course and to avoid being charged in full for withdrawing after the deadline.

Auditing a Course

Undergraduate students are permitted to audit undergraduate courses, but they must complete the usual registration process and pay regular tuition fees. There is no reduction in fees for auditing.

An auditor may participate in class discussions, complete papers and projects, and take tests and examinations for informal evaluation. Regardless of the amount or quality of work completed, however, no academic credit will be granted for an audited course. In addition, an audited course may not be used in the determination of enrollment status for financial aid purposes and does not count toward program completion.

The student's decision to audit a course must be communicated in writing to the Office of the University Registrar before the fourth class meeting for full-semester courses. For half-semester courses, requests must be received by the second class meeting. No exception to this procedure may be approved without the authorization of the college's academic standing committee.

The student should inform the instructor of his or her status as auditor of the course.

Course Selection and Planning

Students should refer to their degree audits for program curriculum information, to select courses, and to monitor their progress toward degree completion. Students should access their degree audits through their myNortheastern account or request an audit from their career and academic coach.

Degree audits are unofficial records of academic progress. Students are encouraged to consult with their academic advisor about their academic planning.

Course Prerequisites

Course prerequisites are courses that are required to have been completed prior to enrolling in another course. Before registering for a course through their myNortheastern account, students, regardless of matriculation status, should consult the College of Professional Studies website (<http://www.cps.neu.edu/degree-programs/prerequisites.php>) to determine whether they have completed the course prerequisites.

Course prerequisites may be met by taking the prerequisite course(s) for undergraduate courses, by taking college-level or proficiency examinations for undergraduate courses, or by obtaining credit in specific academic disciplines for knowledge gained through prior learning experiences for undergraduate courses. Some courses have two parts. It generally is not possible to take part two before successfully completing part one.

Course Corequisites

Course corequisites are courses that are required to be taken concurrently; e.g., College Writing 1 (ENG 1105) and Lab for ENG 1105 (ENG 1106), which are part of the undergraduate written communication core requirement, must be taken at the same time. Before registering for a course through their myNortheastern account, students, regardless of matriculation status, should read the course description to determine what the corequisite is and register for both courses.

Repeating a Course

If a student wishes to improve his or her cumulative grade point average (GPA) by repeating a course, he or she may do so. A student may take the same course up to three times to earn a better grade. Only the grade earned in the last attempt is used to compute the GPA, while all grades remain part of the student's permanent academic record. A student is required to pay the normal tuition charges for all repeated courses.

Financial aid recipients must be mindful that repeating a course could impact their aid eligibility. As per financial aid regulations, students may repeat a course only once and be eligible for aid. Students with questions about this possible impact should contact their financial aid counselor.

Course Substitution

In some cases, a course that a student wishes or needs to take is not offered. In certain, unusual circumstances, a student may request up to four course substitutions to satisfy degree requirements. The substituting courses must be comparable in content and rigor.

A student must complete a Request for Course Substitution form and submit it to his or her career and academic coach, who will work with the academic program for review.

Directed Study

Directed studies are offered when a course is required for a student's program of study but said course is not available in a given academic term and there is immediacy for a student to complete said course. Academic deans/directors will make the decision if there is a compelling need to run a course as a directed study.

Independent Study

Independent study is an opportunity for a degree student to work independently under the supervision of an instructor to undertake special research, literature review, or experimental study projects in areas related to his or her program of study that he or she cannot accomplish as part of a standard course in the curriculum. A degree student may take up to two independent studies. The work to be done for an independent study is usually crafted by the student, with faculty input. Independent studies are entirely optional and not needed to graduate. A completed Request for Independent Study form (<http://www.cps.neu.edu/student-resources/academic-forms.php>), signed by both the student and the faculty member, must be submitted to the academic program for review and approval.

Course Waiver

A course waiver may be awarded to a student who has completed the equivalent course at an accredited institution other than the College of Professional Studies in the past seven years. The waiver will exempt the student from completing the required course. The student will complete another course, as approved by the program, to satisfy the number of credits required for the program.

Course Formats and Credits

Information on College of Professional Studies course formats can be found on the College of Professional Studies (<http://www.cps.neu.edu/>)

class-registration/course-formats.php)website (<http://www.cps.neu.edu/class-registration/course-formats.php>).

The College of Professional Studies undergraduate programs operate on a semester credit system and offer courses in a variety of formats.

Course Add/Drop Policy

Refer to the academic calendar (<http://www.northeastern.edu/registrar/calendars.html>) for specific dates.

Students may add a half-semester course within the first week of the course. For full-semester courses, students may add a course within the first two weeks of the course.

Students who drop a course before the deadline will not be charged for the course and will not have a W (withdrawal) on their transcript. Thereafter, students are responsible for 100 percent of the tuition charges and applicable fees, and the earned grade will be on their permanent academic record. All such dates are specified in the academic calendar (<http://www.northeastern.edu/registrar/calendars.html>).

Students must add/drop courses using their myNortheastern account.

Students who experience difficulty adding, dropping, or withdrawing from a course should promptly email (registrar@northeastern.edu) the Office of the University Registrar. If it is determined that there is an issue with myNortheastern access, he or she needs to contact the Service Desk at the following:

617.373.4357 (HELP)
help@northeastern.edu
 Website (<http://www.northeastern.edu/its/audience/students>)

Students with holds (e.g., financial, judicial) may have restricted access to add, drop, or withdraw from a course. In such instances, students are responsible for resolving the hold immediately and to meet the established course registration deadlines.

A reduction in a student's course load could affect a student's international student visa status or financial aid eligibility.

Course Withdrawal Policy

Reference the academic calendar for specific dates by which students may withdraw from a course.

Students who withdraw from a course after the add/drop deadline and before the last day to withdraw will receive a W grade and will be responsible for 100 percent of the tuition charges and applicable fees. The W grade does not affect the calculation of the cumulative GPA but it does impact a student's academic progression, which may result in the student being placed on academic probation or dismissal.

Students must withdraw from courses using their myNortheastern account.

Students who experience difficulty withdrawing from a course should promptly email (registrar@northeastern.edu) the Office of the University Registrar. If it is determined that there is an issue with the student's myNortheastern account or access, he or she needs to contact the Service Desk at the following:

617.373.4357 (HELP)
help@northeastern.edu
 Website (<http://www.northeastern.edu/its/audience/students>)

Students with holds (e.g., financial, judicial) may have restricted access to add, drop, or withdraw from a course. In such instances, students

are responsible for resolving the hold immediately and to meet the established course registration deadlines.

A reduction in a student's course load could affect a student's international student visa status or financial aid eligibility.

Students who fail to withdraw from a course by the deadline, regardless of their level of class participation or attendance, are financially and academically responsible. A student's lack of participation/attendance will likely result in a final grade of F.

All students are encouraged to consult with their career and academic coach prior to withdrawing from a course. Withdrawals may impact a student's time to degree completion.

Student Evaluation of Courses (EvaluationKit)

Students play a critical role in the university's commitment to quality teaching and academic excellence when they participate in the evaluation of courses through EvaluationKIT, an online survey students complete anonymously. Students are expected to participate in EvaluationKIT with constructive feedback that is relevant to teaching and course content.

Students may access EvaluationKIT summary results from previous terms via their myNEU web portal (<http://www.myneu.northeastern.edu>). Courses with a response rate of less than 20 percent of enrolled students will be excluded from the results. Courses with three or fewer students enrolled are not surveyed.

Grading System

Grades are officially recorded by letters, evaluated as follows:

Letter Grade	Numerical Equivalent	Explanation
A	4.000	Outstanding achievement
A-	3.667	
B+	3.333	
B	3.000	Good achievement
B-	2.667	
C+	2.333	
C	2.000	Satisfactory achievement
C-	1.667	
D+	1.333	
D	1.000	Poor achievement
D-	0.667	
F	0.000	Failure
I		Incomplete
IP		In progress
NE		Not enrolled
NG		Grade not reported by faculty
S		Satisfactory (pass/fail basis; counts toward total degree requirements)
U		Unsatisfactory (pass/fail basis)

X	Incomplete (pass/fail basis)
L	Audit (no credit given)
T	Transfer
W	Course withdrawal

An I, IP, or X grade shows that the student has not completed the course requirements.

The compilation/translation of a numerical score for a course to a letter grade for transcript reporting is at the discretion of the instructor as indicated in the syllabus for that course.

The IP grade is intended for courses that extend over several terms. The time restrictions on the incomplete grade do not apply to the IP grade. While the IP grade is left unchanged, it is not included in computing the grade-point average (GPA). If the IP grade is never changed, the course does not count toward graduation requirements.

S/U (Pass/Fail) System

An undergraduate student may elect to take courses on a satisfactory/unsatisfactory (commonly known as pass/fail) grading scale. The following rules apply:

- Undergraduate degree students may register for one open elective course per semester on a Satisfactory/Unsatisfactory (S/U) basis and may not take more than a total of four S/U courses at the College of Professional Studies.
- To be eligible for S/U status, the student must be in good academic standing and also must meet all prerequisites for the course.
- To be graded on an S/U basis, the student must file an S/U petition prior to the fourth class meeting for full-semester courses.
 - For half-semester courses, petitions must be received by the second class meeting
- The grades recorded on the basis of the S/U system will not figure in the computation of the GPA.
- Grade equivalents in an S/U system are:
 - S = C– or better
 - U = less than a C–
- An “incomplete” in a course taken on an S/U basis is designated by the letter X on the permanent record and must be treated according to the normal procedure for incomplete grades.

Clearing an Incomplete or Changing Other Grades

An incomplete grade may be reported by the instructor when a student has failed to complete a major component of a required course, such as homework, a quiz or final examination, a term paper, or a laboratory project. Students can make up an incomplete grade by satisfying the requirements of the instructor or, if the instructor is absent, the academic program director designee. Be aware that instructors’ policies on the granting of incomplete grades may vary and that the final decision on an incomplete grade is up to the instructor. The period for clearing an incomplete grade and for changing a grade other than an incomplete or failure (F or U) is restricted to one calendar year from the date it is first recorded on the student’s permanent record.

To clear an incomplete grade, a student must obtain an Incomplete-Grade Contract (<http://www.northeastern.edu/registrar/form-inc-grade.pdf>) on which the precise agreement for clearing an incomplete grade is specified and signed by the student and the instructor. The student must make an appointment with the instructor to arrange for clearing the incomplete grade. He or she must then complete the form, sign the agreement, and obtain the instructor’s signature; leave a copy with the instructor, who

will seek approval from the academic dean’s office before sending to the Office of Academic Advising; and retain a copy as a personal receipt. Any exception to this policy on change of grades must be recommended by the college’s academic standing committee (ASC) and must be forwarded in writing by the ASC to the registrar for implementation. (The agreed-upon course work must be completed within one calendar year from the end of the term in which the course was offered.)

Any grade outstanding for 12 or more months cannot be changed. Any exception to this policy on change of grades must be recommended by the ASC of the college in which the course was offered and must be forwarded in writing by the dean to the registrar for implementation.

Calculating GPA

To calculate your GPA:

1. Convert the letter grades to numerical values using the table above. *Note:* I, IP, L, NE, W, S, U, and X grades are not included in computing the GPA.
2. Multiply the value of the letter grades by the number of hours taken in each course. For example, if a student earns a C in a 4-credit-hour course, the grade points would be 8.000 (2 grade points times 4 credit hours taken equals 8.000 grade points).
3. Add all the quality points.
4. Add all the hours attempted (except classes with I, IP, W, S, and U).
5. Divide total grade points by total hours attempted. The quotient, truncated to three decimal places, is the GPA.

Academic Progression Standards

Faculty Advisor Communication Tool (FACT)

FACT is a communication tool that provides faculty with a method for providing input to career and academic coaches and students for early intervention, coaching, and assistance. Faculty members are expected to submit input around the midpoint of each term/session.

Academic Progress/Standing

To be in good standing, an undergraduate student must continuously maintain a minimum cumulative grade-point average (GPA) of 2.000 on a 4.000 scale and must also make continuous satisfactory academic progress (SAP). To make SAP, a student must earn at least 66 percent of his or her cumulative attempted credits. Nonmatriculated students are required to be in good academic standing to be allowed to register for any subsequent classes.

Students are responsible for reviewing their grades and academic standing at the end of each term through their myNortheastern account. If there are any discrepancies, students should immediately contact the instructor(s) directly. Grades are posted the Wednesday after the term/session ends. Students have 20 working days from that point to appeal a grade.

Academic Probation and Dismissal

Notation of Academic Probation appears on a student’s internal record but not on his or her permanent transcript.

An undergraduate student is placed on academic warning for low academic performance if his or her GPA is below 2.000 at the College of Professional Studies and/or if he or she does not earn at least 66 percent of his or her cumulative attempted credits. At this point, the student is strongly encouraged to consult with his or her career and academic coach to develop an action plan to improve his or her academic standing.

Attempted credits include all credits/courses for which the student registered and did not drop.

An undergraduate student is placed on academic probation if, after already having been placed on academic warning, his or her cumulative GPA remains below 2.000 at the College of Professional Studies and/or if he or she does not earn at least 66 percent of his or her cumulative attempted credits in his or her subsequent term of enrollment. The student is encouraged to consult with his or her career and academic coach to develop an individualized success plan (ISP) to improve his or her academic standing. Otherwise, a registration hold may be placed on the student's account.

A student whose cumulative GPA remains below 2.000, and/or does not earn at least 66 percent of his or her cumulative attempted credits in the term of enrollment subsequent to the one after he or she was placed on academic probation, will be academically dismissed. An undergraduate student who has been academically dismissed from the university is automatically dismissed from his or her major.

A student will be notified about his or her dismissal and has the right to appeal the dismissal decision to the college's academic standing committee if he or she can provide documented evidence supporting an appeal. The notification will include the appeal deadline.

Students are responsible for reviewing their grades and academic standing at the end of each term through their myNortheastern account.

Reinstatement after Academic Dismissal

A student who is academically dismissed from the College of Professional Studies is not eligible to register again for courses at the college until he or she is approved for reinstatement. A student may apply for reinstatement after a minimum of one academic year if he or she can provide documented evidence supporting the application (e.g., completed two courses with a grade of B or higher at another accredited college or relevant professional development opportunities during the minimum one-year absence). The application for reinstatement must be made in writing by submitting the completed Request for Reinstatement form (<http://www.cps.neu.edu/student-resources/academic-forms.php>) and providing supporting documentation to the Office of Academic Advising.

If reinstatement to the college is approved, a student is expected to meet the most current requirements for program admissions and curriculum.

A student approved for reinstatement but who does not meet the admissions requirements for the intended program of study or if the intended program of study is no longer available may apply to another program.

Completing Program Requirements

Undergraduate Degree Programs

To earn an undergraduate degree at the College of Professional Studies, students must complete all courses as prescribed in the curriculum, the required number of credits as per the curriculum, and maintain a minimum cumulative grade-point average (GPA) of 2.000 or as outlined by the specific program.

Undergraduate Certificate Programs

To earn an undergraduate certificate at the College of Professional Studies, students must complete all courses as prescribed in the curriculum, the required number of credits as per the curriculum, and

maintain a minimum cumulative GPA of 2.000 or as outlined by the specific program.

Time Limit on Program Completion

Although there is no set limit for an undergraduate student to complete his or her certificate or degree, there is a limit to how long a course may be used toward program completion. Science and technology courses expire after seven years unless an extension is approved by the program director.

At the time of reentry or readmission for an undergraduate student, the science or technology courses that were completed seven or more years ago cannot be used to satisfy the science or technology requirement for the degree. The student has to retake the course or take a different course in the subject area to satisfy degree requirements.

Note: The College of Professional Studies makes adjustments to its academic program offerings and curricula to stay current and to be able to offer students the most relevant courses and knowledge in the field. Examples of such changes include adding new programs, adding/adjusting course requirements, adding/adjusting courses, and adding/adjusting curriculum requirements.

When there is a change to a curriculum or program requirement, students already matriculated and actively enrolled in the program may continue to follow the program requirements at the time of matriculation or to follow the new curriculum/program requirements, unless it is otherwise specified by the academic program at the time of the announcement of said changes.

Degrees, Majors, and Minors

Declaring an Undergraduate Major

A bachelor's degree student who was undeclared at the time of admission must declare his or her major before he or she earns a maximum of 75 credits inclusive of awarded transfer credits and credits earned at the College of Professional Studies. Failure to declare a major may result in a block on the student's record, preventing future course enrollment.

To declare an undergraduate major, a student must consult with his or her career and academic coach before completing the appropriate form. The student is responsible for meeting all admission requirements for the intended program.

Previous transfer credit awards are subject to change as a result of a major declaration. Students on financial aid are responsible for understanding the impact that results from a major declaration.

Changing a Major/Program of Study

An undergraduate student matriculated in a certificate/degree program (with a declared major/program) may choose to enroll in a different undergraduate major/program, after consulting with his or her career and academic coach. The student then completes the appropriate form and is responsible for meeting all admission requirements for the intended major/program.

Previous transfer credit awards are subject to change as a result of a major/program change. Students on financial aid or an international student visa are responsible for understanding the impact that results from a major change.

Declaring an Undergraduate Minor

Bachelor's degree students may add up to two minors to their programs of study.

An undergraduate minor requires a minimum of 15 but no more than 18 credit hours of undergraduate-level course work, as specified by the individual minor program. A student may choose from among the undergraduate minor programs offered by the College of Professional Studies. The completed undergraduate minor appears on the student's official record.

The following rules apply:

- A bachelor's degree student may declare his or her intent to pursue a minor at the time of application for admission or after acceptance as an enrolled student, up until the beginning of his or her last term of enrollment. It is strongly encouraged that a student who wishes to pursue an undergraduate minor begins planning early and consults with his or her career and academic coach.
- The program of study for his or her major and minor cannot be the same where the courses for the minor are a subset of required courses in the major, e.g., a Bachelor of Science student with a biology major cannot enroll in the biology minor; a Bachelor of Science student with a management major cannot enroll in the business minor.
- Courses used to fulfill requirements for the minor may be used to satisfy open electives of a major.
- A student must fulfill all requirements for the minor and major concurrently and may not extend his or her program of study to complete a minor.
- A student must adhere to the curriculum of the undergraduate minor(s) for which he or she has been approved. If a student wishes to request a course substitution to fulfill a requirement of an undergraduate minor, he or she must seek prior approval through his or her career and academic coach. Deviation from the minor requirements without prior approval will result in nullifying the minor on a student's record.
- A student may apply up to 6 semester hours of transfer credits toward an undergraduate minor.
- A student in the Bachelor of Science in Liberal Studies program may choose to complete courses specified for a minor as part of his or her specialization.
- A student in an undergraduate Global Classroom program is eligible to apply for an undergraduate minor. The student must fulfill all requirements of the degree and minor(s) concurrently, which could result in the student completing more than the minimum credits required for the degree alone.

Academic Internship and Cooperative Education

An academic internship or cooperative education placement is an opportunity for students to engage in a short-term workplace experience that is relevant to their academic course of study. The College of Professional Studies' Department of Cooperative Education (<http://www.cps.neu.edu/coop>) works with students to identify experiential learning opportunities for up to six months to facilitate career exploration and transition. This program is an optional component of most degree programs. Students must qualify to participate. Review the website (<http://www.cps.neu.edu/coop>) for guidelines, academic requirements, and opportunities.

Seeking More Than One Certificate or Degree

An undergraduate student can be enrolled in only one undergraduate program at a time.

Undergraduate students seeking more than one certificate or degree after having completed a program should note that undergraduate credits earned toward:

1. A certificate earned at the College of Professional Studies may be used to satisfy the requirements of a bachelor's degree, if the contents are determined to be applicable per the program director.
2. A certificate earned at the College of Professional Studies may be used to satisfy the requirements of a second certificate with a cap of 6 credits, if the contents are determined to be applicable per the program director.
3. A bachelor's degree earned at the College of Professional Studies may be used to satisfy the requirements of a second bachelor's degree with a cap of 50 percent of the requirements for the second degree, if the contents are determined to be applicable per the program director.

Academic Honors

Dean's List

A dean's list for the undergraduate programs is compiled at the end of each fall, winter, and spring term to recognize students' academic accomplishments.

The requirements to be on the dean's list are:

- 3.500 or higher term GPA
- In good academic standing
- Enrolled in at least half-time (6 semester hours per full semester)
- No incomplete grade
- No grade below C-
- No grade on a satisfactory/unsatisfactory (pass/fail) basis, except when there is no alternative or when required by the program

Dean's list recognition is noted on the student's official academic record.

Graduation with Honors

Graduation with honors is reserved for bachelor's degree candidates who have completed 60 semester hours in residence and who meet the following GPA requirements to graduate with honors:

GPA	Honor Conferred
3.500–3.699	Graduate with honor (cum laude)
3.700–3.849	Graduate with high honor (magna cum laude)
3.850–4.000	Graduate with highest honor (summa cum laude)

Note: The university reserves the right to change these standards.

Residency Requirement

In addition to meeting all degree and major requirements, students must earn a minimum of 50 percent of the total hours required for graduation at the College of Professional Studies in order to receive a bachelor's degree. Exceptions to this requirement include active-duty military personnel and bachelor's degree students who transferred from

a qualifying college at Northeastern University. Active-duty military personnel must earn 25 percent of their undergraduate credits at the College of Professional Studies. Students who transfer from another college at Northeastern University must earn a minimum of 15 percent of their semester hours at the College of Professional Studies.

Active-Duty Military Personnel

As a member of the Service Member Opportunity Colleges, the College of Professional Studies' academic residency requirement is different for active-duty service members. Active-duty service members are required to complete 25 percent of the undergraduate certificate/degree program at the College of Professional Studies.

Graduation Requirements

Graduation Procedures

The following information is for degree-seeking students only. Certificate students should refer to the "Certificate" section below.

Only students who complete the graduation application process by specified deadlines will be considered for graduation and included in the graduation ceremony program. All qualified students must submit a graduation application in order to receive their diploma, regardless of whether they plan to attend the graduation ceremony.

Note important definitions: "Degree conferral date" and "graduation ceremony date" are not the same. Degree conferral date refers to the date of the university's official recognition of degree completion. For the purposes of the graduation application that is accessed via a student's myNortheastern account, the "Expected Graduation Date" (EGD) is the same as the degree conferral date. Northeastern University confers degrees three times each academic year: winter, spring, and fall. The graduation ceremony date is the date that the college hosts the annual graduation ceremony.

Each fall, the Office of the Registrar sends an email notification to students who may be eligible to graduate that academic year about applying to graduate. Eligibility is based on the number of earned credits at the beginning of the fall term. This email notification informs and instructs students to complete the "Apply to Graduate" process, accessed via their myNortheastern account. Students are prompted to verify and provide critical information, e.g., spelling of the student's name on the diploma, intent to participate in the graduation ceremony, and mailing address.

An accurate EGD is required to gain access to the graduation application. The EGD is also used by clearinghouses to determine loan deferment schedules. A student who needs to update his or her EGD should contact his or her career and academic coach.

Diploma

Information that will be printed on diplomas includes:

- Degree.
- The major will be printed on diplomas for nonspecified degrees (Associate in Science, Bachelor of Science, Bachelor of Arts) only. Minors are not printed on any diplomas.
- Honors designation, for those who qualify.

Changes made to a student's name after the diploma has been printed may be subject to a \$50 fee and take more than one month to reprint.

Changes made to a student's degree information and name submitted after the program deadline will not be noted in the graduation ceremony program.

Certificate

The College of Professional Studies confers undergraduate certificates at the same time degrees are conferred each year in winter, spring, and fall. Students must submit a completed Request to Declare Certificate Completion form (<http://www.cps.neu.edu/student-resources/academic-forms.php>) to their career and academic coach in order to have their academic record audited to receive their certificate. Deadlines apply. Students should contact their career and academic coach for more information. All certificates will be mailed to the address provided on the form.

Academic Transcripts

Currently enrolled students may obtain unofficial transcripts from the myNortheastern web portal (<http://myneu.northeastern.edu>) and may also order official transcripts through myNortheastern. For further information on transcript requests, visit the Office of the University Registrar website (http://www.northeastern.edu/registrar/trans_request.html). All questions concerning transcript requests should be directed to 617.373.2300, TTY 617.373.5360.

Academic information noted on official academic transcripts include degree/certificate name; major; minor (if applicable); academic history, including transfer credits; and graduation honors designation (if applicable).

Student Academic Appeals Procedures

It is the policy of the university that all students shall be treated fairly in evaluations made of their academic performance, standing, and progress. The university presumes that academic judgments by its faculty are fair, consistent, and objective. Students must understand that the substitution of a different academic judgment for that of the original evaluator is a serious intrusion upon teaching prerogatives.

Nonetheless, the university believes it is essential to provide an appeals mechanism to students who believe that they were erroneously, capriciously, or otherwise unfairly treated in an academic or cooperative education determination. This includes claims of misinterpretation or inequitable application of any academic provision of the university's *Undergraduate or Graduate Catalog*, *Student Reference Guide*, *Student Handbook*, or *Faculty Handbook*.

In all cases, students are encouraged to informally discuss concerns with the faculty member who assigned the grade or taught the course to see if it is possible to reach an agreement on the issue(s). If the student is not satisfied with the outcome of this discussion, or if the student is not comfortable discussing the issue with the instructor, the student should request a meeting with their career and academic coach and/or academic advisor to attempt to resolve the issue(s). If these informal attempts to resolve the issue(s) fail, the student can enter the formal procedure at the college level as outlined below.

All parties shall cooperate and act expeditiously in processing the appeal to completion. Students may not attend Academic Review Committee (ARC) and Academic Standing Committee (ASC) meetings. Neither the ARC nor the ASC may consider appeals on the basis of medical claims; students are encouraged to meet with their career and academic coach or academic advisor to determine the best course of action for any disputes on the basis of medical or personal issues.

Though students are always entitled to seek the advice of legal counsel, a student's lawyer cannot be present in the informal or formal academic appeals procedures. A student may consult their career and academic coach or academic advisor at any point in these procedures for advice or assistance. University officials may take whatever steps they deem reasonably appropriate to achieve resolution of the issue at any stage of these procedures.

If a student feels that he or she has been the victim of harassment or of discrimination prohibited by law or by university policy, he or she should consult with the Office of University Equity and Compliance (OUEC) as soon as he or she becomes aware of alleged prohibited harassment or discrimination and is not required to wait until a term grade or determination is received before seeking advice or redress. If OUEC is advised of such alleged prohibited conduct as part of an academic appeal, the appeal shall be pursued and investigated by OUEC first. In such cases, the student should contact their career and academic coach or academic advisor regarding next appeal steps. Following a resolution of the harassment/discrimination issues, any remaining academic issues will be addressed, at the request of the student, according to the academic appeals procedures.

FOR DISMISSAL APPEALS

If the appeal concerns academic dismissal decided by the Graduate, Undergraduate, or Graduate School of Education Academic Review Committee (GARC, UGARC, or GSE-ARC), the student should contact their career and academic coach or academic advisor regarding appealing to the college ASC.

FOR GRADE DISPUTES

Students are encouraged to contact their instructor regarding all grade disputes within 15 calendar days of the assignment or course grade being awarded. If resolution cannot be achieved within 15 calendar days of initial contact, the student may submit a formal appeal no more than 30 calendar days following the last communication with the instructor. The student must contact their career and academic coach or academic advisor to start the formal appeal process.

If for any reason the student prefers not to attempt to resolve the grade informally with the instructor, they must submit their appeal at the GARC, UGARC, or GSE-ARC level within 30 calendar days of the posting of the grade by the registrar. Resolution that is not attempted within this time frame is no longer eligible for appeal. The student must contact their career and academic coach or academic advisor to start the formal appeal process.

The program level has 30 calendar days to respond with a decision and brief explanation of that decision. If the student does not receive a response within 30 calendar days of their appeal at the program level, the student may appeal to the ASC. If a decision has been rendered at the program level, the student may only appeal to the ASC *if they have new/additional evidence and documentation to present that would not have reasonably been available at the time of the program-level appeal*. The student should contact their career and academic coach or academic advisor before appealing any decision to the ASC.

Once a grade change has been made in response to an appeal, that change is final.

FOR ALL OTHER APPEALS/DISPUTES

The student should contact their career and academic coach or academic advisor with questions and information regarding next steps.

APPEALING BEYOND THE ASC

In appeals that arise from a violation, misrepresentation, or inequitable application of the academic provisions of the *Student Handbook* or

Undergraduate Catalog or *Graduate Catalog*, the ASC serves as the final decision maker within the college.

Issues concerning admission or readmission into a program cannot be appealed beyond the ASC at the college level.

Outside of issues concerning admission or readmission into a program, if the student or faculty member is not satisfied with the ASC's decision at the college level, they may further pursue the matter at the university level by requesting in writing within 14 calendar days that the university convene an Academic Appeals Resolution Committee (AARC) to review the appeal. Students may obtain information on this process through the We Care program (104 EII) or the Office of the Provost (110 CH). The AARC has been designated as the final authority on appeal matters. This request must be made within 14 calendar days of the finding of the ASC.

1. **Academic Appeals Resolution Committee**

The AARC includes:

- The vice provost for graduate education or a designee.
- The student's faculty advisor will be appointed by the appropriate vice provost except in cases where no specific advisor exists or where the faculty advisor is involved in the dispute. In those cases, a faculty member from the student's major college, department, or area of specialization will be appointed.
- Two faculty members appointed by the Faculty Senate Agenda Committee (if the appeal is based on a cooperative education determination, one of the faculty members shall be a member of the cooperative education faculty but not from the student's area of study) and a representative of the Office of Institutional Diversity and Inclusion (if the appeal had at any point involved a matter of sexual harassment/discrimination).
- The chair shall be elected from among the committee's three faculty members but cannot be the student's faculty advisor.

2. **Preliminary Matters**

If the AARC determines, by a majority vote, that the appeal is patently without substance or merit, it may dismiss the appeal.

3. **Investigation**

The AARC shall investigate the matter under appeal as quickly as possible by studying the relevant documents, interviewing the parties (especially the student and the involved faculty member), and taking any other action it deems appropriate. At no time shall the committee be bound by rules of evidence but shall at all times conduct itself in a manner that is not arbitrary or capricious. The AARC may, but is not required to, hold a hearing prior to resolving the issues. However, in all instances, the student and the involved faculty member shall have the right to appear and testify separately and privately before the AARC. The student shall have the right to have an advocate from the university community present during his or her testimony to the AARC.

4. **Authority to Act**

The AARC has been designated as the final authority on these matters. At the conclusion of its investigation, the AARC shall resolve, by majority vote, the issue by either upholding the finding of the ASC or dean/CPS vice president, in which case no further appeal is available, or granting such relief to the student as the appeals resolution committee deems appropriate.

- a. The AARC may not determine a resolution that contradicts the prior findings or actions of the Office of Institutional Diversity and Inclusion with respect to elements of this appeal.
- b. In the event of a tie vote, the action of the ASC or dean/CPS vice president shall be considered upheld.

5. **Resolution**

All direct parties to the appeal, including but not limited to the student, the CPS vice president or provost, the dean, the department chair or equivalent supervisors, graduate coordinator or equivalent supervisor, and the faculty member shall be promptly informed in writing of the decisions and actions taken (i.e., the Report) during this academic appeals procedure.

6. **Report**

A written Report of the appeal and its resolution shall be submitted by the chair of the AARC to the student, the involved faculty member, the Faculty Senate Agenda Committee, the vice president for student affairs, the appropriate vice provost, the registrar, and the dean or CPS vice president, as appropriate.

7. **Action**

The dean(s) or CPS vice president or his or her designee in the involved college(s) shall take whatever action is necessary to implement fully the resolution of the AARC. This includes reporting the change of grade to the registrar.

8. **Appeal**

No further appeal can be instituted by the student or the involved faculty member with respect to the issue(s) raised at any level of the formal appeals resolutions procedures once adjudicated.

Massachusetts Board of Higher Education

A student has the right to submit a complaint or inquiry to the Massachusetts Board of Higher Education (<http://www.mass.edu/forstufam/complaints/complaints.asp>) regarding his or her experience at Northeastern University. The board "receives and refers complaints/inquiries to the specific college for clarification and response. It is the college's board of trustees that has responsibilities for establishing and enforcing policies necessary for the management of the institution under its authority."

A student who resides outside Massachusetts should contact his or her local/state organization.

Appropriate Use of Computer and Network Resources Policy

The information systems of Northeastern University are intended for the use of authorized members of the community in the conduct of their academic and administrative work. Northeastern's information systems consist of all networking; computing and telecommunications wiring; equipment; networks; security devices; passwords; servers; computer systems; computers; computer laboratory equipment; workstations; internet connection(s); cable television plant; university-owned mobile communications devices; and all other intermediary equipment, services, and facilities. These assets are the property of the university. This policy describes the terms and conditions of use for Northeastern information systems.

This policy applies to any and all users of these resources, both authorized and unauthorized.

The university's complete Policy on Appropriate Use of Computer and Network Resources is available through the Information Technology Services website (<http://www.northeastern.edu/its/policies>).

Accommodations for Students with Disabilities

Northeastern University and the Disability Resource Center (DRC) are committed to providing disability services that enable students who qualify under Section 504 of the Rehabilitation Act and the Americans

with Disabilities Act Amendments Act (ADAAA) to participate fully in the activities of the university. To receive accommodations through the DRC, students must provide appropriate documentation that demonstrates a current substantially limiting disability. Accommodations are provided based on an evaluation of the information provided by students and their clinicians, on a case-by-case basis. Students should provide documentation to the DRC at their earliest convenience to allow for sufficient time for review. After the documentation has been reviewed, a disability specialist will contact the student regarding appropriate next steps. For additional information on the DRC, visit their website (<http://www.northeastern.edu/drc>) or contact staff at 617.373.2675.

Personal Information

Change of Name

Report all name changes to the Office of the Registrar immediately. This is especially important when students marry and wish to use a new name on university records.

Change of Address

Report all address changes via the myNEU web portal (<http://myneu.northeastern.edu>) or in person at the Office of the Registrar or Office of Student Accounts. Both the permanent home address and the local address are required. International students must also report any changes of address to the Office of Global Services (OGS) (<http://www.northeastern.edu/ogs>) within 10 days in order to ensure compliance with Student and Exchange Visitor Information System (SEVIS) requirements.

Family Educational Rights and Privacy Act (FERPA)

FERPA for Students—General Information

FERPA is a federal law that applies to educational institutions. Under FERPA, schools must allow students who are 18 years or over or attending a postsecondary institution:

- Access to their education records
- An opportunity to seek to have the records amended (see the *Student Handbook* for this procedure)
- Some control over the disclosure of information from the records

FERPA General Guidance for Parental Disclosure

When a student turns 18 years of age or attends a postsecondary institution, the student, and not the parent, may access, seek to amend, and consent to disclosures of his or her education records.

If you are an undergraduate day student and you choose not to share information with your parents, Northeastern will, if asked, indicate that you have restricted access to your records.

Release of Directory Information

The primary purpose of directory information is to allow Northeastern University to confirm attendance for employers, health insurance companies, and loan agencies. Northeastern may disclose appropriately designated "directory information" without written consent, unless you have advised the university to the contrary in accordance with the procedures below. If you choose not to release directory information, all communications with all third parties and agencies will need to be done through your written request to the university or in person.

As of June 30, 2016, Northeastern directory information includes:

- Student name
- Home address (city, state, country only)
- Major field of study
- College
- Class year
- Enrollment status (e.g., undergraduate or graduate, full-time or part-time)
- Dates of attendance
- Degrees, honors, and awards received
- Most recent educational agency or institution attended
- Sports activity participation, showing weight/height of members of athletic teams
- Participation in officially recognized activities

If Northeastern currently has permission to release data and you do not want the university to disclose directory information without your prior written consent, you must notify the university by coming to the Office of the Registrar, 271 Huntington Avenue.

Notification of Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights are:

1. The right to inspect and review the student's education records within 45 days of the day the university receives a request for access. Students should submit to the registrar, dean, or head of the academic department (or appropriate official) written requests that identify the record(s) they wish to inspect. The university official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student's education record that the student believes is inaccurate or misleading. Students may ask the university to amend a record that they believe is inaccurate or misleading. They should write the university official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the university decides not to amend the record as requested by the student, the university will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interest. A school official is defined as a person employed by the university in an administrative, supervisory, academic, or support staff position (including law enforcement unit and health staff); a person or company with whom the university has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a person assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the university to comply with the

requirements of FERPA. At Northeastern, the Office of the University Registrar, 271 Huntington Avenue, administers FERPA.

Additional Information

Additional information can be obtained at the U.S. Department of Education's website (<http://www.ed.gov/policy/gen/guid/fpco/ferpa>) or by writing to:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, D.C. 20202-5920

Student Right-to-Know Act

For information about the Student Right-to-Know Act, please visit the registrar website (<http://www.northeastern.edu/registrar/right-to-know.html>).

Students' Bill of Academic Rights and Responsibilities

This bill was drafted by the Student Senate, the vice president for student affairs, and members of the Faculty Senate. It was passed in the spring of 1992.

Academic Rights

We, the students of Northeastern University, believe that a quality education is the paramount goal of all students. In order to fulfill this goal, the university must recognize certain rights, which are set down in this document. (The student rights, through their representatives in the Student Government Association [SGA], described in these sections arise from faculty and staff employment responsibilities and obligations to the university. Northeastern University students recognize and accept that it is the sole prerogative of the university to enforce these obligations and responsibilities and to determine whether and to what extent they are being carried out or violated in specific instances. Northeastern University students recognize and accept that their ability to effect redress of complaints arising from these rights is limited to the procedures specified in "Student Academic Appeals Procedures.")

COURSE-RELATED RIGHTS

Article 1 Students have the right to instructors who attend scheduled classes on time.

Article 2 Students have the right to view work they submit to satisfy course requirements after it is graded.

Article 3 Students have the right to adequate access to instructors.

Article 4 Students have the right to receive a course outline, which includes a fair and explicit grading policy, at the beginning of each course.

Article 5 Students have the right to instructors who communicate the material pertaining to the course effectively in the English language, except in the case of foreign language instruction.

Article 6 Students have the right to participate in and have access to Student Government Association student teacher course evaluations.

RIGHTS TO UNIVERSITY ACADEMIC SERVICES

Article 7 Students have the right to adequate access to effective academic services provided by the university.

Article 8 Students have the right to an environment conducive to learning. (Because the university operates on a 12-month calendar in an urban environment, many construction, remodeling, renovation, and repair projects must take place while the university is in session and while other potential distractions from the learning process arise from the surrounding urban environment on which it is dependent but over which it exerts little or no control. Thus, though the university is committed to maintaining an appropriate learning environment for its students, Northeastern University students recognize and accept, as part of their relationship with the university, that the conditions described above may cause occasional disturbances to that environment.)

Article 9 Disabled students have the right to be treated in a nondiscriminatory fashion in accordance with the policies described in university publications and consonant state and federal laws.

SCHEDULING RIGHTS

Article 10 Students have the right to nonconflicting final exam schedules.

Article 11 Students have the right to final exam schedules in accordance with established university policy.

Article 12 Students have the right to be excused from academic commitments for a religious observance.

GENERAL ACADEMIC RIGHTS

Article 13 Students have the right to be informed, in a timely fashion, of proposed or actual university action to be taken against them.

Article 14 Students have the right of access to their academic and financial aid records and maintenance of the privacy of these records, as provided by the Federal Educational Rights and Privacy Act.

Article 15 Students have the right to be free from harassment by other members of the university community.

Article 16 Students have the right to the redress of academic grievances.

Student Responsibilities

It is each student's responsibility to:

1. Contribute to a climate of open inquiry and honesty in all aspects of the university's academic life.
2. Commit sufficient time and effort for study and the use of library, studio, and computational facilities in connection with each course.
3. Contribute to the classroom/laboratory/studio learning environment through discussion and active participation.
4. Acquire the necessary prerequisites for full participation in each academic course.
5. Attend scheduled classes regularly and on time.
6. Obtain help with problems encountered in a given course by seeking out faculty and teaching assistants outside class time.
7. Respect the concept of academic freedom of each faculty member.
8. Assist the university in its self-evaluation by responding honestly and conscientiously.
9. Provide permanent and local address information to the university in order to allow for communication.
10. Check their university email address on a frequent and consistent basis in recognition that many communications may be time-critical.

Global Partnership Programs

Students enrolled in a College of Professional Studies' global partnership or a dual-degree program are required to abide by the policies and procedures of both institutions or as specified in their program.

Dual-degree candidates must apply to graduate at each institution by following each institution's policies and procedures.

University Academics

- NUpath (p. 33)

NUpath

Learning, Knowing, Doing, Leading

NUpath is Northeastern University's set of institution-wide general education requirements for all students in all majors. The goal of the NUpath is to develop in our students the knowledge and skills to be lifelong learners with success in many careers, to be thoughtful global citizens, and to be fulfilled human beings. It offers students the flexibility to integrate general education learning into their individual educational journeys while maintaining the rigor of high standards through defined learning outcomes, making NUpath a unique tool for personalized curricular enrichment. NUpath is competency based rather than course based. It is built around essential, broad-based knowledge and skills—such as understanding societies and analyzing data—integrated with specific content areas and disciplines.

NUpath requirements are met throughout a student's program of study and can be fulfilled through major, minor, or concentration requirements as well as through general electives. NUpath is required for all freshmen who entered in fall 2016 and later. It does not apply to students already admitted with a different set of core requirements or to transfer students whose entry year was earlier than the fall of 2016.

- Requirements (p. 33)
- Learning Goals (p. 33)
- Writing-Intensive Courses (p. 35)

NUpath Requirements

NUpath requirements are a set of 10 competencies designed to prepare students for personal success in an ever-evolving global society regardless of their chosen field of study. NUpath requirements are as follows:

- Natural and Designed World
- Creative Expression and Innovation
- Interpreting Culture
- Formal and Quantitative Reasoning
- Societies and Institutions
- Analyzing and Using Data
- Differences and Diversity
- Ethical Reasoning
- Writing Across Audiences and Genres
- Demonstrating Thought and Action in a Capstone

Because NUpath is competency based rather than course based, students have many options of courses to fulfill the requirements. Students can use the Dashboard tool (<http://www.neu.edu/registrar/db-cps.html>) to find courses both in and beyond their major requirements

that satisfy NUpath. Courses that meet major, minor, or concentration requirements can also meet NUpath requirements. There are no level restrictions or semester-hour restrictions. A single course can count for up to two of the following requirements:

- Natural and Designed World
- Creative Expression and Innovation
- Interpreting Culture
- Formal and Quantitative Reasoning
- Societies and Institutions
- Analyzing and Using Data
- Differences and Diversity
- Ethical Reasoning

The two additional requirements (writing-intensive in the major and capstone) are not limited. So, for example, a course may have two out of the first list (such as Differences and Diversity and Societies and Institutions) and *also* fulfill writing-intensive in the major and capstone.

Transfer credit and placement tests can also be used to meet the NUpath attributes of the Northeastern course equivalents. Up to five of the following eight requirements can be met by transferred or placement test credits:

- Natural and Designed World
- Creative Expression and Innovation
- Interpreting Culture
- Formal and Quantitative Reasoning
- Societies and Institutions
- Analyzing and Using Data
- Differences and Diversity
- Ethical Reasoning

Transfer credits cannot be used to fulfill the capstone or experiential requirements. Of the writing requirements (p. 35), only the first-year writing requirement can be met by transferred or placement test credits.

NUpath Learning Goals

Established and assessed learning goals ensure rigorous opportunities for students to achieve the essential skills and competencies of NUpath regardless of the context or course within which the learning occurs. Any course that meets a NUpath requirement incorporates the learning goals of that requirement. The requirement short name and/or user code is what will appear in course descriptions and student audits.

Engaging with the Natural and Designed World

Short Name: Natural and Designed World

User Code: ND

Students study and practice scientific investigation and/or engineering design in order to understand the natural world and to effect changes in it to meet human and societal needs and wants. They learn critical thinking and analytical problem solving; the biological, chemical, and/or physical principles that govern the natural world; and the efforts that underlie the origins, development, acceptance, and applications of those principles.

LEARNING GOALS

By the end of the course, students should be able to:

1. Formulate a question that can be answered through investigation or a challenge that can be addressed through research or design.
2. Develop and use models based on evidence to predict and show relationships among variables between systems or components of systems in the natural and/or designed world.
3. Use and question scientific principles and practices to evaluate issues raised by the interplay of science, technology, and society.

Exploring Creative Expression and Innovation

Short Name: Creative Expression/Innovation

User Code: EI

Students study and practice creative expression and innovation. They learn about traditions of creative expression and innovation in any of a number of modes (texts, images, sounds, design, etc.) and products (poems, paintings, prototypes, business plans, games, apps, medical devices and procedures, etc.) and develop their own creative processes and products as a means of seeing and experiencing the world in new ways and communicating those experiences to others.

LEARNING GOALS

By the end of the course, students should be able to:

1. Describe creative processes in one or more disciplines (e.g., art, business, writing, science, engineering).
2. Generate an artifact (e.g., design, poem/essay, application, visualization, musical composition, product, prototype) through a creative process.
3. Evaluate experimentation, failure, and revision in the creation of innovative projects.

Interpreting Culture

Short Name: Interpreting Culture

User Code: IC

Students study and analyze cultural practices, artifacts, and texts (e.g., visual art, literature, theatrical performances, musical compositions, architectural structures). They learn critical reading and observation strategies and how traditions of theoretical, aesthetic, and/or literary criticism provide different lenses for the interpretation of cultural objects and practices.

LEARNING GOALS

By the end of the course, students should be able to:

1. Recognize and identify a variety of cultural practices and creations, their forms of production, and development over time.
2. Acquire and assess techniques of interpretation (including critical reading and observation techniques); criticism; and analysis of cultural practices, texts, and/or artifacts.

3. Formulate arguments for and against different theories and interpretations of cultural practices, texts, and/or artifacts.

Conducting Formal and Quantitative Reasoning

Short Name: Formal/Quantitative Reasoning

User Code: FQ

Students study and practice systematic formal reasoning using either the symbolic languages of mathematics and logic or the combinations of text and symbols characteristic of computer software. They learn when and how to apply formal reasoning to particular problems and subject matters.

LEARNING GOALS

By the end of the course, students should be able to:

1. Recognize when examination of a phenomenon or situation can benefit from problem-solving techniques and analyses that use formal reasoning.
2. Use their expertise in some applications of formal reasoning and know when to call upon domain experts when a problem is beyond their personal expertise.
3. Generate artifacts that require formal reasoning and planning. These artifacts might include logical proofs, mathematical computations, software, simulations, problem solutions, or plans/analyses in a variety of disciplines that require a formal, systematic component.

Understanding Societies and Institutions

Short Name: Societies and Institutions

User Code: SI

Students study and practice social science, historical, and/or literary methods of inquiry and theories in order to understand human behavior and cultural, social, political, and economic institutions, systems, and processes. They learn theories of social behavior as they relate to phenomena such as globalization, social change, and civic sustainability.

LEARNING GOALS

By the end of the course, students should be able to:

1. Describe current theories of how social; political; or economic institutions, systems, and processes work.
2. Explain the historical and cultural contingency of many descriptions and explanations of human behavior, institutions, systems, and processes.
3. Evaluate social, political, or economic theories by applying them to local and global phenomena.

Analyzing and Using Data

Short Name: Analyzing and Using Data

User Code: AD

Students study and practice methods and tools of data analysis and use. Students learn about the structure and analysis of at least one type of data (e.g., numbers, texts, documents, web data, images, videos, sounds, maps) and acquire the skills to examine, evaluate, and critique such data; extract patterns; summarize features; create visualizations; and provide insight not obvious from the raw data itself. Students also learn to be sensitive to ethical concerns associated with data: security, privacy, confidentiality, and fairness.

LEARNING GOALS

By the end of the course, students should be able to:

1. Describe how data may be acquired, stored, transmitted, and processed.
2. Analyze at least one important type of data and summarize the results of an analysis in ways that provide insight.
3. Use mathematical methods and/or computational tools to perform analysis.
4. Evaluate and critique choices made in selection, analysis, and presentation of data.

Engaging Differences and Diversity

Short Name: Differences and Diversity

User Code: DD

Students study and practice methods for recognizing and understanding human diversity of various kinds in global, local, and organizational contexts. They learn theories and perspectives of human difference, civic sustainability, and multiculturalism; how social arrangements shape and are shaped by difference; and the histories, cultures, and interactions of diverse groups.

LEARNING GOALS

By the end of the course, students should be able to:

1. Describe how notions of human difference have changed over time and across local and global contexts.
2. Discuss the value in recognizing, respecting, and embracing human diversity and how diversity contributes to culture and society, including civic sustainability.
3. Evaluate and compare two or more theories of human difference and approaches to cultivating and leveraging diversity.
4. Connect theories of human difference and approaches to diversity to one's own experience.

Employing Ethical Reasoning

Short Name: Ethical Reasoning

User Code: ER

Students study and practice methods of analyzing and evaluating the moral dimensions of situations and conduct. They learn ethical theories and frameworks; explore how conceptions of morals and ethics shape interpretation of concepts such as justice, fairness, rights and responsibilities, virtue, and the good life; and apply these to personal, professional, social, political, historical, or economic questions and situations.

LEARNING GOALS

By the end of the course, students should be able to:

1. Describe the moral and ethical elements of an issue, problem, or situation.
2. Explain at least two key ethical theories.
3. Apply ethical theories to moral dilemmas and personal positions.

Writing Across Audiences and Genres

Short Name: Writing Across Audiences/Genres

Note: This requirement is met by four courses. See more details under Writing-Intensive Courses (<http://catalog.northeastern.edu/undergraduate/university-academics/nupath/writing-intensive>).

Students study and practice writing for multiple public, academic, and professional audiences and contexts. They learn to use writing strategies, conventions, genres, technologies, and modalities (e.g., text, sound, image, video) to communicate effectively.

LEARNING GOALS

By the end of the course, students should be able to:

1. Adapt writing for multiple academic, professional, and public occasions and audiences.
2. Develop facility with genres of their chosen academic field and profession.
3. Identify credible, relevant sources and engage meaningfully with them in their writing.
4. Demonstrate control of writing conventions, including citation standards and mechanics.

Demonstrating Thought and Action in a Capstone

Short Name: Capstone Experience

User Code: CE

Each student must take at least one course designated as a capstone experience. Capstone courses may be designed for a specific degree program, for a department, or for a college. The learning goals for a capstone will be developed by the unit that is designing the capstone. Students must complete a capstone in their major. In cases where a student has multiple majors (such as in a combined or double major), the units may specify in which major to take the capstone or may leave the choice to the student.

Writing-Intensive Courses

The faculty expects all students to become effective writers and achieve the learning goals of the Writing Across Audiences and Genres NUPATH attributes. To this end, students are given opportunities to improve their writing throughout their curriculum.

First-Year Writing Requirement

All first-year students must satisfy a first-year writing requirement by completing one of the following courses:

Code	Title	Hours
ENG 1103	College Writing 1 for Nonnative Speakers	3
ENG 1105	College Writing 1	3
ENG 2105	Writing Workshop	3

Students must earn a C or better in the required writing course to satisfy the first-year writing requirement.

Advanced Writing Requirement

Students must satisfy the advanced writing requirement by completing one of the following courses. Transfer credit cannot be used to satisfy

this requirement. Students must earn a C or better to satisfy the advanced writing requirement:

Code	Title	Hours
ENG 3105	Writing for the Professions: Science and Engineering	3
ENG 3107	Writing for the Professions: Business and the Social Sciences	3

Writing-Intensive Courses in the Major

Each major includes at least two additional writing-intensive courses. These courses are characterized by frequent and regular writing, assessment, and revision of student work and the opportunity for students to improve their work.

Specialized Programs

The College of Professional Studies offers pathways programs for international students through its NU Global programs and to City of Boston students through its Foundation Year program.

- NU Global (p. 37)
- Foundation Year (p. 38)
- Global Classroom (p. 39)

NU Global

NU Global is international education at the College of Professional Studies. It provides international students with innovative pathway, language, and global degree programs; world-class resources; a collaborative learning environment; and outstanding faculty.

- American Classroom Program (p. 37)
- Global Pathways Program (p. 37)
- US Pathways Program (p. 37)

American Classroom Program

American Classroom is an innovative transitional experience for international students who are looking for advanced English-language preparation and an introduction to the American education system and college culture. This program is an excellent start to your American university studies and provides a comprehensive academic and cultural experience designed to help you succeed at Northeastern University and improve your English-language skills.

Program benefits:

- Earn academic credit that may be transferable to other colleges and universities
- Improve your English-language skills through specially designed courses
- Experience the culture of an American university and participate in campus life and activities
- Develop greater professional skills and a stronger resumé
- Receive support every step of the way from an individually assigned student support specialist

Visit the College of Professional Studies website (<http://www.cps.neu.edu/degree-programs/international/language-preparatory/english-language-program.php>) for more information about the admissions process and curriculum.

Global Pathways Program

The Global Pathways Program offers specialized areas of academic study, intensive English-language training, and academic skills preparation. There are three areas of concentration: business and social sciences; engineering, math, and computer science; and physical and life sciences. Upon successful completion of the program, students are admitted to their chosen undergraduate or graduate degree program.

Entrance Requirements

- Academic record equivalent to a grade-point average (GPA) of at least 2.500
- High-intermediate to advanced level of English equivalent to iBT 65 for undergraduates and iBT 61 for postgraduates

Program Benefits

- Select from three entry points each year: fall, spring, and summer
- Complete the program in one, two, or three terms depending on qualifications
- Benefit from academic advising, online tutoring, and student support services
- Enjoy access to all university facilities
- Choose from a wide range of degree programs
- Be guaranteed entry to a Northeastern University degree program upon successful completion of Global Pathways

Visit the College of Professional Studies website (<http://www.cps.neu.edu/degree-programs/international/international-pathway-programs.php>) for more information about the admissions process and curriculum.

US Pathway Program

The US Pathway Program (USPP) is a multicomponent program created by the Consortium of North American Universities (CNAU). Through USPP, students are prepared to enter a bachelor's degree program in one of the CNAU institutions. In USPP, students earn academic credits in a supportive learning environment and receive comprehensive English-language preparation. Upon successful completion of the USPP terms, and if minimum standards are met, students are offered admission to a CNAU member institution without requiring a TOEFL or IELTS score. Students who successfully complete the program can earn up to 33 semester hours of credit, allowing them to matriculate as sophomore students.

The CNAU member institutions are:

- Northeastern University, Boston, Massachusetts
- Baylor University, Waco, Texas
- DePaul University, Chicago, Illinois
- Marist College, Poughkeepsie, New York
- University of Vermont, Burlington, Vermont

Entrance Requirements

- High school diploma
- High school GPA 2.500 equivalent or above
- Pass USPP entry examination
- Residence in China and Nigeria

Program Benefits

- A pathway to enrollment at one of five top U.S. colleges/universities
- A two-term English course and a two-term university preparation course to build skills to a level that will enable students to participate

successfully in all facets of academic and college life in the United States

- A Summer Bridge term in the United States as students transition to the academic and social life in an American college/university
- A career and program counseling course to discover education and job options
- Transition assistance to the destination institution

Please visit the College of Professional Studies website (<http://www.cps.neu.edu/degree-programs/international/international-pathway-programs.php>) for more information about the admissions process and curriculum.

Foundation Year

Overview

An innovative, first-year college program, Foundation Year supports City of Boston students as they develop the skills to be successful in any college setting. Launched in 2009, Foundation Year is designed for recent City of Boston high school graduates and GED completers who would benefit from a more structured learning environment. Featuring rigorous academics, extensive support services, real-world experience, and all the privileges that come with being a Northeastern University student, Foundation Year brings together the right resources for each student—maximizing the potential for success.

Accepted students are enrolled in Northeastern University's College of Professional Studies where they may earn a full year of college credits upon graduation. To foster camaraderie and peer-to-peer learning, the program is built around the cohort model, in which Foundation Year students attend all classes and workshops together.

Upon graduation, students are eligible to:

- Apply for admission to another college or university and transfer first-year credits toward an associate or bachelor's degree program
- Continue at Northeastern University's College of Professional Studies in a bachelor's degree program
- Apply to transfer to another college at Northeastern if admission criteria are met

Application

To be considered for Foundation Year, students must be:

- High school graduates and students holding GED completion certificates who live in Boston
- Motivated and willing to work hard to achieve their goals and earn a college degree
- Willing to commit to a full-time experience

PROCESS

1. Submit your Foundation Year application online (<http://www.northeastern.edu/foundationyear/apply>).
2. Submit the following documents by fax or email. It is important for these documents to be addressed "Attention: Foundation Year."
 - Official high school transcript(s) and/or GED report
 - Teacher evaluation (http://www.northeastern.edu/foundationyear/pdfs/2014_15%20FY%20Teacher%20Evaluation.pdf)
 - Guidance counselor report (http://www.northeastern.edu/foundationyear/pdfs/2014_15%20FY%20GC%20Report.pdf), including senior year attendance information

3. Complete the Free Application for Federal Student Aid (FAFSA (<http://www.fafsa.ed.gov>)) online.

CONTACT INFORMATION

Fax: 617.373.8574

foundationyear@northeastern.edu

Program Requirements

Designed with the student in mind, Foundation Year's intensive curriculum includes courses in English, sociology, mathematics, and history. Students can also focus their studies by choosing from electives in a business, science, or liberal arts track. Foundation Year students can earn 30 semester hours of credit—equivalent to one year of college credits.

To help facilitate learning, Foundation Year provides all students with textbooks and laptops to use for the entire school year.

Complete all courses below unless otherwise indicated.

CORE COURSES

Code	Title	Hours
ENG 1105	College Writing 1	3

Global Classroom

Choose from four popular bachelor's degrees:

- **Finance and Accounting Management, BS**—Learn how to maximize budgets and make important financial decisions, and graduate with a desirable set of skills ready to impress future employers.
- **Information Technology, BS**—Develop your strengths in the analysis, design, development, and implementation of information technology systems.
- **Leadership with a Business Minor, BS**—Gain the skills required to assume a future leadership position, and build valuable practical experience through corporate internships.
- **Management, BS**—Study fundamental business functions and develop your communication skills to graduate with the tools needed to be an assertive, professional manager.

Bachelor of Science Programs, Business and Social Sciences

Business and Social Sciences

These programs are self-paced:

- Finance and accounting management (p. 42)
- Human services (p. 43)
- Leadership (p. 45)
- Liberal studies (p. 46)
- Management (p. 47)
- Political science (p. 49)
- Digital communication and media (p. 50)

Finance and Accounting Management, BS

The Bachelor of Science in Finance and Accounting Management degree program offers students an opportunity to obtain a broad understanding of the role that business plays in the world economy along with a strong focus on accounting and financial management. Students also take courses in the major areas of business so that, as they move into managerial positions, they have the understanding and skills to work across functional areas.

Students take courses such as financial reporting, managerial accounting, intermediate accounting, and cost accounting, as well as tax and audit. They also complete courses in the key areas in finance: corporate and managerial finance, working capital management, and investments.

Graduates may pursue careers in the private, nonprofit, and government sectors. They work in the cost accounting and budgeting areas, in short-term or long-term asset management, and in financial planning and security analysis.

Global Classroom (p. 39)

This streamlined program is designed for international students with at least 32 applicable credits of previous undergraduate study. It is also suitable for those who wish to transfer after a higher-education qualification in their home country. Students can finish up to six remaining semesters of study within two calendar years.

Program Requirements

Complete all courses listed below unless otherwise indicated.

University-Wide Requirement

Minimum 120 total semester hours required

Minimum 2.000 GPA required

Students must earn a minimum of 60 Northeastern University semester hours in order to receive a bachelor's degree.

Note: Individual program requirements may exceed the above minima.

NUpath Requirements

All undergraduate students are required to complete the NUpath Requirements (p. 33).

Foundation Courses

Human Services, BS

The Bachelor of Science in Human Services seeks to prepare students with the knowledge and the communication, critical thinking, and problem-solving skills needed to serve individuals, groups, organizations, and communities in a global 21st century. The degree provides students with a comprehensive overview of the human service delivery system along with an understanding of the psychology and sociology of human behavior.

Graduates may pursue careers as providers who provide direct and indirect service care. With an emphasis on client-centered caregiving, students have an opportunity to learn to apply interdisciplinary approaches to help improve the lives of people within a variety of contexts. Students completing the program are eligible for initial social work licensure.

Program Requirements

Complete all courses listed below unless otherwise indicated.

University-Wide Requirement

Leadership, BS

The Bachelor of Science in Leadership offers a functional, interdisciplinary curriculum that seeks to prepare students to lead at all levels of today's global society. The program seeks to encourage and foster high ethical standards, communication competencies, and community building through practical applications built upon the foundation of many theoretical leadership frameworks. Courses include oral and written communication, organizational behavior, leadership theory and practice, and business fundamentals. Through electives, students are encouraged to pursue courses in the social sciences or sciences to broaden their understanding of global challenges and opportunities.

Graduates of the program may pursue careers in management in private, nonprofit, and government organizations.

Global Classroom (p. 39)

This streamlined program is designed for international students with at least 32 applicable credits of previous undergraduate study. It is also suitable for those who wish to transfer after a higher-education qualification in their home country. Students can finish up to six remaining semesters of study within two calendar years.

Liberal Studies, BS

The Bachelor of Science in Liberal Studies allows students to design a social science-, science-, and humanities-based program of study that reflects their academic passions and strengths. Students have the unique opportunity to choose an area of academic specialization while engaging with the diverse array of disciplines—such as history, music, philosophy, literature, math, science, and psychology—that constitute a liberal studies education, while fostering practical skills essential to the workplace and graduate education—critical thinking, analysis of large bodies of information, problem solving, and effective written communication.

Program Requirements

Complete all courses listed below unless otherwise indicated.

University-Wide Requirement

Minimum 120 total semester hours required

Minimum 2.000 GPA required

Students must earn a minimum of 60 Northeastern University semester hours in order to receive a bachelor's degree.

Note: Individual program requirements may exceed the above minima.

NUpath Requirements

All undergraduate students are required to complete the NUpath Requirements (p. 33).

Foundation Courses

48 semester hours required

Code	Title	Hours

Major Required Courses

33 semester hours required

Note: No more than 27 total credits of business courses (ACC, FIN, MGT, MKT) are permitted.

Code	Title	Hours
Interdisciplinary		
Self-designed program created by the student with faculty guidance and approved by associate dean.		30
Capstone		
LST 4850	Capstone Project in Liberal Studies	3

Minor Required Courses

15 semester hours required

All students must complete a minor as part of their self-designed program.

Electives

Complete a minimum of 24 semester hours to reach 120 semester hours.

Plan of Study

Because the Bachelor of Science in Liberal Studies with required minor is a self-designed program of study, there is no set calendar of courses. Students will work with their career and academic coach and faculty to plan their course-taking schedule.

Management, BS

The Bachelor of Science in Management offers students an opportunity to develop skills and expertise in areas necessary to become an effective manager, including social awareness resource management, ethics, and responsibility.

Courses begin with the fundamental areas of business—management principles, accounting, finance, marketing, management information systems, and supply chain management. Students then pursue advanced work in the management of people, projects, and organizations. Students are exposed to the theory of effective management. They also have the opportunity to develop their own management skills through casework and practice in the classroom.

Graduates may pursue careers in the management of individuals, teams, and projects in the private, public, and nonprofit sectors.

Global Classroom (p. 40)

This streamlined program is designed for international students with at least 32 applicable credits of previous undergraduate study. It is also suitable for those who wish to transfer after a higher-education qualification in their home country. Students can finish up to six remaining semesters of study within two calendar years.

Program Requirements

Complete all courses listed below unless otherwise indicated.

University-Wide Requirement

Minimum 120 total semester hours required

Minimum 2.000 GPA required

Students must earn a minimum of 60 Northeastern University semester hours in order to receive a bachelor's degree.

Note: Individual program requirements may exceed the above minima.

NUpath Requirements

All undergraduate students are required to complete the NUpath Requirements (p. 33).

Foundation Courses

54 semester hours required

Code	Title	Hours
English		
Complete one of the following:		4
ENG 1105 and ENG 1106	College Writing 1 and Lab for ENG 1105	
ENG 1103 and ENG 1104	College Writing 1 for Nonnative Speakers and Lab for ENG 1103	

Complete the following two courses with corresponding labs:

ENG 1107 and ENG 1108	College Writing 2 and Lab for ENG 1107	4
ENG 3107 and ENG 3108	Writing for the Professions: Business and the Social Sciences and Lab for ENG 3107	4

Political Science, BS

The Bachelor of Science in Political Science is designed to help students prepare to address the political, economic, and social issues that face the world today.

Course work encompasses the history of political thought, a global awareness of the interconnectedness of different cultures, and an understanding of government structures and processes nationally and internationally. Courses focus on developing the critical thinking, communication, and problem-solving skills that lead to reflective, informed citizens who participate in political life and have an impact on the future course of events.

Graduates have the opportunity to pursue careers in local, state, national, and international government agencies and nongovernment agencies, working on the critical policy issues that face us today and in the future.

Program Requirements

Complete all courses listed below unless otherwise indicated.

University-Wide Requirement

Minimum 120 total semester hours required

Minimum 2.000 GPA required

Students must earn a minimum of 60 Northeastern University semester hours in order to receive a bachelor's degree.

Note: Individual program requirements may exceed the above minima.

NUpath Requirements

All undergraduate students are required to complete the NUpath Requirements (p. 33).

Foundation Courses

48 semester hours required

Bachelor's and Postbaccalaureate Programs, Lowell Institute School

Bachelor of Science

These programs are self-paced:

- Advanced Manufacturing Systems (p. 52)
- Biological science (p. 53)
- Biotechnology (p. 55)
- Environmental science (p. 57)
- Health management (p. 58)
- Health science (p. 60)
- Information technology (p. 61)
- Psychology (p. 63)

Bachelor of Science in Engineering Technology

These programs are self-paced:

- Computer engineering technology (p. 65)
- Electrical engineering technology (p. 66)
- Mechanical engineering technology (p. 68)

Advanced Manufacturing Systems, BS

Northeastern's Bachelor of Science in Advanced Manufacturing Systems will create pathways for entry- and midlevel manufacturing employees to deepen their knowledge and gain new skills across the advanced manufacturing ecosystem. The program's challenge-based learning architecture balances autonomy with a structured path through a rigorous curriculum.

Program Requirements

Complete all courses listed below unless otherwise indicated.

Note: Courses listed below with titles in parentheses are pending approval.

University-Wide Requirement

Minimum 120 total semester hours required

Biological Science, BS

The Bachelor of Science in Biological Science program is designed for students who wish to pursue a science-based career or continue their education by obtaining a graduate degree in a health- or science-related field. The program offers the mathematical, chemical, and physical background necessary for understanding biology along with the oral and written communication, critical thinking, and problem-solving skills necessary for success in the workplace. The program fosters a basic understanding of the organization and the processes of life, from molecules and cells through organs and organ systems to populations, species, ecosystems, and evolution. Graduates of the program pursue careers in areas such as research and development or sales and marketing in biological and pharmaceutical companies. Students may also choose to continue their education in graduate or medical school.

Program Requirements

Complete all courses listed below unless otherwise indicated.

University-Wide Requirement

Minimum 120 total semester hours required

Minimum 2.000 GPA required

Students must earn a minimum of 60 Northeastern University semester hours in order to receive a bachelor's degree.

Note: Individual program requirements may exceed the above minima.

Biotechnology, BS

The Bachelor of Science in Biotechnology seeks to prepare graduates for entry-level positions in diverse occupations within the biotechnology

industry. Building on a strong foundation of liberal arts and sciences, courses focus on state-of-the-art biotechnology principles and delivery. The curriculum promotes effective oral and written communications skills, critical thinking, and problem solving to promote professional competency in a variety of high-tech industries related to pharmaceutical manufacturing, vaccine production, medical device creation and fabrication, clinical drug and medical device trials, and governmental regulatory agency oversight.

Graduates of the biotechnology program pursue careers in bench research and development, regulatory affairs, sales and marketing, public relations, or communications at domestic and international biotechnology-related companies or governmental organizations.

Program Requirements

Complete all courses listed below unless otherwise indicated.

University-Wide Requirement

Minimum 120 total semester hours required

Minimum 2.000 GPA required

Students must earn a minimum of 60 Northeastern University semester hours in order to receive a bachelor's degree.

Note: Individual program requirements may exceed the above minima.

Environmental Science, BS

The Bachelor of Science in Environmental Science is an interdisciplinary program that combines an understanding of the science of the environment with the social and political issues that impact environmental policy. The program provides a strong foundation in the disciplines of oceanography, meteorology, and astronomy, supplemented by chemistry and biology. Students also take courses that incorporate an understanding of the social and political challenges around environmental policy with the underlying science. By combining science and policy, students have an opportunity to apply scientific and social/political theory and technical knowledge to the understanding of our natural world.

Graduates may pursue careers in government, nonprofits, and private industry, working to address environmental issues through a combination of science and policy.

Program Requirements

Complete all courses listed below unless otherwise indicated.

University-Wide Requirement

Minimum 120 total semester hours required

Minimum 2.000 GPA required

Students must earn a minimum of 60 Northeastern University semester hours in order to receive a bachelor's degree.

Note: Individual program requirements may exceed the above minima.

NUpath Requirements

All undergraduate students are required to complete the NUpath Requirements (p. 33).

Foundation Courses

40 semester hours required

Health Management, BS

The Bachelor of Science in Health Management seeks to foster an understanding of management-related concepts in the health industry. The degree offers students an opportunity to learn from experienced professionals how to effectively use communication, critical thinking, and problem-solving skills and techniques to establish competency in the principles relating to the operational, financial, and regulatory management of a health setting.

Students pursue course work in healthcare operations and systems, healthcare law and policy, and the financial and regulatory aspects of healthcare management.

Successful graduates of the program are prepared to pursue a wide range of careers in the management of healthcare systems in community, hospital, and private-sector healthcare settings.

Program Requirements

Complete all courses listed below unless otherwise indicated.

University-Wide Requirement

Minimum 120 total semester hours required

Minimum 2.000 GPA required

Students must earn a minimum of 60 Northeastern University semester hours in order to receive a bachelor's degree.

Note: Individual program requirements may exceed the above minima.

Health Science, BS

The Bachelor of Science in Health Science seeks to help develop competent professionals who combine a solid understanding of the science underlying healthcare with the principles of healthcare management. Courses in biology, microbiology, chemistry, pharmacology, and pathophysiology provide an understanding of the science of the human body. These courses may be combined with courses in the management of healthcare organizations; health law; public health; or, for students interested in a medical career, additional science courses.

The program seeks to provide preparation for a career in healthcare management in a community, hospital, or private-sector setting or for graduate school for advanced training in areas such as medicine, nursing, and public health.

Program Requirements

Complete all courses listed below unless otherwise indicated.

University-Wide Requirement

Minimum 120 total semester hours required

Minimum 2.000 GPA required

Students must earn a minimum of 60 Northeastern University semester hours in order to receive a bachelor's degree.

Information Technology, BS

The Bachelor of Science in Information Technology focuses on the skills and knowledge needed to promote career advancement and pursue advanced degrees in information technology and to provide the critical-thinking and information technology skills needed by local, national, and global employers.

Students have the opportunity to develop strengths in the analysis, applied design, development, implementation, and management of modern information technology systems. Courses cover the critical technology areas of programming for traditional, web, and mobile applications and for networking, database, and information security. The curriculum also includes courses focused on key business areas needed to integrate and manage technology and technology projects in the workplace.

Students may develop the technical and problem-solving skills that allow them to pursue careers in the professional areas of applications development, web and multimedia design, systems and network administration, database administration, and business analysis.

Global Classroom (p. 40)

This streamlined program is designed for international students with at least 32 applicable credits of previous undergraduate study. It is also suitable for those who wish to transfer after a higher-education qualification in their home country. Students can finish up to six remaining semesters of study within two calendar years.

Program Requirements

Complete all courses listed below unless otherwise indicated.

University-Wide Requirement

Minimum 120 total semester hours required

Minimum 2.000 GPA required

Students must earn a minimum of 60 Northeastern University semester hours in order to receive a bachelor's degree.

Note: Individual program requirements may exceed the above minima.

Psychology, BS

The Bachelor of Science in Psychology provides students with the opportunity to develop an understanding of the science of the brain and the psychology of the mind.

Course work in the program provides students with a strong foundational knowledge within the discipline of psychology, including relevant theory and research. Courses include developmental and social psychology, abnormal psychology, sensation and perception, cognition and language, and learning, along with research methods.

Students completing the program have the opportunity to work in private and nonprofit organizations in all areas of psychology and to pursue graduate work in preparation for professional licensure.

Program Requirements

Complete all courses listed below unless otherwise indicated.

University-Wide Requirement

Minimum 120 total semester hours required

Minimum 2.000 GPA required

Students must earn a minimum of 60 Northeastern University semester hours in order to receive a bachelor's degree.

Note: Individual program requirements may exceed the above minima.

Computer Engineering Technology, BSET

The Bachelor of Science in Computer Engineering Technology degree offers students an opportunity to acquire the knowledge, skills, and strengths to become technicians and technical leaders in the design, implementation, integration, and support of computer-based and network systems that are critical to the achievement of enterprise, project, research, and business goals. In this increasingly interconnected world, technicians with the ability to understand, link, and integrate computer hardware, software, and networks, and who can evolve systems as needs change, are in demand.

This focused bachelor's degree includes courses in technical literacy, mathematics, engineering graphics, network and data analysis, software development, and electromechanical systems. Program course work will assist students preparing for examinations leading to professional certifications.

The Bachelor of Science in Engineering Technology in Computer Engineering Technology is accredited by the Engineering Technology Accreditation Commission of ABET, Inc.

Program Requirements

Complete all courses listed below unless otherwise indicated.

University-Wide Requirement

Minimum 120 total semester hours required

Minimum 2.000 GPA required

Students must earn a minimum of 60 Northeastern University semester hours in order to receive a bachelor's degree.

Note: Individual program requirements may exceed the above minima.

NUpath Requirements

All undergraduate students are required to complete the NUpath Requirements (p. 33).

Foundation Courses

47 semester hours required

Code	Title	Hours
English		
Complete one of the following:		4
ENG 1105 and ENG 1106	College Writing 1 and Lab for ENG 1105	
ENG 1103 and ENG 1104	College Writing 1 for Nonnative Speakers and Lab for ENG 1103	
Complete the following course with corresponding lab:

Electrical Engineering Technology, BSET

The Bachelor of Science in Electrical Engineering Technology degree offers students an opportunity to acquire the knowledge, skills, and analytical tools and techniques to become technologists supporting the design, implementation, integration, analysis, testing, and support

of electronic circuits and electrical systems that are critical to the achievement of enterprise, project, research, and business goals.

This focused bachelor's degree includes courses in mathematics, physics, electric circuit theory, analog and digital circuits and systems, power circuits and systems, and electric circuit and system analysis.

The program offers the course work needed to prepare students for examinations leading to professional certifications, such as the NCEES PE exam, as well as continuing academic education, such as graduate school programs.

The Bachelor of Science in Engineering Technology in Electrical Engineering Technology is accredited by the Engineering Technology Accreditation Commission of ABET, Inc.

Program Requirements

Complete all courses listed below unless otherwise indicated.

University-Wide Requirement

Minimum 120 total semester hours required

Minimum 2.000 GPA required

Mechanical Engineering Technology, BSET

The Bachelor of Science in Mechanical Engineering Technology offers students an opportunity to develop strengths in the analysis, applied design, development, implementation, and oversight of mechanical systems and processes.

Featuring courses in technical literacy, mathematics, physical sciences, chemical principles, mechanics, thermodynamics, materials science, heat transfer, fluid mechanics, energy conversion, and design and manufacturing technology, this hands-on, experiential undergraduate degree program seeks to provide students with a solid engineering foundation and training needed in order to confront and propose innovative solutions to conventional and contemporary technological challenges within the discipline of mechanical engineering.

The Bachelor of Science in Engineering Technology in Mechanical Engineering Technology is accredited by the Engineering Technology Accreditation Commission of ABET, Inc.

Program Requirements

Complete all courses listed below unless otherwise indicated.

University-Wide Requirement

Minimum 120 total semester hours required

Undergraduate Certificate Programs

- Accounting, Undergraduate Certificate (p. 71)
- Advanced Accounting, Undergraduate Certificate (p. 71)
- Leadership, Undergraduate Certificate (p. 71)
- Pre-Medical Studies, Post-Baccalaureate Undergraduate Certificate (p. 72)

Accounting, Undergraduate Certificate

The certificate program in accounting seeks to provide a broad base of knowledge in accounting principles, including how to compile, analyze, and prepare critical business and financial records. The program is well suited for those who are interested in improving their accounting skills for a current management or bookkeeping position or for those who are seeking an entry-level position in the accounting field.

Students enrolled in the Bachelor of Science in Finance and Accounting degree program are not eligible for this certificate program. A maximum of 12 semester hours of course work may be transferred into the program.

Program Requirements

Complete all courses listed below unless otherwise indicated.

Prerequisite

Code	Title	Hours
MTH 1100	College Algebra	3

Required Courses

Code	Title	Hours
ACC 2100	Financial Accounting	3
ACC 2200	Managerial Accounting	3
ACC 3103	Cost Accounting	3
ACC 3201	Financial Reporting and Analysis 1	3
ACC 3202	Financial Reporting and Analysis 2	3
FIN 2105	Introduction to Corporate Finance	3

Program Requirement

18 total semester hours required

Advanced Accounting, Undergraduate Certificate

The certificate program in advanced accounting is designed for those individuals who already possess an understanding of accounting principles and would like to prepare for an accounting-related career such as auditing, financial analysis, taxation, budgeting and control, cost accounting, or asset management.

This program can be paired with additional course work to meet the minimum CPA educational requirements for those possessing an approved bachelor's degree and meeting all other CPA exam requirements. In addition, the certificate provides nonaccounting managers with a solid foundation in accounting practices relative to new legislation that requires executives to be responsible for the financial statements and internal controls of their organizations.

Students enrolled in the Bachelor of Science in Finance and Accounting degree program are not eligible for this certificate program.

Program Requirements

Complete all courses listed below unless otherwise indicated.

Prerequisite Courses

Code	Title	Hours
ACC 2100	Financial Accounting	3
ACC 2200	Managerial Accounting	3
FIN 2105	Introduction to Corporate Finance	3

Required Courses

Code	Title	Hours
ACC 3103	Cost Accounting	3
ACC 3201	Financial Reporting and Analysis 1	3
ACC 3202	Financial Reporting and Analysis 2	3
ACC 3410	Principles of Taxation	3
ACC 4320	Financial Statement Analysis	3
ACC 4330	Principles of Auditing	3
ACC 4410	Advanced Taxation	3
ACC 4420	Advanced Accounting	3
MGT 2330	Business Law	3
PHL 2100	Business Ethics	3

Program Requirement

30 total semester hours required

Leadership, Undergraduate Certificate

This certificate would serve the current undergraduate population of the College of Professional Studies (CPS) by providing a professional development credential for students who need to update professional knowledge/skills, who wish to investigate a career change that requires a supervisory/managerial role, or for those who are looking for an initial career focus. Employers would be interested in this certificate as a focused professional development pathway for employees. It is anticipated that as the program is developed there may be additional sharing of modules and materials across undergraduate and graduate programs. It is expected that this certificate will also serve as an entry point for students at CPS.

Program Requirements

Complete all courses listed below unless otherwise indicated.

Required Courses

Code	Title	Hours
LDR 1200	Assessing Your Leadership Capacity	3
LDR 3200	Leading and Managing Change	3
LDR 3250	Leading Teams Locally and Virtually	3
LDR 3300	Innovative Leadership	3

Program Requirement

12 total semester hours required

Pre-Medical Studies, Post-Baccalaureate Undergraduate Certificate

If you already hold an undergraduate degree in a science discipline and are interested in pursuing a career in medicine, the the **Postbaccalaureate in Premedical** certificate may be ideal for you. Enabling you to enhance your existing academic record by completing **premedical courses**, this innovative program prepares you to successfully apply to a medical, dental, osteopathic, nursing, or other program to prepare for a career in a health professional field.

Designed for students who require all or most of the basic premedical courses, this program offers one-on-one advising, tutoring, success coaching, and other academic support services.

PROGRAM OBJECTIVES

Designed to enhance and build on your previous academic record through additional premedical course work, this postbaccalaureate certificate covers concepts in biology, chemistry, and physics. You will have the opportunity to tailor your learning experience by choosing from optional electives in human anatomy, microbiology, genetics, cell biology, immunology, endocrinology, biochemistry, statistics, emergency medical technician (EMT) basics, and calculus. As a result of your learning experience, you will be well equipped to apply to medical, dental, osteopathic, or a health professional school.

Program Requirements

Complete all courses listed below unless otherwise indicated.

Students should check with the school(s) and programs of their choice to determine which courses they need to apply for admittance. Additional work in biology, the behavioral sciences, clinical experience, or research experience may be recommended by different schools.

Required Courses

Code	Title	Hours
Complete at least eight of the following:		30-64
Mathematics		
MTH 2100	Calculus 1	
MTH 2105	Calculus 2

Undergraduate Minors

Eligibility Requirements for Bachelor's Degree Minors

An undergraduate minor requires a minimum of 15 but no more than 18 semester hours of undergraduate-level course work. You may choose from the undergraduate minors below, and your completed minor will appear on your academic transcript.

If you do not declare a minor at the time of application for admission, you will need to complete the appropriate minor form in consultation with your designated academic and student support specialist.

Eligibility Requirements

- The student must be accepted or enrolled in a bachelor's degree program.
- The program of study for his or her major and minor cannot be the same where the requirements for the minor are a subset of requirements in the major, e.g., a BS student with a biology major cannot enroll in the biology minor; a BS student with a management major cannot enroll in the business minor.
- The student must fulfill all requirements for the minor and degree concurrently and may not extend his or her program of study to complete a minor. However, courses used to fulfill requirements for the minor may also be used to complete undergraduate degree requirements.
- The student may declare his or her intent to pursue a minor at time of application for admission or after acceptance as an enrolled student, up until the beginning of his or her last term of enrollment. It is strongly encouraged that a student who wishes to pursue an undergraduate minor begin planning early and to consult with his or her designated academic and student support specialist.
- The student may apply to pursue up to two undergraduate minors.
- The student must adhere to the curriculum of the undergraduate minor(s) for which he or she has been approved. If the student wishes to request a course substitution to fulfill requirements of an undergraduate minor, he or she must seek prior approval through his or her designated academic and student support specialist. If the student does not complete the courses as prescribed in the curriculum and did not seek prior approval for an exception, such actions could lead to the minor not appearing on the student's transcript.
- The student may apply up to 6 semester hours of transfer credits toward an undergraduate minor.
- The student in the BS in Liberal Studies program may choose to pursue a minor as part of his or her concentration.
- The student in undergraduate Fast-Track programs is eligible to apply for undergraduate minors. The Fast-Track student must fulfill all requirements of the degree and minor(s) concurrently, which could result in the student completing more than the minimum credits required for the degree alone.
- Courses in the undergraduate minors are offered outside the Fast-Track programs and do not adhere to the rules and procedures that are part of the Fast-Track programs.

Minors

- American politics (p. 73)
- Biology (p. 73)
- Business (p. 74)
- Creative writing (p. 74)

- Environmental science (p. 74)
- Graphic communication (p. 74)
- Healthcare management (p. 75)
- History (p. 75)
- Information technology (p. 75)
- International relations (p. 75)
- Organizational communication (p. 75)
- Psychology (p. 76)
- Sociology (p. 76)
- Technical communication (p. 76)

American Politics, Minor

Students complete an introductory course in American government and then choose four additional electives courses focused on various aspects of American government and politics.

Minor Requirements

Complete all courses listed below unless otherwise indicated.

Required Course

Code	Title	Hours
POL 1300	American Government	3

Electives

Code	Title	Hours
Complete 12 semester hours from the following:		12
POL 2315	State and Local Government	
POL 2320	Political Parties and Interest Groups	
POL 3310	Civil Liberties	
POL 3320	American Foreign Policy	
POL 3330	Politics and Mass Media	

Program Requirement

15 total semester hours required

Biology, Minor

Develop a basic understanding of the organization and the processes of life, from molecules and cells through organs and organ systems to populations, species, ecosystems, and evolution.

Minor Requirements

Complete all courses listed below unless otherwise indicated.

Required Courses

Code	Title	Hours
BIO 1100 and BIO 1101	Principles of Biology 1 and Lab for BIO 1100	4
BIO 1200 and BIO 1201	Principles of Biology 2 and Lab for BIO 1200	4

BIO 2100 and BIO 2101	Microbiology and Lab for BIO 2100	4
BIO 2300	Cell Biology	3

Elective

Code	Title	Hours
Complete 3 semester hours in the following subject areas:		3
BIO, BTC		

Program Requirement

18 total semester hours required

Business, Minor

Introduces nonbusiness students to key functional areas in business, offering a broad overview of the business world. The minor is not available to management or finance and accounting management students.

Minor Requirements

Complete all courses listed below unless otherwise indicated.

Required Courses

Code	Title	Hours
MGT 1100 or HMG 1100	Introduction to Business Foundations of Healthcare Management	3
ACC 2100	Financial Accounting	3
FIN 2105	Introduction to Corporate Finance	3
MGT 2310	Organizational Behavior	3

Elective

Code	Title	Hours
Complete 3 semester hours in the following subject areas:		3
ACC, FIN, MGT, MKT		

Program Requirement

15 total semester hours required

Creative Writing, Minor

Students choose from several creative writing courses based on their particular writing interests. Included in the electives is a course that focuses on how to write for publication.

Minor Requirements

Complete all courses listed below unless otherwise indicated.

Required Courses

Code	Title	Hours
Complete 15 semester hours from the following:		15
ENG 3210	Writing for Young Readers	
ENG 3220	Writing Poetry	
ENG 3230	Writing Fiction	
ENG 3240	Writing Nonfiction	
ENG 3260	Writing to Inform and Persuade	
ENG 4210	Writing for Publication	

Program Requirement

15 total semester hours required

Environmental Science, Minor

The minor in environmental science introduces students to the science of the environment along with the social and political issues that impact environmental policy.

Minor Requirements

Complete all courses listed below unless otherwise indicated.

Required Courses

Code	Title	Hours
ESC 1100	The Geosphere: Physical and Historical Geology	3
ESC 1150	The Atmosphere	3
ESC 1200	The Hydrosphere: Oceanography, Ground and Surface Water	3
ESC 1250	The Environment and Society	3

Elective

Code	Title	Hours
Complete 3 semester hours in the following subject area:		3
ESC		

Program Requirement

15 total semester hours required

Graphic Communication, Minor

This minor introduces students to effective visual communication. Traditional art courses are combined with work in digital media.

Minor Requirements

Complete all courses listed below unless otherwise indicated.

Required Courses

Code	Title	Hours
ART 2000	Typography: Communicating Content with Form	3
ART 2100	Foundation in Visual Communication	3
ART 2200	Fundamentals of Computer Graphics and Desktop Publishing	3

Electives

Code	Title	Hours
Complete 6 semester hours from the following:		6
ART 3100	Visual Foundations: Color	
ART 3110	Electronic Publishing and Design	
ART 4100	Graphic Communication 1	

Program Requirement

15 total semester hours required

Healthcare Management, Minor

The healthcare management minor introduces students to the principles underlying operational, financial, and regulatory management in a healthcare setting.

Minor Requirements

Complete all courses listed below unless otherwise indicated.

Required Courses

Code	Title	Hours
HMG 1100	Foundations of Healthcare Management	3
HMG 2100	Healthcare Operations	3

Electives

Code	Title	Hours
Complete 9 semester hours in the following subject area:		9
HMG		

Program Requirement

15 total semester hours required

History, Minor

After completing a two-semester sequence in either world history or American history, students choose three elective courses in history.

Minor Requirements

Complete all courses listed below unless otherwise indicated.

Required Courses

Code	Title	Hours
Choose one of the following sequences:		6
HST 1100 and HST 1150	History of the World 1: Prehistory to the Renaissance and History of the World 2: From Renaissance to the Present	
HST 1200 and HST 1250	American History 1: Precontact to the Civil War and American History 2: Reconstruction to the Present	

Electives

Code	Title	Hours
Complete 9 semester hours in the following subject area:		9
HST		

Program Requirement

15 total semester hours required

Information Technology, Minor

Examine how systems are designed and evaluated and have the opportunity to engage in one programming language.

Minor Requirements

Complete all courses listed below unless otherwise indicated.

Required Courses

Code	Title	Hours
ITC 1200	Operating Systems Concepts	3
ITC 2000	Principles of Systems Analysis and Design	3
ITC 2200	Networking Foundations	3

Electives

Code	Title	Hours
Complete one of the following:		3
ITC 2016	End-User Data Analysis Tools	
ITC 2300	Database Management Systems	
Complete one of the following:		3
ITC 2100	Introduction to Programming (Java)	
ITC 2400	Web and Mobile Development	
GET 2100	Computer Engineering Programming and Analysis	

Program Requirement

15 total semester hours required

International Relations, Minor

Combining required courses that introduce international relations and comparative politics with electives offers students in the international relations minor an opportunity to develop a global awareness of the interconnectedness of cultures and an understanding of the government structures and processes that impact the international arena.

Minor Requirements

Complete all courses listed below unless otherwise indicated.

Required Courses

Code	Title	Hours
POL 1120	International Relations	3
POL 1200	Comparative Politics	3

Electives

Code	Title	Hours
Complete 9 semester hours from the following:		9
POL 3126	Global Governance	
POL 3135	International Conflict and Negotiation	
POL 3140	International Security	
POL 3210	Nationalism	
POL 3220	Democracy in Comparative Politics	

Program Requirement

15 total semester hours required

Organizational Communication, Minor

Develop a broad perspective of organizational communication, including communications during negotiations, crisis, and communication across organizations.

Minor Requirements

Complete all courses listed below unless otherwise indicated.

Required Courses

Code	Title	Hours
CMN 1100	Organizational Communication	3
CMN 2310	Professional Speaking	3

Electives

Code	Title	Hours
Complete 9 semester hours from the following:		9
CMN 3220	Public Relations Basics and Practice	
CMN 3330	Digital Communication and Organizations	
CMN 3340	Gender and Communication	
CMN 3350	Intercultural Communication	
CMN 3360	Crisis Communication	
CMN 3400	Advanced Organizational Communication	
CMN 4220	Organizational Communication Measurement and Assessment	

Program Requirement

15 total semester hours required

Psychology, Minor

Examine the various aspects of psychology on an introductory level with an opportunity to focus on areas of interest.

Minor Requirements

Complete all courses listed below unless otherwise indicated.

Required Course

Code	Title	Hours
PSY 1100	Foundations of Psychology	3

Electives

Code	Title	Hours
Complete 12 semester hours in the following subject area:		12
PSY		

Program Requirement

15 total semester hours required

Sociology, Minor

The minor in sociology offers students an opportunity to explore human behavior and interaction on an individual and societal level.

Minor Requirements

Complete all courses listed below unless otherwise indicated.

Required Course

Code	Title	Hours
SOC 1100	Introduction to Sociology	3

Electives

Code	Title	Hours
Complete 12 semester hours in the following subject area:		12
SOC		

Program Requirement

15 total semester hours required

Technical Communication, Minor

Analyze the elements of technical writing and how to develop materials for various mediums, especially the online environment.

Minor Requirements

Complete all courses listed below unless otherwise indicated.

Required Course

Code	Title	Hours
TCC 2200	Introduction to Technical Writing	3

Electives

Code	Title	Hours
Complete 12 semester hours from the following:		12
TCC 3200	Digital and Social Communication Technologies	
TCC 3210	Technical Editing	
TCC 3220	Technical Promotional Writing	
TCC 3230	Writing for the Biotechnology and Pharmaceutical Industries	
TCC 3240	Proposal and Grant Writing	
TCC 3450	Writing for the Web	

Program Requirement

15 total semester hours required

Accelerated Bachelor/Graduate Degree Programs

Northeastern University offers a number of PlusOne bachelor's/master's degree programs that allow students to accelerate the completion of the bachelor's degree by applying graduate credits taken as an undergraduate toward both the undergraduate and graduate degrees. Generally, both degrees may be earned in one more year than is the normal time allotted for completion of the bachelor's degree. See additional information on PlusOne Bachelor's/Master's programs (<http://www.northeastern.edu/plusone>).

Programs

- Biotechnology, BS (College of Professional Studies)/Biotechnology, MS (College of Science)
- Biotechnology, BS (College of Professional Studies)/Regulatory Affairs, MS (College of Professional Studies)

A**Mehdi Abedi**

Assistant Teaching Professor, Mechanical and Industrial Engineering; Northeastern University, PhD

Emad Aboelela

Associate Teaching Professor, Electrical and Computer Engineering; University of Miami, PhD

Max Abrahms

Assistant Professor, Political Science; University of California, Los Angeles, PhD

Ali Abur

Professor, Electrical and Computer Engineering; Ohio State University, PhD

Laurie Achin

Visiting Lecturer, American Sign Language; Gallaudet University, MA

Daniel Adams

Associate Professor, Architecture; Harvard University, MArch

George G. Adams

College of Engineering Distinguished Professor, Mechanical and Industrial Engineering; University of California, Berkeley, PhD

Jeffrey Agar

Associate Professor, Chemistry and Chemical Biology and Pharmaceutical Sciences; University of Georgia, PhD

Rajesh Aggarwal

Professor, Finance; Harvard University, PhD

Christina Agostinelli-Fucile

Assistant Teaching Professor, World Languages Center; State University of New York, Buffalo, PhD

Ruth Aguilera

Distinguished Professor, International Business and Strategy; Harvard University, PhD

Amal Ahmed

Associate Professor, Computer and Information Science; Princeton University, PhD

Amira Ahmed Mohamed

Visiting Scholar, International Affairs; University of East London (United Kingdom), PhD

Jaehan Ahn

Assistant Professor, Accounting; University of Oklahoma, PhD

Sophia Ainslie

Lecturer, Art + Design; School of the Museum of Fine Arts/Tufts University, MFA

Mohammad Alam

Professor, Economics; University of Western Ontario (Canada), PhD

Noor E. Alam

Assistant Professor, Mechanical and Industrial Engineering; University of Alberta (Canada), PhD

Brian Albrecht

Associate Cooperative Education Coordinator, College of Engineering; Carnegie Mellon University, MS

Len Albright

Assistant Professor, Sociology and Anthropology and Public Policy and Urban Affairs; University of Chicago, PhD

Daniel Aldrich

Professor, Political Science and Public Policy and Urban Affairs; Harvard University, PhD

Todd M. Alessandri

Associate Professor, International Business and Strategy; University of North Carolina, Chapel Hill, PhD

Jacques Alexis

Assistant Academic Specialist, College of Professional Studies; University of Wisconsin, Platteville, MS

Nicole Aljoe

Associate Professor, English; Tufts University, PhD

Kristen Allison

Assistant Professor, Communication Sciences and Disorders; University of Wisconsin, Madison, PhD

Michael Allshouse

Assistant Professor, Mechanical and Industrial Engineering; Massachusetts Institute of Technology, PhD

Meryl Alper

Assistant Professor, Communication Studies; University of Southern California, PhD

Shannon Alpert

Assistant Teaching Professor, College of Professional Studies; University of North Carolina, Charlotte, EdD

Akram N. Alshawabkeh

George A. Snell Professor of Engineering, Civil and Environmental Engineering; Louisiana State University, PhD

Sari Altschuler

Assistant Professor, English; City University of New York, PhD

George O. Alverson

Associate Professor, Physics; University of Illinois, Urbana-Champaign, PhD

Christopher Amato

Assistant Professor, Computer and Information Science; University of Massachusetts, Amherst, PhD

Steven Amato

Associate Teaching Professor, College of Professional Studies; Boston College, PhD

Saurabh Ambulkar

Assistant Professor, Supply Chain and Information Management; Iowa State University, PhD

Jane Amidon

Professor, Architecture; Harvard University, MLA

Mansoor M. Amiji

University Distinguished Professor, Pharmaceutical Sciences; Purdue University, PhD

Mahshid Amirabadi

Assistant Professor, Electrical and Computer Engineering; Texas AM University, PhD

Ghita Amor-Tijani

Lecturer, Computer and Information Science; George Washington University, PhD

Teiichi Ando

Professor, Mechanical and Industrial Engineering; Colorado School of Mines, PhD

Jonathan Andrew

Associate Cooperative Education Coordinator, College of Social Sciences and Humanities; SIT Graduate Institute, MA

Edwin C. Andrews

Associate Professor, Art + Design; Indiana University, MFA

Jose Annunziato

Assistant Teaching Professor, Computer and Information Science; University of Massachusetts, Amherst, PhD

Javier Apfeld

Assistant Professor, Biology; University of California, San Francisco, PhD

Carmen G. Armengol

Associate Professor, Applied Psychology; Pennsylvania State University, PhD

Richard Arrowood

Associate Teaching Professor, College of Professional Studies; Massachusetts School of Law, JD

Cheryl Arruda

Assistant Cooperative Education Coordinator, College of Engineering; Northeastern University, MEd

Lori Ashline

Assistant Teaching Professor, College of Professional Studies; Western New England University, JD

Javed A. Aslam

Professor, Computer and Information Science; Massachusetts Institute of Technology, PhD

Yernat Assylbekov

Zelevinsky Research Professor, Mathematics; University of Washington, PhD

Anand Asthagiri

Associate Professor, Bioengineering; Massachusetts Institute of Technology, PhD

Polly Attwood

Associate Teaching Professor, College of Professional Studies; Harvard University, EdD

Debra Auguste

Professor, Chemical Engineering; Princeton University, PhD

Earlene Avalon

Assistant Teaching Professor, College of Professional Studies; Simmons College, PhD

Emily Avery-Miller

Assistant Teaching Professor, English; Emerson College, MFA

Cheryl Avitabile

Assistant Clinical Professor, Nursing; Massachusetts General Hospital Institute of Health Professions, DNP

Hava Avraham

Research Assistant Professor, Center for Drug Discovery; Hebrew University of Jerusalem (Israel), PhD

Joseph L. Ayers

Professor, Marine and Environmental Sciences; University of California, Santa Cruz, PhD

B**Sophie Bacq**

Assistant Professor and Mark L. and Karen D. Vachon Faculty Fellow, Entrepreneurship and Innovation; Louvain School of Management (Belgium), PhD

Robert Baginski

Assistant Clinical Professor, Physician Assistant Program; University of Connecticut, DSc

Jianqui Bai

Assistant Professor, Finance; University of Southern California, PhD

Rekha Bai

Lecturer, Mathematics; University of Iowa, PhD

Moya Bailey

Assistant Professor, Cultures, Societies, and Global Studies and Women's, Gender, and Sexuality Studies; Emory University, PhD

Richard H. Bailey

Professor, Marine and Environmental Sciences; University of North Carolina, Chapel Hill, PhD

Ambika Bajpayee

Assistant Professor, Bioengineering; Massachusetts Institute of Technology, PhD

Allison K. Baker

Lecturer, Psychology; Northeastern University, PhD

Shalanda Baker

Professor, Law and Public Policy and Urban Affairs; Northeastern University, JD; University of Wisconsin, LLM

Apostolia Baki

Research Assistant Professor, Pharmaceutical Sciences; University of Athens (Greece), PhD

Ilter Bakkal

Assistant Teaching Professor, Economics; Northern Illinois University, PhD

Charles Bame-Aldred

Associate Academic Specialist, Accounting; University of Massachusetts, Amherst, PhD

Benita Bamgbade

Assistant Professor, Pharmacy and Health Systems Sciences; University of Texas, Austin, PhD

Elitsa Banalieva

Associate Professor and Gary Gregg Faculty Fellow, International Business and Strategy; Indiana University, PhD

Debra Bangs

Assistant Clinical Professor, Physical Therapy, Movement, and Rehabilitation Sciences; Massachusetts General Hospital Institute of Health Professions, DPT

Brendan Bannister

Associate Professor, Management and Organizational Development; Kent State University, DBA

Arun Bansil

University Distinguished Professor, Physics; Harvard University, PhD

Albert-Laszlo Barabasi

Robert Gray Dodge Professor and University Distinguished Professor, Physics and Computer and Information Science; Boston University, PhD

Emanuela Barberis

Associate Professor, Physics; University of California, Santa Cruz, PhD

Gia Barboza

Assistant Professor, Cultures, Societies, and Global Studies and International Affairs and Political Science; Michigan State University, PhD

Gloria Barczak

Professor, Marketing; Syracuse University, PhD

Sumner Barenberg

Professor of the Practice, Bioengineering; Case Western Reserve University, PhD

Emily S. Barnard

Zelevinsky Research Professor, Mathematics; North Carolina State University, PhD

Cynthia Baron

Associate Academic Specialist, College of Professional Studies; Northeastern University, MBA

Amilcar Barreto

Associate Professor, Cultures, Societies, and Global Studies and International Affairs; State University of New York, Buffalo, PhD

Lisa Barrett

University Distinguished Professor, Psychology; University of Waterloo (Canada), PhD

Margarita Barrios Ponce

Assistant Teaching Professor, Art + Design; Yale University, MFA

Carey Barry

Assistant Clinical Professor, Physician Assistant Program; Quinnipiac University, MS

Yakov Bart

Associate Professor and Thomas Moore Faculty Fellow, Marketing; University of California, Berkeley, PhD

Stefano Basagni

Associate Professor, Electrical and Computer Engineering; University of Texas, Dallas, PhD

Marla Baskerville

Associate Professor, Management and Organizational Development; Tulane University, PhD

John Basl

Assistant Professor, Philosophy and Religion; University of Wisconsin, Madison, PhD

Maureen Basmajian

Senior Cooperative Education Coordinator, D'Amore-McKim School of Business; Boston College, MBA

Kayla Bassett

Assistant Cooperative Education Coordinator, D'Amore-McKim School of Business; Northeastern University, MS

Linnea Basu

Associate Cooperative Education Coordinator, College of Social Sciences and Humanities; Northeastern University, MS

Oleg Batishchev

Professor of the Practice, Physics; Moscow Institute of Physics and Technology (Russia), PhD

Christopher E. Beasley

Associate Professor, Mathematics; Princeton University, PhD

Nicholas Beauchamp

Assistant Professor, Political Science; New York University, PhD

Michelle A. Beauchesne

Associate Professor, Nursing; Boston University, DNSc

Mike Beaudet

Professor of the Practice, Journalism; Northeastern University, MA

Laura Beerits

Assistant Teaching Professor, English; University of Texas, Austin, PhD

Gail S. Begley

Teaching Professor, Biology; Boston University, PhD

Mehdi Behroozi

Assistant Professor, Mechanical and Industrial Engineering; University of Minnesota, PhD

Edward Beighley

Associate Professor, Civil and Environmental Engineering; University of Maryland, PhD

Chiara Bellini

Assistant Professor, Bioengineering; University of Calgary (Canada), PhD

Lynda Beltz

Assistant Teaching Professor, College of Professional Studies; Indiana University, Bloomington, PhD

Sidi Bencherif

Assistant Professor, Chemical Engineering; Carnegie Mellon University, PhD

Jonathan Benda

Associate Teaching Professor, Writing Program; Syracuse University, PhD

Elisabeth Bennett

Associate Teaching Professor, College of Professional Studies; University of Georgia, PhD

James C. Benneyan

Professor, Mechanical and Industrial Engineering; University of Massachusetts, Amherst, PhD

Iris Berent

Professor, Psychology; University of Pittsburgh, PhD

Dionisio Bernal

Professor, Civil and Environmental Engineering; University of Tennessee, PhD

Eugene A. Bernstein

Associate Teaching Professor, Pharmaceutical Sciences; Ivanovo Medical Institute (Russia), PhD

Baktybek Beshimov

Professor of the Practice, College of Professional Studies; Kyrgyz National University (Kyrgyzstan), PhD

Craig T. Bettinson

Director of Cooperative Education, College of Arts, Media and Design; Northeastern University, MEd

Penny Beuning

Associate Professor, Chemistry and Chemical Biology; University of Minnesota, PhD

Peter J. Bex

Professor, Psychology; Cardiff University (United Kingdom), PhD

Dapeng Bi

Assistant Professor, Physics; Brandeis University, PhD

Timothy Bickmore

Professor, Computer and Information Science; Massachusetts Institute of Technology, PhD

Brian Bicknell

Assistant Teaching Professor, College of Professional Studies; University of Massachusetts, EdD

Allan Bird

Darla and Frederick Brodsky Trustee Professor in Global Business, International Business and Strategy; University of Oregon, PhD

Priyanka Bishnoi

Assistant Cooperative Education Coordinator, College of Computer and Information Science; University of Southern California, MS

Scott Bishop

Professor of the Practice, Architecture; University of Pennsylvania, MArch

Deborah Blackwell

Associate Clinical Professor, Nursing; University of Texas, DNP

Nathan Blake

Associate Teaching Professor, Media and Screen Studies; University of California, PhD

Samuel J. Blank

Professor, Mathematics; Brandeis University, PhD

Robert J. Blaser

Associate Cooperative Education Coordinator, Pharmacy and Health Systems Sciences; Massachusetts College of Pharmacy, MS

Martin Blatt

Professor of the Practice, History; Boston University, PhD

John Bleakney

Assistant Cooperative Education Coordinator, Graduate School of Engineering; State University of New York, Albany, MA

Francis Blessington

Professor, English; Brown University, PhD

Cameron Blevins

Assistant Professor, History; Stanford University, PhD

Aaron Block

Associate Teaching Professor, English; Emerson College, MFA

Barry Bluestone

Russell B. and Andrée B. Stearns Trustee Professor of Political Economy, Public Policy and Urban Affairs; University of Michigan, PhD

Linda Blum

Professor, Sociology and Anthropology; University of California, Berkeley, PhD

Rhonda M. Board

Associate Professor, Nursing; Ohio State University, PhD

Janet Bobcean

Associate Professor, Theatre; Ohio University, MFA

Erika Boeckeler

Assistant Professor, English; Harvard University, PhD

Geoff Boeing

Assistant Professor, Public Policy and Urban Affairs; University of California, Berkeley, PhD

Ioana Corina Bogdan

Assistant Teaching Professor, Electrical and Computer Engineering; University of Metz (France), PhD

Charles Bognanni

Senior Cooperative Education Coordinator, D'Amore-McKim School of Business; Northeastern University, MEd

Christopher Bolick

Assistant Academic Specialist, College of Professional Studies; Western Carolina University, MS

Paul J. Bolster

Professor, Finance; Virginia Polytechnic Institute, PhD

Tamara Bonaci

Lecturer, Computer and Information Science; University of Washington, PhD

Andrea Bonezzi

Assistant Professor, Marketing; Northwestern University, PhD

Lorraine A. Book

Assistant Clinical Professor, Communication Sciences and Disorders; Florida State University, PhD

Raymond G. Booth

Professor, Pharmaceutical Sciences and Chemistry and Chemical Biology; University of California, San Francisco, PhD

Monica Borgida

Assistant Teaching Professor, College of Professional Studies; University of Pisa and Bologna (Italy), PhD

Michelle Borkin

Assistant Professor, Computer and Information Science; Harvard University, PhD

Natalie Bormann

Teaching Professor, Political Science; University of Newcastle upon Tyne (United Kingdom), PhD

Jeffery A. Born

Professor, Finance; University of North Carolina, Chapel Hill, PhD

Christopher Bosso

Professor, Public Policy and Urban Affairs; University of Pittsburgh, PhD

Ekaterina Botchkovar

Associate Professor, Criminology and Criminal Justice; North Carolina State University, PhD

Kevin Boudreau

Associate Professor, Entrepreneurship and Innovation; Massachusetts Institute of Technology, PhD

Alma Bournazian

Associate Academic Specialist, American Sign Language; Western Maryland College, MS

Stacey Bourns

Professor, World Languages Center; University of Texas, Austin, PhD

Carla Bouwmeester

Associate Clinical Professor, Pharmacy and Health Systems Sciences; Massachusetts College of Pharmacy, PharmD

Jennifer L. Bowen

Associate Professor, Marine and Environmental Sciences; Boston University, PhD

James Boyer

Assistant Academic Specialist, Accounting; Northeastern University, MBA

Nicole M. Boyson

Professor, Finance; Ohio State University, PhD

Kara Braciale

Lecturer, Art + Design; University of Illinois, Chicago, MFA

Anthony Braga

Distinguished Professor, Criminology and Criminal Justice; Rutgers University, PhD

Maxim Braverman

Professor, Mathematics; Tel Aviv University (Israel), PhD

Heather C. Brenhouse

Assistant Professor, Psychology; Northeastern University, PhD

Janet Briand-McGowan

Assistant Clinical Professor, Nursing; Northeastern University, DNP

Becky A. Briesacher

Associate Professor, Pharmacy and Health Systems Sciences; University of Maryland, Baltimore, PhD

Amy M. Briesch

Associate Professor, Applied Psychology; University of Connecticut, PhD

Elizabeth Britt

Associate Professor, English; Rensselaer Polytechnic Institute, PhD

Sharon M. Britton

Assistant Cooperative Education Coordinator, College of Engineering; Massachusetts Institute of Technology, MS

Oscar Brookins

Associate Professor, Economics; State University of New York, Buffalo, PhD

Dana H. Brooks

Professor, Electrical and Computer Engineering; Northeastern University, PhD

Cammy Brothers

Associate Professor, Architecture and Art + Design; Harvard University, PhD

Craig Brown

Visiting Associate Professor, Finance; University of Michigan, PhD

Nicholas Brown

Associate Teaching Professor, Architecture and History; University of Illinois, Urbana-Champaign, PhD

Nicholas Brown

Assistant Teaching Professor, Graduate School of Engineering; University of California, Los Angeles, PhD

Philip M. Brown

University Distinguished Professor, Sociology and Anthropology and Health Sciences; Brandeis University, PhD

Ronald Brown

Assistant Teaching Professor, College of Professional Studies; Harvard University, EdD

Timothy Brown

Professor, History; University of California, Berkeley, PhD

Todd A. Brown

Clinical Instructor, Pharmacy and Health Systems Sciences; Northeastern University, MHP

James Browning

Assistant Teaching Professor, Engineering; University of Colorado, Boulder, PhD

Maria Brucato

Assistant Teaching Professor, World Languages Center; University of Texas, PhD

Elizabeth Bucar

Associate Professor, Philosophy and Religion; University of Chicago, PhD

David E. Budil

Associate Professor, Chemistry and Chemical Biology; University of Chicago, PhD

Jamie G. Bunce

Lecturer, Behavioral Neuroscience; University of Connecticut, PhD

Lucy Bunning

Assistant Teaching Professor, College of Professional Studies; Lesley University, PhD

Jeffrey Burds

Associate Professor, History; Yale University, PhD

Lynn H. Burke

Senior Cooperative Education Coordinator, College of Arts, Media and Design; University of Massachusetts, Amherst, MEd

Pamela J. Burke

Clinical Professor, Nursing; Boston College, PhD

Jose Buscaglia

Professor, Cultures, Societies, and Global Studies; University of Buffalo, PhD

Jeremy Bushnell

Associate Teaching Professor, Writing Program; University of Arizona, Tucson, MFA

Ahmed A. Busnaina

University Distinguished Professor, William Lincoln Smith Professor of Mechanical Engineering, Mechanical and Industrial Engineering; Oklahoma State University, PhD

Bobette Buster

Professor of the Practice, Journalism; Northwestern University, MFA

Michael Butera

Clinical Instructor, Nursing; Northeastern University, MS

C**Qinghong Cai**

Associate Teaching Professor, World Languages Center; University of Kansas, MS

Victoria Cain

Assistant Professor, History; Columbia University, PhD

Paula Caligiuri

Distinguished Professor of Global Leadership, International Business and Strategy; Pennsylvania State University, PhD

Lisa M. Campagnoni

Assistant Cooperative Education Coordinator, College of Science; Northeastern University, MA

Octavia Camps

Professor, Electrical and Computer Engineering; University of Washington, PhD

Yanet Canavan

Assistant Academic Specialist, World Languages Center; Salem State College, MA

Kristopher Cannon

Assistant Teaching Professor, Media and Screen Studies; Georgia State University, PhD

Mira Cantor

Professor, Art + Design; University of Illinois, Urbana-Champaign, MFA

Luca Caracoglia

Associate Professor, Civil and Environmental Engineering; University of Trieste (Italy), PhD

Benjamin Caras

Lecturer, Art + Design; University of Massachusetts, Amherst, MFA

Peter Cardillo

Assistant Cooperative Education Coordinator, Graduate School of Engineering; Boston College, MS

Joelle Carlo

Assistant Teaching Professor, Pharmaceutical Sciences; State University of New York, Buffalo, PhD

Alexa A. Carlson

Associate Clinical Professor, Pharmacy and Health Systems Sciences; Butler University, PharmD

Mary Carney

Associate Cooperative Education Coordinator, Bouvé College of Health Sciences; Boston College, MSN

Heather Carpenter-Oliveira

Assistant Cooperative Education Coordinator, College of Engineering; Northeastern University, MS

Jonathan Carr

Associate Teaching Professor, Theatre; Columbia University, MFA

Michelle Carr

Lecturer, Communication Studies; Kingston University (United Kingdom), MA

Sara Carr

Assistant Professor, Architecture; University of California, Berkeley, PhD

Rebecca L. Carrier

Professor, Chemical Engineering; Massachusetts Institute of Technology, PhD

Matthew Carroll

Professor of the Practice, Journalism; Northeastern University, BS

Patricia Case

Assistant Teaching Professor, Health Sciences; Harvard University, PhD

Bonnie Jo Casey

Assistant Clinical Professor, Physician Assistant Program; University of New England, MS

Cristian Cassella

Assistant Professor, Electrical and Computer Engineering; Carnegie Mellon University, PhD

Ana-Maria Castravet

Associate Professor, Mathematics; Massachusetts Institute of Technology, PhD

Smajl Cenjic

Assistant Cooperative Education Coordinator, College of Computer and Information Science; Cambridge College, MA

Jana Cephas

Assistant Professor, Architecture; Harvard University, PhD

Robert J. Cersosimo

Associate Professor, Pharmacy and Health Systems Sciences; University of Utah, PharmD

Christopher Cesario

Assistant Clinical Professor, Physical Therapy, Movement, and Rehabilitation Sciences; Northeastern University, DPT

Yunrong Chai

Assistant Professor, Biology; Cornell University, PhD

Paul M. Champion

Professor, Physics; University of Illinois, Urbana-Champaign, PhD

Chee Chan

Associate Academic Specialist, Marketing; Michigan State University, PhD

Katherine Chan

Assistant Teaching Professor, Music; University of Minnesota, PhD

Changyan Chen

Research Professor, Center for Drug Discovery; Columbia University, PhD

Qin Chen

Professor, Civil and Environmental Engineering and Marine and Environmental Sciences; Old Dominion University, PhD

Yi-Da Chen

Assistant Professor, Supply Chain and Information Management; University of Arizona, PhD

Esther Chewning

Senior Cooperative Education Coordinator, D'Amore-McKim School of Business; Suffolk University, MS

Cherese Childers-McKee

Assistant Teaching Professor, College of Professional Studies; University of North Carolina, PhD

Elizabeth A. Chilvers

Associate Professor, Cooperative Education, D'Amore-McKim School of Business; Northeastern University, MEd

W. Paul Chiou

Assistant Teaching Professor, Finance; Rutgers University, PhD

David R. Choffnes

Assistant Professor, Computer and Information Science; Northwestern University, PhD

Sam S. Choi

Associate Teaching Professor, Architecture; Harvard University, MArch

Sunho Choi

Assistant Professor, Chemical Engineering; University of Minnesota, PhD

Bartłomiej Chomanski

Visiting Lecturer, Philosophy and Religion; University of Miami, PhD

Chun-An Chou

Assistant Professor, Mechanical and Industrial Engineering; Rutgers University, PhD

Kaushik Roy Chowdhury

Associate Professor, Electrical and Computer Engineering; University of Cincinnati, MS

Ken Y. Chung

Assistant Teaching Professor, Chemistry and Chemical Biology; Michigan State University, PhD

Samuel Chung

Assistant Professor, Bioengineering; Harvard University, PhD

Hillary Chute

Professor, English and Art + Design; Rutgers University, PhD

Dawn M. Cisewski

Assistant Teaching Professor, Psychology; Indiana University of Pennsylvania, PsyD

Bruce H. Clark

Associate Professor, Marketing; Stanford University, PhD

Edmund L. Clark

Associate Academic Specialist, Entrepreneurship and Innovation; Clark University, MBA

Heather Clark

Professor, Bioengineering and Chemistry and Chemical Biology; University of Michigan, PhD

Sean I. Clark

Zelevinsky Research Professor, Mathematics; University of Virginia, PhD

Stephen B. Clark

Assistant Clinical Professor, Physical Therapy, Movement, and Rehabilitation Sciences; Northeastern University, DPT

Alan Clayton-Matthews

Associate Professor, Public Policy and Urban Affairs and Economics; Boston College, PhD

Sandra S. Cleveland

Associate Clinical Professor, Communication Sciences and Disorders; Pennsylvania College of Optometry, AuD

William D. Clinger

Associate Professor, Computer and Information Science; Massachusetts Institute of Technology, PhD

Paul Closas

Assistant Professor, Electrical and Computer Engineering; Universitat Politècnica de Catalunya (Spain), PhD

Emily Clough

Assistant Professor, Political Science and International Affairs; Harvard University, PhD

Ricardo Coelho Guerreiro Da Silva Camacho

Visiting Lecturer, Architecture; Harvard University, MArch

Dennis Cokely

Professor, American Sign Language; Georgetown University, PhD

Maxine Cokely

Associate Academic Specialist, College of Professional Studies; Bowie State University, MA

Stephanie Colbry

Assistant Teaching Professor, College of Professional Studies; Eastern University, PhD

John D. Coley

Associate Professor, Psychology; University of Michigan, PhD

Greg Collier

Professor of the Practice, Entrepreneurship and Innovation; Eastern Michigan University, MBA

Randall C. Colvin

Associate Professor, Psychology; University of Illinois, Urbana-Champaign, PhD

Sally Conant

Assistant Cooperative Education Coordinator, College of Engineering; Salve Regina University, MA

Michael Conley

Assistant Clinical Professor, Pharmacy and Health Systems Sciences; Northeastern University, PharmD

Richard Conley

Associate Cooperative Education Coordinator, College of Social Sciences and Humanities; Boston University, JD

Kelly Conn

Associate Teaching Professor, College of Professional Studies; Boston University, PhD

Adam I. Cooper

Senior Lecturer, Linguistics; Cornell University, PhD

Seth Cooper

Assistant Professor, Computer and Information Science; University of Washington, PhD

Gene D. Cooperman

Professor, Computer and Information Science; Brown University, PhD

Ryan Cordell

Assistant Professor, English; University of Virginia, PhD

Marie B. Corkery

Associate Clinical Professor, Physical Therapy, Movement, and Rehabilitation Sciences; Northeastern University, DPT

Patricia Corrigan

Assistant Cooperative Education Coordinator, College of Science; Suffolk University, MA

Felipe Cortes

Assistant Professor, Finance; Washington University, St. Louis, PhD

Xavier Costa

Professor, Architecture; University of Pennsylvania, PhD

Hugh G. Courtney

Professor, International Business and Strategy; Massachusetts Institute of Technology, PhD

Arthur J. Coury

University Distinguished Professor, Chemical Engineering; University of Minnesota, PhD

Erin J. Cram

Professor, Biology; University of California, Berkeley, PhD

Frederick Crane

Senior Academic Specialist, Entrepreneurship and Innovation; Bradford University, PhD

Justin D. Crane

Assistant Professor, Biology; McMaster University (Canada), PhD

Steven Cranford

Assistant Professor, Civil and Environmental Engineering; Massachusetts Institute of Technology, PhD

William F. Crittenden

Professor, International Business and Strategy; University of Arkansas, PhD

Maia Cross

Associate Professor, Political Science and International Affairs; Princeton University, PhD

Robert Cross

Assistant Teaching Professor, History; Princeton University, PhD

Pedro Miguel Cruz

Assistant Professor, Art + Design; Universidade de Coimbra (Portugal), PhD

Alvaro Cuervo-Cazurra

Professor and Robert Morrison Fellow, International Business and Strategy; Massachusetts Institute of Technology, PhD

Carlos Cuevas

Associate Professor, Criminology and Criminal Justice; Alliant International University, PhD

Meng Cui

Research Associate Professor, Pharmaceutical Sciences; Jilin University (China), PhD

Thomas P. Cullinane

Professor, Mechanical and Industrial Engineering; Virginia Polytechnic Institute and State University, PhD

Derek Curry

Assistant Professor, Art + Design; University of California, Los Angeles, MFA

Mary Ellen Cushman

Professor, English; Rensselaer Polytechnic Institute, PhD

Julia Cybularz

Visiting Associate Teaching Professor, Art + Design; School of Visual Arts, MFA

D**Kamran Dadkhah**

Associate Professor, Economics; Indiana University, PhD

Guohao Dai

Associate Professor, Bioengineering; Massachusetts Institute of Technology, PhD

Elise J. Dallimore

Associate Professor, Communication Studies; University of Washington, PhD

James Dana Jr.

Professor, Economics and International Business and Strategy; Massachusetts Institute of Technology, PhD

Luis Dau

Associate Professor, International Business and Strategy; University of South Carolina, PhD

Geoffrey Davies

Matthews Distinguished University Professor, Chemistry and Chemical Biology; Birmingham University (United Kingdom), PhD, DSc

Duncan Davis

Assistant Teaching Professor, Engineering; North Carolina State University, PhD

Frederick C. Davis

Professor, Biology; University of Texas, Austin, PhD

Nicole Davis

Assistant Clinical Professor, Applied Psychology; Simmons College, MS

Theo Davis

Professor, English; Johns Hopkins University, PhD

Leslie Day

Associate Clinical Professor, Physical Therapy, Movement, and Rehabilitation Sciences; Northeastern University, PhD

Anthony P. De Ritis

Professor, Music; University of California, Berkeley, PhD

Michael Dean

Assistant Teaching Professor, College of Professional Studies; Columbia University, PhD

Adenekan (Nick) Dedeke

Lecturer, Supply Chain and Information Management; Technische Universität Kaiserslautern (Germany), PhD

Mohammad Dehghanimohammadabadi

Assistant Teaching Professor, Mechanical and Industrial Engineering; Western New England University, PhD

Candice Delmas

Assistant Professor, Philosophy and Religion and Political Science; Boston University, PhD

John Dencker

Professor, Management and Organizational Development; Harvard University, PhD

Jack Dennerlein

Professor, Physical Therapy, Movement, and Rehabilitation Sciences; University of California, PhD

Megan Denver

Assistant Professor, Criminology and Criminal Justice; University at Albany, PhD

Alexander DePaoli

Visiting Assistant Professor, Marketing; Stanford University, PhD

Leila F. Deravi

Assistant Professor, Chemistry and Chemical Biology; Vanderbilt University, PhD

Nate Derbinsky

Associate Teaching Professor, Computer and Information Science; University of Michigan, Ann Arbor, PhD

Marco Deseriis

Assistant Professor, Media and Screen Studies; New York University, PhD

Peter J. Desnoyers

Associate Professor, Computer and Information Science; University of Massachusetts, Amherst, PhD

David A. DeSteno

Professor, Psychology; Yale University, PhD

H. William Detrich

Professor, Marine and Environmental Sciences; Yale University, PhD

Darin Detwiler

Assistant Teaching Professor, College of Professional Studies; Northeastern University, PhD

John W. Devlin

Professor, Pharmacy and Health Systems Sciences; University of Toronto (Canada), PharmD

James Dew

Visiting Lecturer, Economics; Texas AM University, PhD

Janet Dewan

Assistant Clinical Professor, Nursing; Northeastern University, PhD

Alessandra Di Credico

Lecturer, Physics; University of Rome (Italy), PhD

Panagoula Diamanti-Karanou

Visiting Lecturer, Political Science and International Affairs; Northeastern University, PhD

Jacqueline Diani

Senior Cooperative Education Coordinator, Bouvé College of Health Sciences; University of Virginia, MEd

Martin Dias

Associate Teaching Professor, Supply Chain and Information Management; Bentley University, PhD

Amy DiBattista

Lecturer, Psychology; Northeastern University, PhD

William Dickens

Professor, Economics and Public Policy and Urban Affairs; Massachusetts Institute of Technology, PhD

Elizabeth Dillon

Professor, English; University of California, Berkeley, PhD

Charles DiMarzio

Associate Professor, Electrical and Computer Engineering; Northeastern University, PhD

Aidong A. Ding

Associate Professor, Mathematics; Cornell University, PhD

Kathleen C. Dioli

Associate Cooperative Education Coordinator, Chemistry and Chemical Biology; Bowling Green State University, MA

Brandon Dionne

Assistant Clinical Professor, Pharmacy and Health Systems Sciences; University of New England, PharmD

Daniel L. Distel

Research Professor, Marine and Environmental Sciences; University of California, San Diego, PhD

Margarita V. DiVall

Clinical Professor, Pharmacy and Health Systems Sciences; Northeastern University, PharmD

Mary Kate Dodgson

Assistant Professor, Accounting; University of Massachusetts, Amherst, PhD

Lisa Cantwell Doherty

Associate Cooperative Education Coordinator, College of Social Sciences and Humanities; Northeastern University, MA

Silvia Dominguez

Associate Professor, Sociology and Anthropology; Boston University, PhD

Hua Dong

Associate Academic Specialist, World Languages Center; Emerson College, MA

Pamela Donlan

Assistant Clinical Professor, Physical Therapy, Movement, and Rehabilitation Sciences; Northeastern University, PhD

Margaret Dougherty

Assistant Teaching Professor, College of Professional Studies; University of Massachusetts, EdD

Brenda Douglas

Associate Clinical Professor, Nursing; Northeastern University, DNP

Daniel C. Douglass

Lecturer, Marine and Environmental Sciences; University of Wisconsin, PhD

Mark Douglass

Associate Clinical Professor, Pharmacy and Health Systems Sciences; University of Michigan, PharmD

Kevin Drakulich

Associate Professor, Criminology and Criminal Justice; University of Washington, PhD

Andrea Dropkin

Assistant Cooperative Education Coordinator, D'Amore-McKim School of Business; Bentley University, MBA

Laura Dudley

Assistant Clinical Professor, Applied Psychology; Northeastern University, PhD

Lisa Duffy

Assistant Professor, Nursing; Boston College, DNP

Tara Duffy

Lecturer, Marine and Environmental Sciences; Stony Brook University, PhD

Molly Dugan

Assistant Teaching Professor, College of Professional Studies; Boston College, PhD

Michael Dukakis

Distinguished Professor, Political Science; Harvard University, JD

Daniel M. Dulaski

Teaching Professor, Civil and Environmental Engineering; University of Massachusetts, Amherst, PhD

Catherine Dunand

Assistant Academic Specialist, World Languages Center; Boston University, MA

Jill Dupree

Visiting Lecturer, Economics; University of Colorado, Boulder, PhD

Joanne Dupuis

Assistant Clinical Professor, Nursing; Massachusetts School of Law, PhD

Kathleen Durant

Assistant Teaching Professor, Computer and Information Science; Harvard University, PhD

Jennifer G. Dy

Professor, Electrical and Computer Engineering; Purdue University, PhD

E**Eno Ebong**

Assistant Professor, Chemical Engineering; Rensselaer Polytechnic Institute, PhD

Stephanie Eby

Lecturer, Marine and Environmental Sciences; Syracuse University, PhD

Rajagopal Echambadi

Professor, Entrepreneurship and Innovation; University of Houston, PhD

Matthew Eckelman

Assistant Professor, Civil and Environmental Engineering; Yale University, PhD

Kimberly Eddleston

Professor and Daniel and Dorothy Grady Faculty Fellow, Entrepreneurship and Innovation; University of Connecticut, PhD

Scott Edmiston

Professor of the Practice, Theatre; Boston University, MFA

Laurie Edwards

Associate Teaching Professor, Writing Program; Emerson College, MFA

Jessica Edwards George

Associate Clinical Professor, Applied Psychology; Northeastern University, PhD

Christopher L. Egan

Assistant Cooperative Education Coordinator, College of Science; Boston University, MA

Jean Egan

Senior Cooperative Education Coordinator, College of Social Sciences and Humanities; Northeastern University, MEd

Robert C. Eidson

Lecturer, Psychology; Northeastern University, PhD

Stanley J. Eigen

Professor, Mathematics; McGill University (Canada), PhD

Adam Ekenseair

Assistant Professor, Chemical Engineering; University of Texas, Austin, PhD

Ehsan Elhamifar

Assistant Professor, Computer and Information Science; Johns Hopkins University, PhD

Tina Eliassi-Rad

Associate Professor, Computer and Information Science; University of Wisconsin, Madison, PhD

B. Parker Ellen

Assistant Professor, Management and Organizational Development; Florida State University, PhD

Ryan Ellis

Assistant Professor, Communication Studies; University of California, San Diego, PhD

Constance Emerson

Assistant Academic Specialist, College of Professional Studies; Purdue University, West Lafayette, MS

John R. Engen

Distinguished Professor, Chemistry and Chemical Biology and Barnett Institute; University of Nebraska, Lincoln, PhD

Christen Enos

Associate Teaching Professor, Writing Program; Emerson College, MFA

Slava S. Epstein

Distinguished Professor, Biology; Moscow State University (Russia), PhD

Randall Erb

Assistant Professor, Mechanical and Industrial Engineering; Duke University, PhD

Deniz Erdogmus

Professor, Electrical and Computer Engineering; University of Florida, PhD

Ozlem Ergun

Professor, Mechanical and Industrial Engineering; Massachusetts Institute of Technology, PhD

Cuneyt Eroglu

Associate Professor, Supply Chain and Information Management; Ohio State University, PhD

Bilge Erten

Assistant Professor, International Affairs and Economics; University of Massachusetts, Amherst, PhD

Rhea T. Eskew

Professor, Psychology; Georgia Institute of Technology, PhD

Jonathan Esole

Assistant Professor, Mathematics; Leiden University (Netherlands), PhD

Abigail Evans

Lecturer, Computer and Information Science; University of Washington, PhD

Sara Ewell

Associate Teaching Professor, College of Professional Studies; University of North Carolina, Chapel Hill, PhD

William Ewell

Associate Teaching Professor, College of Professional Studies; University of North Carolina, PhD

F**Daniel Faber**

Professor, Sociology and Anthropology; University of California, Santa Cruz, PhD

Mary Lynn Fahey

Clinical Instructor, Nursing; Simmons College, MS

Olunmi Faleye

Professor and Donald F. Harding Professor of Finance and Insurance, Finance; University of Alberta (Canada), PhD

Hui Fang

Assistant Professor, Electrical and Computer Engineering; University of California, Berkeley, PhD

Qianqian Fang

Assistant Professor, Bioengineering; Dartmouth College, PhD

David Fannon

Assistant Professor, Architecture and Civil and Environmental Engineering; University of California, Berkeley, MS

Nasser S. Fard

Associate Professor, Mechanical and Industrial Engineering; University of Arizona, PhD

Amir Farhat

Associate Teaching Professor, Electrical and Computer Engineering; University of Pennsylvania, PhD

Amy Farrell

Associate Professor, Criminology and Criminal Justice; Northeastern University, PhD

Yunsi Fei

Professor, Electrical and Computer Engineering; Princeton University, PhD

Adrian E. Feiguin

Assistant Professor, Physics; Universidad Nacional de Rosario (Argentina), PhD

Allen G. Feinstein

Teaching Professor, Music; New England Conservatory of Music, MM

Nathan I. Felde

Professor, Art + Design; Massachusetts Institute of Technology, MS

Lisa Feldman Barrett

University Distinguished Professor, Psychology; University of Waterloo (Canada), PhD

Matthias Felleisen

Trustee Professor, Computer and Information Science; Indiana University, PhD

Samuel Felton

Assistant Professor, Mechanical and Industrial Engineering; Harvard University, PhD

Carol Femia

Clinical Instructor, Nursing; Massachusetts General Hospital Institute of Health Professions, MS

Hicham Fenniri

Professor, Chemical Engineering; Université de Strasbourg (France), PhD

Loretta A. Fernandez

Assistant Professor, Civil and Environmental Engineering and Marine and Environmental Sciences; Massachusetts Institute of Technology, PhD

Waththage N. Fernando

Lecturer, Mathematics; University of South Florida, PhD

Lori Ferrins

Research Assistant Professor, Chemistry and Chemical Biology; Monash University, PhD

Craig F. Ferris

Professor, Psychology and Pharmaceutical Sciences; New York Medical College, PhD

Kirsten Fertuck

Assistant Teaching Professor, Biochemistry; Michigan State University, PhD

Susan F. Fine

Clinical Instructor, Communication Sciences and Disorders; New York University, MA

Sarah Finn

Associate Teaching Professor, Writing Program; University of Massachusetts, Amherst, PhD

Branden Fitelson

Distinguished Professor, Philosophy and Religion; California Institute of Technology, PhD

Brian Fitzgerald

Assistant Professor, Accounting; Texas AM University, PhD

Joan Fitzgerald

Professor, Public Policy and Urban Affairs; Pennsylvania State University, PhD

Diane F. Fitzpatrick

Clinical Professor, Physical Therapy, Movement, and Rehabilitation Sciences; Northeastern University, DPT

Josephine Flanagan

Assistant Cooperative Education Coordinator, College of Engineering; Suffolk University, JD

Julia Flanders

Professor of the Practice, English and Library Systems; Brown University, PhD

Laure B. Flapan

Zelevinsky Research Professor, Mathematics; University of California, Los Angeles, PhD

Eric Folmar

Assistant Clinical Professor, Physical Therapy, Movement, and Rehabilitation Sciences; Quinnipiac University, MS

Paul Fombelle

Associate Professor and Thomas Moore Faculty Fellow, Marketing; Arizona State University, PhD

Murray Forman

Professor, Media and Screen Studies; McGill University (Canada), PhD

Lisa M. Foster

Assistant Cooperative Education Coordinator, Bouvé College of Health Sciences; Northeastern University, MS

Dimitrios Fotiadis

Lecturer, Supply Chain and Information Management; Northeastern University, MS

Brooke Foucault Welles

Assistant Professor, Communication Studies; Northwestern University, PhD

Charles F. Fountain

Professor, Journalism; Columbia University, MS

James Fox

Lipman Family Professor of Criminology, Law, and Public Policy, Criminology and Criminal Justice and Law and Public Policy; University of Pennsylvania, PhD

Laura Frader

Professor, History; University of Rochester, PhD

Debra L. Franko

Professor, Applied Psychology; McGill University (Canada), PhD

Peter Fraunholtz

Assistant Teaching Professor, History and International Affairs; Boston College, PhD

Susan Freeman

Teaching Professor, Engineering; Northeastern University, PhD

Clark Freifeld

Lecturer, Computer and Information Science; Boston University, PhD

Michael Frengel

Associate Academic Specialist, Music; City University London (United Kingdom), PhD

John H. Friar

Senior Academic Specialist, Entrepreneurship and Innovation; Massachusetts Institute of Technology, PhD

Natasha Frost

Professor, Criminology and Criminal Justice; City University of New York, PhD

Yun (Raymond) Fu

Associate Professor, Electrical and Computer Engineering and Computer and Information Science; University of Illinois, Urbana-Champaign, PhD

Carolyn Fuchs

Teaching Professor, World Languages Center; Justus-Liebig Universität Gießen (Germany), PhD

Brian Fulton

Lecturer, Chemistry and Chemical Biology; Iowa State University, PhD

Peter G. Furth

Professor, Civil and Environmental Engineering; Massachusetts Institute of Technology, PhD

G**Timothy Gagnon**

Associate Academic Specialist, Accounting; Sacred Heart University, MBA

Sean Gallagher

Assistant Clinical Professor, College of Professional Studies; Northeastern University, EdD

Susan Gallagher

Clinical Instructor, Nursing; Massachusetts General Hospital Institute of Health Professions, MS

Joshua Galloway

William O. DiPietro Assistant Professor, Chemical Engineering; Columbia University, PhD

Auroop Ganguly

Professor, Civil and Environmental Engineering; Massachusetts Institute of Technology, PhD

Lori Gardinier

Teaching Professor, Human Services; Northeastern University, PhD

Julie Garey

Assistant Teaching Professor, Political Science; Northeastern University, PhD

Karen Garneau

Associate Teaching Professor, Writing Program; Northeastern University, PhD

Shytierra Gaston

Assistant Professor, Criminology and Criminal Justice; University of Missouri, St. Louis, PhD

Wolfgang Gatterbauer

Associate Professor, Computer and Information Science; Vienna University of Technology (Austria), PhD

Edward Geisinger

Assistant Professor, Biology; New York University, MD, PhD

Prasanth George

Assistant Teaching Professor, Mathematics; State University of New York, Buffalo, PhD

Francis Georges

Assistant Teaching Professor, Economics; Boston College, PhD

Roger W. Giese

Professor, Pharmaceutical Sciences; Massachusetts Institute of Technology, PhD

Joseph M. Giglio

Senior Academic Specialist, International Business and Strategy; Northeastern University, PhD

Thomas R. Gilbert

Associate Professor, Chemistry and Chemical Biology; Massachusetts Institute of Technology, PhD

Laurance Ginsberg

Assistant Academic Specialist, Accounting; Bentley University, MST

Karen Giuliano

Associate Professor, Nursing; Boston College, PhD

Daniel G. Glasscock

Zelevinsky Research Professor, Mathematics; Ohio State University, PhD

Leonard J. Glick

Senior Academic Specialist, Management and Organizational Development; Harvard University, EdD

Elizabeth Glowacki

Postdoctoral Teaching Associate, Communication Studies; University of Texas, Austin, PhD

Daniel Godfrey

Professor, Music; University of Iowa, PhD

Veronica S. Godoy-Carter

Associate Professor, Biology; Tufts University, PhD

Kevin Gold

Assistant Teaching Professor, Computer and Information Science; Yale University, PhD

Natalia Gold

Assistant Teaching Professor, International Business and Strategy; Saint Petersburg State University of Engineering (Russia), PhD

Stephen Golden

Lecturer, Entrepreneurship and Innovation; Suffolk University, MBA

William Goldman

Lecturer, Accounting; Northeastern University, MBA

Ann C. Golub-Victor

Clinical Professor, Physical Therapy, Movement, and Rehabilitation Sciences; Northeastern University, DPT

Edgar D. Goluch

Associate Professor, Chemical Engineering; University of Illinois, Urbana-Champaign, PhD

Kathleen Gonso

Associate Teaching Professor, Writing Program; Emerson College, MFA

Michael J. Gonyeau

Clinical Professor, Pharmacy and Health Systems Sciences; Albany College of Pharmacy, PharmD

Frankie Gonzalez

Assistant Cooperative Education Coordinator, D'Amore-McKim School of Business; Northeastern University, BS

Gregory Goodale

Associate Professor, Communication Studies; University of Illinois, Urbana-Champaign, PhD

Teresa Goode

Assistant Teaching Professor, College of Professional Studies; Columbia University, EdD

Patricia Goodman

Assistant Teaching Professor, College of Professional Studies; George Washington University, EdD

Matthew Goodwin

Associate Professor, Health Sciences and Computer and Information Science; University of Rhode Island, PhD

Mark Gooley

Lecturer, Finance; Northeastern University, PhD

Ian Gorton

Professor of the Practice, Computer and Information Science; Sheffield Hallam University (United Kingdom), PhD

Gary Goshgarian

Professor, English; University of Wisconsin, Madison, PhD

Tarik C. Gouhier

Assistant Professor, Marine and Environmental Sciences; McGill University (Canada), PhD

Robson Goulart

Assistant Cooperative Education Coordinator, College of Engineering;
Boston University, MS

Andrew Gouldstone

Associate Professor, Mechanical and Industrial Engineering;
Massachusetts Institute of Technology, PhD

Jonathan H. Grabowski

Associate Professor, Marine and Environmental Sciences; University of
North Carolina, Chapel Hill, PhD

Jennifer Gradecki

Assistant Professor, Art + Design; University of California, Los Angeles,
MFA

Steve Granelli

Assistant Teaching Professor, Communication Studies; Syracuse
University, MS

Laura Green

Professor, English; University of California, Berkeley, PhD

Kristin Curry Greenwood

Associate Clinical Professor, Physical Therapy, Movement, and
Rehabilitation Sciences; Northeastern University, EdD, DPT

Brent Griffin

Assistant Teaching Professor, College of Professional Studies;
Northeastern University, PhD

Jacqueline Griffin

Assistant Professor, Mechanical and Industrial Engineering; Georgia
Institute of Technology, PhD

Joseph Griffin

Associate Teaching Professor, College of Professional Studies; Gordon
Conwell Theological Seminary, PhD

John Griffith

Clinical Professor, Health Sciences; Boston University, PhD

Amir Grinstein

Associate Professor, Mark L. and Karen D. Vachon Faculty Fellow,
Marketing; Hebrew University of Jerusalem (Israel), PhD

Francesca Grippa

Associate Teaching Professor, College of Professional Studies; University
of Salento (Italy), PhD

Craig Gruber

Associate Teaching Professor, College of Professional Studies; Clark
University, PhD

Tiantian Gu

Associate Professor, Finance; University of Wisconsin, Madison, PhD

Jason J. Guo

Research Associate Professor, Barnett Institute; University of
Connecticut, PhD

Surendra M. Gupta

Professor, Mechanical and Industrial Engineering; Purdue University, PhD

Andrei Guschin

Assistant Teaching Professor, Graduate School of Engineering; Russian
Academy of Sciences (Russian Federation), PhD

Philip Gust

Clinical Instructor, Computer and Information Science; University of
Arizona, MS

Barbara Guthrie

Professor, Nursing; New York University, PhD

H**Mohamed Habibullah**

Assistant Teaching Professor, Supply Chain and Information
Management; University of Missouri, Columbia, PhD

David Hagen

Assistant Teaching Professor, College of Professional Studies; New
England School of Law, JD

Michelle Hagopian

Assistant Cooperative Education Coordinator, College of Arts, Media and
Design; University of Illinois, MS

Jerome F. Hajjar

CDM Smith Professor in Civil Engineering, Civil and Environmental
Engineering; Cornell University, PhD

Golnoosh Hakimdavar

Associate Teaching Professor, College of Professional Studies; University
of Turin (Italy), PhD

Danielle Haley

Assistant Professor, Health Sciences; Emory University, PhD

Judith A. Hall

University Distinguished Professor, Psychology; Harvard University, PhD

James Halverson

Assistant Professor, Physics; University of Pennsylvania, PhD

Pauline Hamel

Associate Clinical Professor, Health Sciences; Boston University, EdD

Paul Hand

Assistant Professor, Mathematics and Computer and Information
Science; New York University, PhD

Michael Handel

Associate Professor, Sociology and Anthropology; Harvard University,
PhD

Nancy Hanrahan

Professor, Nursing; Boston College, PhD

Robert N. Hanson

Matthews Distinguished University Professor, Chemistry and Chemical
Biology; University of California, Berkeley, PhD

Sharon Harlan

Professor, Health Sciences and Sociology and Anthropology; Cornell
University, PhD

Kelly Harrington

Associate Cooperative Education Coordinator, D'Amore-McKim School of
Business; Suffolk University, MBA

Shaunna Harrington

Associate Academic Specialist, College of Professional Studies; Boston
University, MA

Vincent Harris

University Distinguished Professor, William Lincoln Smith Professor of Electrical and Computer Engineering, Electrical and Computer Engineering; Northeastern University, PhD

Vanecia Harrison

Associate Cooperative Education Coordinator, College of Science; Emmanuel College, MA

Casper Hartevelde

Assistant Professor, Game Design; Delft University of Technology (Netherlands), PhD

Woodrow Hartzog

Professor, Law and Computer and Information Science; University of North Carolina, Chapel Hill, PhD

Christopher Hasson

Assistant Professor, Physical Therapy, Movement, and Rehabilitation Sciences; University of Massachusetts, Amherst, PhD

Heather Hauck

Senior Cooperative Education Coordinator, D'Amore-McKim School of Business; Northeastern University, MS

Claudia Haupt

Associate Professor, Law and Political Science; Columbia University, JSD; University of Cologne (Germany), PhD

Thomas Havens

Professor, History; University of California, Berkeley, PhD

Lorna Hayward

Associate Professor, Physical Therapy, Movement, and Rehabilitation Sciences; Boston University, EdD

Haikun He

Assistant Academic Specialist, College of Professional Studies; Columbia University, MEd

Julia Hechtman

Lecturer, Art + Design; University of Illinois, Chicago, MFA

Meghan Heckman

Assistant Professor, Journalism; Northeastern University, MA

Gretchen Heefner

Associate Professor, History; Yale University, PhD

Donald E. Heiman

Professor, Physics; University of California, Irvine, PhD

Amy Helburn

Lorraine C. Snell Visiting Professor, Health Sciences; University of Massachusetts, PhD

Brian Helmuth

Professor, Marine and Environmental Sciences and Public Policy and Urban Affairs; University of Washington, PhD

Jason Hemann

Lecturer, Computer and Information Science; Indiana University, PhD

Carlene Hempel

Associate Teaching Professor, Journalism; University of North Carolina, Chapel Hill, MA

Dale Herbeck

Professor, Communication Studies; University of Iowa, PhD

Angela Herbert

Assistant Academic Specialist, American Sign Language; Northeastern University, BS

David A. Herlihy

Teaching Professor, Music; Boston College, JD

Catalina Herrera Almanza

Assistant Professor, Economics and International Affairs; Cornell University, PhD

Carie Hersh

Assistant Teaching Professor, Sociology and Anthropology; Duke University, JD

Kelsey Hersh

Assistant Cooperative Education Coordinator, D'Amore-McKim School of Business; Northeastern University, MS

Joshua Hertz

Assistant Teaching Professor, Engineering; Massachusetts Institute of Technology, PhD

Benjamin Hescott

Teaching Professor, Computer and Information Science; Boston University, PhD

Kamber Hetrick

Assistant Professor, Accounting; University of Illinois, Urbana-Champaign, PhD

Babak Heydari

Associate Professor, Mechanical and Industrial Engineering; University of California, Berkeley, PhD

Mary J. Hickey

Associate Clinical Professor, Physical Therapy, Movement, and Rehabilitation Sciences; Northeastern University, DPT

Carlos Hidrovo Chavez

Assistant Professor, Mechanical and Industrial Engineering; Massachusetts Institute of Technology, PhD

Logan M. Higgins

Lecturer, Biology; Massachusetts Institute of Technology, PhD

Malcolm D. Hill

Associate Professor, Marine and Environmental Sciences; University of California, Santa Cruz, PhD

Charles H. Hillman

Professor, Psychology and Health Sciences; University of Maryland, College Park, PhD

Robin Hillyard

Associate Teaching Professor, Graduate School of Engineering; Cambridge University (United Kingdom), PhD

John Hinson

Assistant Teaching Professor, Theatre; Brandeis University, MFA

Tad Hirsch

Professor, Art + Design; Massachusetts Institute of Technology, PhD

Hubert Ho

Lecturer, Music; University of California, Berkeley, PhD

Marie Odile Hobeika

Postdoctoral Teaching Associate, Communication Studies; University of Pittsburgh, PhD

Lynda Hodgson

Associate Teaching Professor, College of Professional Studies; Virginia Commonwealth University, PhD

Timothy Hoff

Professor, Management and Organizational Development and Public Policy and Urban Affairs; State University of New York, Albany, PhD

Jessica Hoffman

Associate Professor, Applied Psychology; Lehigh University, PhD

Uwe Hohgrawe

Assistant Teaching Professor, College of Professional Studies; University of Wuppertal (Germany), PhD

Udi Hoitash

Associate Professor and Cowan Research Professor, Accounting; Rutgers University, PhD

Trenton Honda

Assistant Clinical Professor, Physician Assistant Program; Northeastern University, PhD

Michael J. Hoppmann

Associate Teaching Professor, Communication Studies; University of Tübingen (Germany), PhD

Adam Hosein

Associate Professor, Philosophy and Religion; Massachusetts Institute of Technology, PhD

Elizabeth M. Howard

Associate Professor, Nursing; Boston College, PhD

Jeffrey P. Howe

Assistant Professor, Journalism; Boston University, MFA

Hanchen Huang

Donald D. Smith Professor in Mechanical Engineering, Mechanical and Industrial Engineering; University of California, Los Angeles, PhD

Anne R. Hughes

Associate Professor, Marine and Environmental Sciences; University of California, Davis, PhD

Francisco Hung

Associate Professor, Chemical Engineering; North Carolina State University, PhD

Matthew Hunt

Professor, Sociology and Anthropology; Indiana University, PhD

Patrick Hurley

Assistant Professor, Accounting; University of Wisconsin, Madison, PhD

Mark Huselid

Distinguished Professor of Workforce Analytics, International Business and Strategy; State University of New York, Buffalo, PhD

I**Roxana E. Iacob**

Research Associate Professor, Chemistry and Chemical Biology; Konstanz University (Germany), PhD

Anthony Iarrobino

Professor, Mathematics; Massachusetts Institute of Technology, PhD

Patricia Illingworth

Professor, Philosophy and Religion; University of California, San Diego, PhD; Boston University, JD

Jennifer Ingemi

Assistant Teaching Professor, Behavioral Neuroscience; University of Massachusetts, PhD

Vinay K. Ingle

Associate Professor, Electrical and Computer Engineering; Rensselaer Polytechnic Institute, PhD

Francesca Inglese

Assistant Professor, Music; Brown University, PhD

Rei Inouye

Associate Teaching Professor, World Languages Center; Temple University, PhD

Stephen S. Intille

Associate Professor, Computer and Information Science and Health Sciences; Massachusetts Institute of Technology, PhD

Efstratios Ioannidis

Assistant Professor, Electrical and Computer Engineering; University of Toronto (Canada), PhD

Roderick Ireland

Distinguished Professor, Criminology and Criminal Justice; Harvard University, LLM; Northeastern University, PhD

Derek M. Isaacowitz

Professor, Psychology; University of Pennsylvania, PhD

Jacqueline A. Isaacs

Professor, Mechanical and Industrial Engineering; Massachusetts Institute of Technology, PhD

Michelle L. Israel

Associate Cooperative Education Coordinator, College of Science; Northeastern University, MS

Nathan E. Israeloff

Associate Professor, Physics; University of Illinois, Urbana-Champaign, PhD

Alexander R. Ivanov

Associate Professor, Chemistry and Chemical Biology; Russian Academy of Science, Institute of Bioorganic Chemistry (Moscow), PhD

Maura Daly Iversen

Professor, Physical Therapy, Movement, and Rehabilitation Sciences; Harvard University, SD; Massachusetts General Hospital Institute of Health Professions, DPT

Julia Ivy

Associate Teaching Professor, International Business and Strategy; Lancaster University (United Kingdom), PhD

J**Denise Jackson**

Associate Professor, Psychology; University of Pittsburgh, PhD

Ellen Jackson

Assistant Teaching Professor, Writing Program; Stanford University, MFA

Sarah Jackson

Assistant Professor, Communication Studies; University of Minnesota, PhD

William J. Jackson

Senior Cooperative Education Coordinator, College of Arts, Media and Design; University of Massachusetts, Boston, MEd

Michelle Jacobs

Assistant Clinical Professor, Pharmacy and Health Systems Sciences; University of California, San Francisco, PharmD

Beverly Jaeger-Helton

Teaching Professor, Mechanical and Industrial Engineering; Northeastern University, PhD

Michael Jaeggli

Assistant Teaching Professor, Bioengineering; Clemson University, PhD

Nader Jalili

Professor, Mechanical and Industrial Engineering; University of Connecticut, PhD

Safa Jamali

Assistant Professor, Mechanical and Industrial Engineering; Case Western Reserve University, PhD

Bogume Jang

Lecturer, Mathematics; Purdue University, PhD

Solomon M. Jekel

Associate Professor, Mathematics; Dartmouth College, PhD

Qingying Jia

Research Assistant Professor, Chemistry and Chemical Biology; Illinois Institute of Technology, PhD

Benedict Jimenez

Associate Professor, Political Science; University of Illinois, Chicago, PhD

Holly Jimison

Professor of the Practice, Computer and Information Science and Nursing; Stanford University, PhD

Xiaoning Jin

Assistant Professor, Mechanical and Industrial Engineering; University of Michigan, PhD

Xuemin Jin

Associate Teaching Professor, Mechanical and Industrial Engineering; University of Maryland, PhD

Donghee Jo

Assistant Professor, Economics; Duke University, MA

Dinesh John

Assistant Professor, Health Sciences; University of Tennessee, PhD

Brooke Johnson

Assistant Cooperative Education Coordinator, D'Amore-McKim School of Business; Boston College, MEd

Steven Johnson

Assistant Cooperative Education Coordinator, College of Engineering; Suffolk University, MS

Vanessa D. Johnson

Associate Professor, Applied Psychology; Western Michigan University, PhD

Kimberly Jones

Associate Teaching Professor, International Affairs; Northeastern University, PhD

Rachel Jones

Associate Professor, Nursing; New York University, PhD

Thomas Jones

Associate Professor, Sociology and Anthropology and Sociology and Anthropology; Princeton University, PhD

Dierdre Jordan

Associate Cooperative Education Coordinator, Bouvé College of Health Sciences; Northeastern University, MS

Tiffany Joseph

Associate Professor, Sociology and Anthropology and International Affairs; University of Michigan, PhD

Alison Joyce

Assistant Cooperative Education Coordinator, College of Engineering; Ohio University, MEd

Maria Jump

Associate Teaching Professor, Computer and Information Science; University of Texas, Austin, PhD

Yung Joon Jung

Professor, Mechanical and Industrial Engineering; Rensselaer Polytechnic Institute, PhD

Jeffrey Juris

Associate Professor, Sociology and Anthropology; University of California, Berkeley, PhD

K**David R. Kaeli**

College of Engineering Distinguished Professor, Electrical and Computer Engineering; Rutgers University, PhD

Sallyann Kakas

Assistant Cooperative Education Coordinator, Finance; Northeastern University, BS

Jayant Kale

Professor and Philip R. McDonald Chair, Finance; University of Texas, Austin, PhD

Sagar V. Kamarthi

Professor, Mechanical and Industrial Engineering; Pennsylvania State University, PhD

John Kane

Lecturer, Art + Design; Yale University, BA

Mary M. Kane

Senior Cooperative Education Coordinator, D'Amore-McKim School of Business; University of Massachusetts, Boston, ME

Michael Kane

Assistant Professor, Civil and Environmental Engineering; University of Michigan, PhD

Sarah Kanouse

Associate Professor, Art + Design; University of Illinois, Urbana-Champaign, MFA

Carla Kaplan

Davis Distinguished Professor in American Literature, English and Women's, Gender, and Sexuality Studies; Northwestern University, PhD

Swastik Kar

Associate Professor, Physics; Indian Institute of Physics (India), PhD

Samina Karim

Professor, Entrepreneurship and Innovation; University of Michigan, PhD

Alain S. Karma

College of Arts and Sciences Distinguished Professor, Physics; University of California, Santa Barbara, PhD

Edward Katz

Associate Teaching Professor, Computer and Information Science; University of Louisiana, Lafayette, PhD

Ralph Katz

Professor, Entrepreneurship and Innovation; University of Pennsylvania, PhD

Jonathan Kaufman

Professor, Journalism; Harvard University, MA

William Kay

Associate Professor, Political Science; Indiana University, PhD

Bret Keeling

Associate Teaching Professor, Writing Program; University of Washington, PhD

Maureen Kelleher

Associate Professor, Sociology and Anthropology; University of Missouri, Columbia, PhD

Karen P. Kelley

Senior Cooperative Education Coordinator, College of Engineering; Northeastern University, MEd

Ryann Kelley

Associate Cooperative Education Coordinator, Finance; Northeastern University, MEd

Thomas M. Kelley

Lecturer, Physics; University of Minnesota, PhD

Kathleen Kelly

Professor, English; University of North Carolina, Chapel Hill, PhD

Mary Kelting

Associate Professor, Philosophy and Religion; University of Wisconsin, Madison, PhD

Daniel D. Kennedy

Associate Professor, Journalism; Boston University, MLA

Aileen Kent Yates

Assistant Cooperative Education Coordinator, College of Computer and Information Science; University of Massachusetts, Amherst, BA

Heidi Kevoe Feldman

Associate Professor, Communication Studies; Rutgers University, PhD

Leila Keyvani Someh

Assistant Teaching Professor, Engineering; Northeastern University, PhD

Ban-An Khaw

Professor, Pharmaceutical Sciences; Boston College, PhD

Konstantin Khrapko

Professor, Biology and Pharmaceutical Sciences; Engelhardt Institute of Molecular Biology, Moscow (Russia), PhD

Ilham Khuri-Makdisi

Associate Professor, History; Harvard University, PhD

Sheri Kiami

Assistant Clinical Professor, Physical Therapy, Movement, and Rehabilitation Sciences; Simmons College, DPT

Angela Kilby

Assistant Professor, Economics; Massachusetts Institute of Technology, PhD

Daniel Kim

Associate Professor, Health Sciences; University of Toronto (Canada), MD; Harvard University, PhD

Eunsong Kim

Assistant Professor, English; University of Texas, Austin, PhD

Jonghan Kim

Assistant Professor, Pharmaceutical Sciences; Ohio State University, PhD

Miso Kim

Assistant Professor, Art + Design; Carnegie Mellon University, PhD

Nancy S. Kim

Associate Professor, Psychology; Yale University, PhD

Somy Kim

Associate Teaching Professor, Writing Program; University of California, San Diego, PhD

Tiffany Kim

Assistant Clinical Professor, Nursing; University of Pennsylvania, PhD

Yong-Bin Kim

Professor, Electrical and Computer Engineering; Colorado State University, PhD

John Kimani

Assistant Teaching Professor, Electrical and Computer Engineering; University of Wisconsin, Milwaukee, PhD

David L. Kimbro

Assistant Professor, Marine and Environmental Sciences; University of California, Davis, PhD

Nancy Kimelman

Assistant Teaching Professor, Economics; Brown University, PhD

Nancy Kindelan

Professor, Theatre; University of Wisconsin, Madison, PhD

Christopher K. King

Professor, Mathematics; Harvard University, PhD

Donald R. King

Associate Professor, Mathematics; Massachusetts Institute of Technology, PhD

Margaret Kirchoff

Assistant Teaching Professor, College of Professional Studies; George Washington University, EdD

Engin Kirda

Professor, Computer and Information Science and Electrical and Computer Engineering; Technical University of Vienna (Austria), PhD

Rein U. Kirss

Associate Professor, Chemistry and Chemical Biology; University of Wisconsin, Madison, PhD

Jennifer L. Kirwin

Clinical Professor, Pharmacy and Health Systems Sciences; Northeastern University, PharmD

Risa Kitagawa

Assistant Professor, Political Science and International Affairs; Stanford University, PhD

Mark Kjellman

Assistant Teaching Professor, Writing Program; Boston University, PhD

Alan Klein

Professor, Sociology and Anthropology; State University of New York, Buffalo, PhD

Sarah Klionsky

Assistant Cooperative Education Coordinator, College of Science; University of Wisconsin, Madison, MA

Kristian Kloeckl

Associate Professor, Art + Design and Architecture; University of Venice (Italy), PhD

Thomas Koenig

Professor, Sociology and Anthropology; University of California, Santa Barbara, PhD

Mieczyslaw M. Kokar

Professor, Electrical and Computer Engineering; University of Wroclaw (Poland), PhD

Tali Konry

Assistant Professor, Pharmaceutical Sciences; Ben Gurion University (Israel), PhD

Constantin Konstantopoulos

Associate Teaching Professor, Graduate School of Engineering; Boston University, PhD

Abigail N. Koppes

Assistant Professor, Chemical Engineering; Rensselaer Polytechnic Institute, PhD

Ryan Koppes

Assistant Professor, Chemical Engineering; Rensselaer Polytechnic Institute, PhD

Sarah Kostanski

Assistant Cooperative Education Coordinator, College of Engineering; Framingham State University, MS

Ilka Kostka

Assistant Teaching Professor, College of Professional Studies; New York University, PhD

Harilaos Koutsopoulos

Professor, Civil and Environmental Engineering; Massachusetts Institute of Technology, PhD

Linda Kowalcky

Professor of the Practice, Public Policy and Urban Affairs; Johns Hopkins University, PhD

Gregory J. Kowalski

Associate Professor, Mechanical and Industrial Engineering; University of Wisconsin, Madison, PhD

Sergey Kravchenko

Professor, Physics; Institute of Solid State Physics (Russia), PhD

Caroline Krehbiel

Visiting Assistant Professor, Applied Psychology; Lehigh University, PhD

Dmitri Krioukov

Associate Professor, Physics; Old Dominion University, PhD

Ganesh Krishnamoorthy

Professor, Accounting; University of Southern California, PhD

Karthik Krishnan

Associate Professor, Finance; Boston College, PhD

Louis J. Kruger

Associate Professor, Applied Psychology; Rutgers University, PsyD

Laura Kuhl

Assistant Professor, Public Policy and Urban Affairs and International Affairs; Tufts University, PhD

Abhishek Kumar

Assistant Teaching Professor, Mechanical and Industrial Engineering; University of Michigan, PhD

Venkat Kuppuswamy

Assistant Professor, Entrepreneurship and Innovation; Harvard Business School, DBA

Jessica Kurr

Postdoctoral Teaching Associate, Communication Studies; Pennsylvania State University, PhD

Steven R. Kursh

Associate Academic Specialist, Finance; University of Pennsylvania, PhD

John Kwoka

Neal F. Finnegan Distinguished Professor, Economics; University of Pennsylvania, PhD

L**Michelle Laboy**

Assistant Professor, Architecture; University of Michigan, MArch

John LaBrie

Professor of the Practice, College of Professional Studies; University of Pennsylvania, EdD

Jamie Ladge

Associate Professor, Management and Organizational Development; Boston College, PhD

Jay Laird

Assistant Teaching Professor, College of Professional Studies; Lesley University, MFA

Venkatraman Lakshmbai

Professor, Mathematics; Tata University (India), PhD

Charlotte Lam

Assistant Cooperative Education Coordinator, College of Science; California State University, Sacramento, MA

Joan LaMachia

Associate Cooperative Education Coordinator, College of Social Sciences and Humanities; Boston College, MEd

Anna Lamin

Associate Professor and Matthew Eagan Faculty Fellow, International Business and Strategy; University of Minnesota, PhD

Jason Lancaster

Associate Clinical Professor, Pharmacy and Health Systems Sciences; Massachusetts College of Pharmacy, PharmD

William Lancaster

Senior Lecturer, Communication Studies; Michigan State University, MA

Lucas J. Landherr

Associate Teaching Professor, Chemical Engineering; Cornell University, PhD

Theodore Landsmark

Distinguished Professor, Public Policy and Urban Affairs; Boston University, PhD

Henry W. Lane

Professor, International Business and Strategy; Harvard University, DBA

David Lang

Lecturer, Mathematics; Boston College, PhD; Northeastern University, PhD

Timothy Lannin

Assistant Teaching Professor, Bioengineering; Cornell University, PhD

Amy Lantinga

Associate Teaching Professor, College of Professional Studies; University of Tennessee, EdD

Denise Lapon Garcia

Associate Professor, Political Science and International Affairs; University of Geneva (Switzerland), PhD

Philip Larese-Casanova

Associate Professor, Civil and Environmental Engineering; University of Iowa, PhD

Sonya L. Larrieux

Associate Clinical Professor, Physical Therapy, Movement, and Rehabilitation Sciences; Northeastern University, PhD

Barbara Larson

Associate Academic Specialist, Management and Organizational Development; Harvard Business School, DBA

Elizabeth Larson

Assistant Cooperative Education Coordinator, D'Amore-McKim School of Business; Northeastern University, MBA

Kimberly Larson

Associate Teaching Professor, College of Professional Studies; Drexel University, PhD

Felicia G. Lassk

Associate Professor, Marketing; University of South Florida, PhD

Amanda Reeser Lawrence

Associate Professor, Architecture; Harvard University, PhD

David M. Lazer

Distinguished Professor, Political Science and Computer and Information Science; University of Michigan, Ann Arbor, PhD

Christina Lee

Assistant Professor, Applied Psychology; New York University, PhD

Cynthia Lee

Professor, Management and Organizational Development; University of Maryland, PhD

Doreen Lee

Associate Professor, Sociology and Anthropology; Cornell University, PhD

Jung Lee

Associate Professor, Philosophy and Religion; Brown University, PhD

Kristen Lee

Associate Teaching Professor, College of Professional Studies; Northeastern University, EdD

Lee-Peng Lee

Lecturer, Mathematics; Massachusetts Institute of Technology, PhD

Matt Lee

Teaching Professor, Human Services; University of Illinois, Urbana-Champaign, PhD

Yang W. Lee

Associate Professor, Supply Chain and Information Management; Massachusetts Institute of Technology, PhD

Carolyn W. T. Lee-Parsons

Associate Professor, Chemical Engineering and Chemistry and Chemical Biology; Cornell University, PhD

Miriam E. Leeser

Professor, Electrical and Computer Engineering; Cambridge University (United Kingdom), PhD

Laurel Leff

Associate Professor, Journalism; Yale University, MA

Lori Lefkowitz

Ruderman Professor of Jewish Studies, Jewish Studies and English; Brown University, PhD

Patrick Legros

Distinguished Professor, Economics; California Institute of Technology, PhD

Bradley M. Lehman

Professor, Electrical and Computer Engineering; Georgia Institute of Technology, PhD

Robert Lentz

Associate Academic Specialist, Entrepreneurship and Innovation; Babson College, MBA

Benjamin Lerner

Assistant Teaching Professor, Computer and Information Science; University of Washington, PhD

Neal Lerner

Professor, English; Boston University, EdD

Marina Leslie

Associate Professor, English; Yale University, PhD

Hanoch Lev-Ari

Professor, Electrical and Computer Engineering; Stanford University, PhD

Danielle Levac

Assistant Professor, Physical Therapy, Movement, and Rehabilitation Sciences; McMaster University (Canada), PhD

Tatyana Levchenko

Research Assistant Professor, Pharmaceutical Sciences; Academy of Medical Sciences Moscow (Russia), PhD

Yiannis A. Levendis

College of Engineering Distinguished Professor, Mechanical and Industrial Engineering; California Institute of Technology, PhD

Elinor Levine

Assistant Cooperative Education Coordinator, D'Amore-McKim School of Business; University of Massachusetts, Amherst, MEd

Herbert Levine

Professor, Physics and Bioengineering; Princeton University, PhD

Kim Lewis

University Distinguished Professor, Biology; Moscow University (Russia), PhD

Laura H. Lewis

Cabot Professor, Chemical Engineering and Mechanical and Industrial Engineering; University of Texas, Austin, PhD

David J. Lewkowicz

Professor, Communication Sciences and Disorders; City University of New York, Hunter College, PhD

Ang Li

Assistant Professor, Architecture; Princetown University, MArch

Chieh Li

Associate Professor, Applied Psychology; University of Massachusetts, Amherst, EdD

Rui Li

Associate Clinical Professor, Health Sciences; Baylor University, PhD

Robert Lieb

Professor, Supply Chain and Information Management; University of Maryland, DBA

Karl J. Lieberherr

Professor, Computer and Information Science; Eidgenössische Technische Hochschule Zürich (Switzerland), PhD

Karin N. Lifter

Professor, Applied Psychology; Columbia University, PhD

Xue Lin

Assistant Professor, Electrical and Computer Engineering; University of Southern California, PhD

Yingzi Lin

Associate Professor, Mechanical and Industrial Engineering; University of Saskatchewan (Canada), PhD

Alisa K. Lincoln

Professor, Sociology and Anthropology and Health Sciences; Columbia University, PhD

Katherine Lind

Postdoctoral Teaching Associate, Communication Studies; Indiana University, PHD

John J. Lindhe

Senior Lecturer, Mathematics; Northeastern University, MA

Gabor P. Lippner

Assistant Professor, Mathematics; Eotvos University (Hungary), PhD

James Lipsky

Associate Academic Specialist, American Sign Language; Boston University, MA

Heather A. Littlefield

Associate Teaching Professor, Linguistics; Boston University, PhD

Kelvin Liu

Associate Professor, Accounting; University of South Carolina, PhD

Xiaoping Liu

Visiting Assistant Professor, Supply Chain and Information Management; University of Massachusetts, Lowell, PhD

Yang Liu

Assistant Professor, Mechanical and Industrial Engineering; Columbia University, PhD

Yongmin Liu

Assistant Professor, Mechanical and Industrial Engineering and Electrical and Computer Engineering; University of California, Berkeley, PhD

Ioannis Livanis

Associate Teaching Professor, International Affairs and Political Science; University of Florida, PhD

Carol Livermore

Associate Professor, Mechanical and Industrial Engineering; Harvard University, PhD

Martha Loftus

Assistant Teaching Professor, College of Professional Studies; Harvard University, EdD

Diomedes E. Logothetis

Professor, Pharmaceutical Sciences; Harvard University, PhD

Mark Lomanno

Visiting Assistant Teaching Professor, Music; University of Texas, Austin, PhD

Fabrizio Lombardi

International Test Conference Professor, Electrical and Computer Engineering; University of London (United Kingdom), PhD

Marissa Lombardi

Assistant Teaching Professor, College of Professional Studies; Northeastern University, EdD

Guido Lopez

Associate Teaching Professor, College of Professional Studies; Northeastern University, PhD

Steven A. Lopez

Assistant Professor, Chemistry and Chemical Biology; University of California, Los Angeles, PhD

Connie Lorette

Assistant Clinical Professor, Nursing; Boston College, PhD

Ralph H. Loring

Associate Professor, Pharmaceutical Sciences; Cornell University, PhD

Ivan Loseu

Professor, Mathematics; Moscow State University (Russia), PhD

Daniel Lothian

Visiting Scholar, Journalism; American University, MA

Kathleen E. Lotterhos

Assistant Professor, Marine and Environmental Sciences; Florida State University, PhD

Salim A. Lotuff III

Teaching Professor, Communication Studies; Northeastern University, MA

Deirdre Loughridge

Assistant Professor, Music; University of Pennsylvania, PhD

Jennifer O. Love

Associate Academic Specialist, Engineering; University of Iowa, MS

Timothy Love

Associate Professor, Architecture; Harvard University, MArch

William Lovely

Assistant Academic Specialist, International Business and Strategy; Northeastern University, DLP

Amy Shirong Lu

Assistant Professor, Communication Studies and Health Sciences; University of North Carolina, Chapel Hill, PhD

Long Lu

Assistant Professor, Computer and Information Science; Georgia Institute of Technology, PhD

Mary Ludden

Assistant Teaching Professor, College of Professional Studies; Walden University, PhD

Razvan Lungeanu

Assistant Professor, Entrepreneurship and Innovation; Northwestern University, PhD

Katherine Luongo

Associate Professor, History; University of Michigan, Ann Arbor, PhD

Steven Lustig

Associate Professor, Chemical Engineering; Purdue University, PhD

David E. Luzzi

Professor, Mechanical and Industrial Engineering; Northwestern University, PhD

Vasiliki Lykourinou

Assistant Teaching Professor, Chemistry and Chemical Biology; University of South Florida, PhD

M**Jun Ma**

Associate Professor, Economics; University of Washington, PhD

Kayse Maass

Assistant Professor, Mechanical and Industrial Engineering; University of Michigan, PhD

Patricia A. Mabrouk

Professor, Chemistry and Chemical Biology; Massachusetts Institute of Technology, PhD

Esther MacKenzie

Visiting Clinical Instructor, Nursing; Boston University, MA

Andrew Mackie

Assistant Clinical Professor, Physician Assistant Program; University of Nebraska, MS

Emanuele Macri

Associate Professor, Mathematics; SISSA (Italy), PhD

Jeanne Madden

Associate Professor, Pharmacy and Health Systems Sciences; Harvard University, PhD

Kristin Madison

Professor, Health Sciences and Law; Stanford University, PhD

Tracy Magee

Assistant Clinical Professor, Nursing; Boston College, PhD

Bala Maheswaran

Teaching Professor, Engineering; Northeastern University, PhD

Debra Mahfouz

Associate Clinical Professor, Pharmacy and Health Systems Sciences; University of Rhode Island, PharmD

Elizabeth Mahler

Associate Teaching Professor, College of Professional Studies; George Washington University, EdD

Luigia Maiellaro

Teaching Professor, World Languages Center; Russian State University for the Humanities (Russia), PhD

Lee Makowski

Professor, Bioengineering and Chemistry and Chemical Biology; Massachusetts Institute of Technology, PhD

Purnima Makris

Associate Professor, Electrical and Computer Engineering; Massachusetts Institute of Technology, PhD

Alexandros Makriyannis

George D. Behrakis Chair and Professor, Center for Drug Discovery and Chemistry and Chemical Biology; University of Kansas, PhD

Michael Malamas

Research Associate Professor, Center for Drug Discovery and Chemistry and Chemical Biology; University of Pennsylvania, PhD

Mario Maletta

Professor, Accounting; University of Massachusetts, Amherst, PhD

Shiti Malhotra

Lecturer, Linguistics; University of Maryland, PhD

Veronika Maliborska

Assistant Teaching Professor, College of Professional Studies; Purdue University, PhD

Mikhail B. Malioutov

Professor, Mathematics; Moscow State University (Russia), PhD

Andrew Mall

Assistant Professor, Music; University of Chicago, PhD

Craig E. Maloney

Associate Professor, Mechanical and Industrial Engineering; University of California, Santa Barbara, PhD

Roman Manetsch

Associate Professor, Chemistry and Chemical Biology and Pharmaceutical Sciences; University of Basel (Switzerland), PhD

John Manfredelli

Professor of the Practice, Computer and Information Science; University of California, Berkeley, PhD

Swapnil Maniar

Professor of the Practice, Health Sciences; Johns Hopkins University, PhD

Justin Manjourides

Assistant Professor, Health Sciences; Harvard University, PhD

Emily Mann

Teaching Professor, Human Services; University of Wisconsin, Madison, PhD

James M. Manning

Professor, Biology; Tufts University, PhD

Peter Manning

Elmer V.H. and Eileen M. Brooks Chair in Policing, Criminology and Criminal Justice; Duke University, PhD

Maira Mannix Votel

Associate Cooperative Education Coordinator, Bouvé College of Health Sciences; Columbia University, MA

Peter Manolios

Professor, Computer and Information Science; University of Texas, Austin, PhD

Valentina Marano

Assistant Professor, International Business and Strategy; University of South Carolina, PhD

Janice Maras

Assistant Teaching Professor, Health Sciences; Northeastern University, EdD

Krassimir Marchev

Professor of the Practice, College of Professional Studies; Northeastern University, PhD

Edwin Marengo Fuentes

Associate Professor, Electrical and Computer Engineering; Northeastern University, PhD

Donald G. Margotta

Associate Professor, Finance; University of North Carolina, Chapel Hill, PhD

Alina Marian

Professor, Mathematics; Harvard University, PhD

Tucker Marion

Associate Professor, Entrepreneurship and Innovation; Pennsylvania State University, PhD

Robert S. Markiewicz

Professor, Physics; University of California, Berkeley, PhD

Alycia Markowski

Associate Clinical Professor, Physical Therapy, Movement, and Rehabilitation Sciences; Northeastern University, DPT

Mindy Marks

Associate Professor, Economics; Washington University, PhD

Stacy Marsella

Professor, Computer and Information Science and Psychology; Rutgers University, PhD

Ineke Marshall

Professor, Sociology and Anthropology and Criminology and Criminal Justice; Bowling Green State University, PhD

Dayna L. Martinez

Assistant Teaching Professor, Mechanical and Industrial Engineering; University of South Florida, Tampa, PhD

Ramiro Martinez

Professor, Criminology and Criminal Justice and Sociology and Anthropology; Ohio State University, PhD

José Angel Martínez-Lorenzo

Assistant Professor, Mechanical and Industrial Engineering and Electrical and Computer Engineering; Universidad de Vigo (Spain), PhD

Alexander Martsinkovsky

Associate Professor, Mathematics; Brandeis University, PhD

David Massey

Professor, Mathematics; Duke University, PhD

Jude E. Mathews

Associate Teaching Professor, Chemistry and Chemical Biology; Clemson University, PhD

Kristen Mathieu Gonzalez

Clinical Instructor, Nursing; University of Phoenix, MS

Daniele Mathras

Assistant Professor, Marketing; Arizona State University, PhD

Thomas M. Matta

Assistant Clinical Professor, Pharmacy and Health Systems Sciences; Xavier University of Louisiana, PharmD

Carla Mattos

Professor, Chemistry and Chemical Biology; Massachusetts Institute of Technology, PhD

Lucy Maulsby

Associate Professor, Architecture; Columbia University, PhD

Ernest Mauristhene

Associate Cooperative Education Coordinator, D'Amore-McKim School of Business; Hardin-Simmons University, MBA

Jessica Maxwell

Associate Clinical Professor, Physical Therapy, Movement, and Rehabilitation Sciences; Boston University, PhD; Massachusetts General Hospital Institute of Health Professions, DPT

William Mayer

Professor, Political Science; Harvard University, PhD

Mary Mayville

Assistant Clinical Professor, Nursing; Northeastern University, DNP

Dori P. Mazor

Associate Cooperative Education Coordinator, College of Arts, Media and Design; Brandeis University, MBA

Charn McAllister

Assistant Professor, Management and Organizational Development; Florida State University, PhD

Michelle McAllister

Visiting Assistant Professor, Accounting; Florida State University, PhD

Laurie McCadden

Clinical Instructor, Nursing; University of Massachusetts, Lowell, MSN

Paulette McCarty

Assistant Academic Specialist, Management and Organizational Development; University of Tennessee, PhD

Jane McCool

Assistant Clinical Professor, Nursing; University of Rhode Island, PhD

Al McCreedy

Assistant Teaching Professor, College of Professional Studies; George Washington University, PhD

Eileen McDonagh

Professor, Political Science; Harvard University, PhD

Ann McDonald

Associate Professor, Art + Design; Yale University, MFA

Matthew McDonald

Associate Professor, Music; Yale University, PhD

Brianne McDonough

Assistant Cooperative Education Coordinator, College of Computer and Information Science; Salem State University, MS

Melissa McElligott

Assistant Teaching Professor, Biology; Northeastern University, PhD

Seamus McGovern

Lecturer, Supply Chain and Information Management; Northeastern University, PhD

Nicol E. McGruer

Professor, Electrical and Computer Engineering; Michigan State University, PhD

Jean McGuire

Professor of the Practice, Health Sciences; Brandeis University, PhD

Hugh McManus

Associate Teaching Professor, Mechanical and Industrial Engineering; Stanford University, PhD

Cristine McMartin-Miller

Associate Teaching Professor, College of Professional Studies; Purdue University, PhD

Joseph McNabb

Professor of the Practice, College of Professional Studies; Northeastern University, PhD

Robert C. McOwen

Professor, Mathematics; University of California, Berkeley, PhD

Frances Nelson McSherry

Teaching Professor, Theatre; New York University, MFA

Iraz Mehdi

Assistant Cooperative Education Coordinator, College of Engineering; California State University, Long Beach, MS

Emanuel S. Melachrinoudis

Professor, Mechanical and Industrial Engineering; University of Massachusetts, Amherst, PhD

Waleed Meleis

Associate Professor, Electrical and Computer Engineering; University of Michigan, PhD

Susan L. Mello

Assistant Professor, Communication Studies; University of Pennsylvania, PhD

Tina J. Mello

Assistant Cooperative Education Coordinator, College of Science; Boston College, MA

Richard H. Melloni Jr.

Professor, Psychology; University of Massachusetts, PhD

Tommaso Melodia

Associate Professor, Electrical and Computer Engineering; Georgia Institute of Technology, PhD

Latika Menon

Associate Professor, Physics; Tata Institute of Fundamental Research, Bombay (India), PhD

Francisco Mesch

Assistant Cooperative Education Coordinator, College of Computer and Information Science; Washington State University, MS

Hameed Metghalchi

Professor, Mechanical and Industrial Engineering; Massachusetts Institute of Technology, ScD

Laura Meyer

Assistant Cooperative Education Coordinator, Graduate School of Engineering; Cleveland State University, MEd

Marc H. Meyer

Robert J. Shillman Professor of Entrepreneurship and Matthews Distinguished University Professor, Entrepreneurship and Innovation; Massachusetts Institute of Technology, PhD

Michael Meyer

Associate Teaching Professor, Philosophy and Religion; Boston University, PhD

Ningfang Mi

Associate Professor, Electrical and Computer Engineering; University of Texas, Dallas, MS

Vidoje Mihajlovikj

Lecturer, Computer and Information Science; Clarkson University, PhD

Lara Milane

Assistant Teaching Professor, Pharmaceutical Sciences; Northeastern University, PhD

Loiza Miles

Assistant Academic Specialist, World Languages Center; Sorbonne University (France), MA

William Miles

Professor, Political Science; Tufts University, PhD

Danielle M. Miller

Assistant Clinical Professor, Pharmacy and Health Systems Sciences; Northeastern University, PharmD

Edward Miller

Assistant Teaching Professor, College of Professional Studies; Boston College, PhD

Gregory Miller

Associate Professor, Pharmaceutical Sciences; University of New York, PhD

Heather Miller

Assistant Clinical Professor, Computer and Information Science; Ecole Polytechnique Federale de Lausanne (Switzerland), PhD

Joanne L. Miller

Matthews Distinguished University Professor, Psychology; University of Minnesota, PhD

Matthew Miller

Professor, Health Sciences; Yale University, MD; Harvard University, ScD

Renee Miller

Distinguished Professor, Computer and Information Science; University of Wisconsin, Madison, PhD

Ennio Mingolla

Professor, Communication Sciences and Disorders; University of Connecticut, PhD

Marilyn L. Minus

Associate Professor, Mechanical and Industrial Engineering; Georgia Institute of Technology, PhD

Alan Mislove

Associate Professor, Computer and Information Science; Rice University, PhD

Cheryl Mitteness

Academic Specialist, Entrepreneurship and Innovation; University of Louisville, PhD

Nancy Mizzoni

Clinical Instructor, Nursing; Northeastern University, MS

Anahit Mkrtchyan

Assistant Professor, Finance; Pennsylvania State University, PhD

Sarah Mockler

Assistant Cooperative Education Coordinator, College of Engineering; Boston College, MA

Alicia Modestino

Associate Professor, Public Policy and Urban Affairs and Economics; Harvard University, PhD

Valentine Moghadam

Professor, International Affairs; American University, PhD

Mohsen Moghaddam

Assistant Professor, Mechanical and Industrial Engineering; Purdue University, PhD

Shan Mohammed

Associate Clinical Professor, Health Sciences; Case Western Reserve University, MD

Changiz Mohiyeddini

Associate Professor, Applied Psychology; University of Trier (Germany), PsyD

Beth Molnar

Associate Professor, Health Sciences; Harvard University, ScD

James Monaghan

Assistant Professor, Biology; University of Kentucky, PhD

Yasmil Montes

Assistant Cooperative Education Coordinator, College of Computer and Information Science; Cambridge College, MS

Susan F. Montgomery

Senior Academic Specialist, Entrepreneurship and Innovation and Law; Northeastern University, JD

Robert M. Mooradian

Professor and Harding Research Professor, Finance; University of Pennsylvania, PhD

Rebekah Moore

Visiting Assistant Professor, Music; Indiana University, PhD

Enrique F. Moreno

Senior Lecturer, Physics; Universidad Nacional de La Plata (Argentina), PhD

Kimberly Moreno

Professor, Accounting; University of Massachusetts, Amherst, PhD

Joanne Morreale

Associate Professor, Media and Screen Studies; Temple University, PhD

Mounira Morris

Assistant Teaching Professor, College of Professional Studies; University of Massachusetts, Amherst, EdD

Kristen Morse

Assistant Cooperative Education Coordinator, Bouvé College of Health Sciences; Ithaca College, DPT

Hossein Mosallaei

Professor, Electrical and Computer Engineering; University of California, Los Angeles, PhD

Edward Moss

Associate Teaching Professor, Writing Program; Emerson College, MFA

Lorraine Ann Mountain

Senior Cooperative Education Coordinator, College of Engineering; Tufts University, MS

Amy Mueller

Assistant Professor, Civil and Environmental Engineering and Marine and Environmental Sciences; Massachusetts Institute of Technology, PhD

Sinan Muftu

Professor, Mechanical and Industrial Engineering; University of Rochester, PhD

Tania Muino

Assistant Academic Specialist, World Languages Center; University of Barcelona (Spain), MA

Sanjeev Mukerjee

Professor, Chemistry and Chemical Biology; Texas AM University, PhD

Jay Mulki

Associate Professor, Marketing; University of South Florida, PhD

Anthony Mullen

Associate Teaching Professor, Computer and Information Science; University of Groningen (Netherlands), PhD

Patrick Mullen

Associate Professor, English; University of Pittsburgh, PhD

Seth Mulliken

Assistant Teaching Professor, Media and Screen Studies; North Carolina State University, PhD

Samuel E. Munoz

Assistant Professor, Marine and Environmental Sciences and Civil and Environmental Engineering; University of Wisconsin, Madison, PhD

Kellianne Murphy

Senior Cooperative Education Coordinator, College of Arts, Media and Design; Northeastern University, MA

Lauren A. Murphy

Assistant Clinical Professor, Physical Therapy, Movement, and Rehabilitation Sciences; Portland State University, PhD

Robert Murray

Assistant Academic Specialist, Supply Chain and Information Management; Harvard Business School, MBA

Shashi K. Murthy

Professor, Chemical Engineering; Massachusetts Institute of Technology, PhD

Hande Musdal Ondemir

Assistant Teaching Professor, Mechanical and Industrial Engineering; Northeastern University, PhD

Cecelia Musselman

Associate Teaching Professor, Writing Program; Columbia University, PhD

Shakir Mustafa

Teaching Professor, World Languages Center; Boston University, PhD

Andrew Myers

Associate Professor, Civil and Environmental Engineering; Stanford University, PhD

David Myers

Associate Teaching Professor, Finance; University of Washington, PhD

Laura Mylott

Clinical Professor, Nursing; Boston College, PhD

N**Nada Naji**

Lecturer, Computer and Information Science; University of Neuchatel (Switzerland), PhD

Thomas K. Nakayama

Professor, Communication Studies; University of Iowa, PhD

Laurie Nardone

Associate Teaching Professor, English; Emory University, PhD

Pran Nath

Matthews Distinguished University Professor, Physics; Stanford University, PhD

Hamid Nayeb-Hashemi

Professor, Mechanical and Industrial Engineering; Massachusetts Institute of Technology, PhD

Collette Ncube

Assistant Professor, Health Sciences; University of Pittsburgh, PhD

Brent Nelson

Associate Professor, Physics; University of California, Berkeley, PhD

Carl W. Nelson

Associate Professor, International Business and Strategy; University of Manchester (United Kingdom), PhD

Laura Nelson

Assistant Professor, Sociology and Anthropology; University of California, Berkeley, PhD

Huy Nguyen

Assistant Professor, Computer and Information Science; Princeton University, PhD

Julie Nguyen

Assistant Cooperative Education Coordinator, College of Engineering; Columbia University, MA

Jennifer Nichol

Assistant Professor, Accounting; University of Illinois, Urbana-Champaign, PhD

Sandy Nickel

Assistant Teaching Professor, College of Professional Studies; University of Iowa, PhD

Mark J. Niedre

Associate Professor, Bioengineering; University of Toronto (Canada), PhD

Spyridon Nikas

Research Associate Professor, Center for Drug Discovery; Aristotle University (Greece), PhD

Jelena Nikolic

Assistant Teaching Professor, Economics; Nottingham University (United Kingdom), PhD

Matthew Nippins

Assistant Clinical Professor, Physical Therapy, Movement, and Rehabilitation Sciences; Massachusetts General Hospital Institute of Health Professions, DPT

Matthew C Nisbet

Professor, Communication Studies; Cornell University, PhD

Cristina Nita-Rotaru

Professor, Computer and Information Science; Johns Hopkins University, PhD

Daniel Noemi Voionmaa

Associate Professor, Cultures, Societies, and Global Studies; Yale University, PhD

Alison Nogueira

Associate Cooperative Education Coordinator, College of Engineering; Suffolk University, MEd

David Nolan

Associate Clinical Professor, Physical Therapy, Movement, and Rehabilitation Sciences; Massachusetts General Hospital Institute of Health Professions, DPT

Kimberly Nolan

Assistant Teaching Professor, College of Professional Studies; University of Vermont, EdD

Carey Noland

Associate Professor, Communication Studies; Ohio University, PhD

Ellen Noonan

Associate Teaching Professor, Writing Program; Emerson College, MFA

Matthew Noonan

Associate Teaching Professor, Writing Program; Massachusetts College of Art, MFA

Guevara Noubir

Professor, Computer and Information Science; Swiss Federal Institute of Technology, Lausanne (Switzerland), PhD

Gilbert Nyaga

Associate Professor and Joe Dichiacchio Faculty Fellow, Supply Chain and Information Management; Michigan State University, PhD

O**Daniel O'Brien**

Assistant Professor, Public Policy and Urban Affairs and Criminology and Criminal Justice; Binghamton University, PhD

Brian O'Connell

Assistant Teaching Professor, Engineering; Tufts University, PhD

Donica O'Malley

Postdoctoral Teaching Associate, Communication Studies; University of Pittsburgh, PhD

Jessica Oakes

Assistant Professor, Bioengineering; University of California, San Diego, PhD

Antonio Ocampo-Guzman

Associate Professor, Theatre; York University (Canada), MFA

Curtis Odom

Visiting Lecturer, Management and Organizational Development; Pepperdine University, EdD

Dietmar Offenhuber

Assistant Professor, Art + Design and Public Policy and Urban Affairs; Massachusetts Institute of Technology, PhD

Marvin Onabajo

Assistant Professor, Electrical and Computer Engineering; Texas AM University, PhD

Kay Onan

Associate Professor, Chemistry and Chemical Biology; Duke University, PhD

Mary Jo Ondrechen

Professor, Chemistry and Chemical Biology; Northwestern University, PhD

Annalisa Onnis-Hayden

Associate Teaching Professor, Civil and Environmental Engineering; University of Cagliari (Italy), PhD

Alina Oprea

Associate Professor, Computer and Information Science; Carnegie Mellon University, PhD

Toyoko J. Orimoto

Assistant Professor, Physics; University of California, Berkeley, PhD

Jessica Ormsby

Assistant Cooperative Education Coordinator, College of Engineering; University of Massachusetts, Boston, MEd

Andrew Orr-Skirvin

Associate Clinical Professor, Pharmacy and Health Systems Sciences; University of Texas, Austin, PharmD

Elika Ortega Guzman

Assistant Professor, Cultures, Societies, and Global Studies; University of Western Ontario (Canada), PhD

Sarah Ostadabbas

Assistant Professor, Electrical and Computer Engineering; University of Texas, Dallas, PhD

Timothy Ouillette

Assistant Teaching Professor, Communication Studies; Art Institute of Boston, MFA

Jane Owens

Associate Professor, Pharmacy and Health Systems Sciences; Pennsylvania State University, PhD

Oyindasola O. Oyelaran

Associate Teaching Professor, Chemistry and Chemical Biology; Harvard University, PhD

Yusuf Ozbek

Associate Teaching Professor, Graduate School of Engineering; Northeastern University, PhD

Sean O'Connell

Assistant Academic Specialist, College of Professional Studies; University of Massachusetts, MA

Catherine O'Connor

Clinical Instructor, Nursing; Boston College, MS

George A. O'Doherty

Professor, Chemistry and Chemical Biology; Ohio State University, PhD

Russ O'Haver

Senior Academic Specialist, Accounting; University of New York, PhD

Peggy L. O'Kelly

Principal Lecturer, Accounting; University of Michigan, MBA

Donald M. O'Malley

Associate Professor, Biology; Harvard University, PhD

Therese M. O'Neil-Pirozzi

Associate Professor, Communication Sciences and Disorders; Boston University, ScD

P**Taskin Padir**

Associate Professor, Electrical and Computer Engineering; Purdue University, PhD

Robert K. Painter

Senior Lecturer, Linguistics; State University of New York, Buffalo, PhD

Himlona Palikhe

Assistant Teaching Professor, Graduate School of Engineering; Texas Tech University, PhD

Costas Panagopoulos

Professor, Political Science; New York University, PhD

Kwamina Panford

Associate Professor, Cultures, Societies, and Global Studies; Northeastern University, PhD

Coleen C. Pantalone

Associate Professor, Finance; Iowa State University, PhD

Themis Papageorge

Associate Clinical Professor, Computer and Information Science; Massachusetts Institute of Technology, PhD

Harikrishnan Parameswaran

Assistant Professor, Bioengineering; Boston University, PhD

Serena Parekh McGushin

Associate Professor, Philosophy and Religion; Boston College, PhD

Jason Parente

Assistant Clinical Professor, Physician Assistant Program; Northeastern University, MS

Melissa Parenti

Assistant Teaching Professor, College of Professional Studies; University of Southern California, EdD

Andrea Parker

Assistant Professor, Computer and Information Science and Health Sciences; Georgia Institute of Technology, PhD

Christopher Parsons

Assistant Professor, History; University of Toronto (Canada), PhD

Nikos Passas

Professor, Criminology and Criminal Justice; University of Edinburgh (Scotland), PhD

Rupal Patel

Professor, Communication Sciences and Disorders and Computer and Information Science; University of Toronto (Canada), PhD

Dipu Patel-Junankar

Assistant Clinical Professor, Physician Assistant Program; University of Nebraska, MPAS

Bryan Patterson

Assistant Teaching Professor, College of Professional Studies; University of Florida, PhD

Mark R. Patterson

Professor, Marine and Environmental Sciences and Civil and Environmental Engineering; Harvard University, PhD

Koen Pauwels

Distinguished Professor, Marketing; University of California, Los Angeles, PhD

Michael Pavel

Professor of the Practice, Computer and Information Science and Health Sciences; New York University, PhD

Spiro Pavlopoulos

Research Associate Professor, Center for Drug Discovery; Victorian College of Pharmacy, Melbourne (Australia), PhD

Virgiliu Pavlu

Associate Teaching Professor, Computer and Information Science; Northeastern University, PhD

Nancy Pawlyshyn

Associate Teaching Professor, College of Professional Studies; Capella University, PhD

Celia Pearce

Associate Professor, Game Design; University of the Arts London (United Kingdom), PhD

Neal J. Pearlmutter

Associate Professor, Psychology; Massachusetts Institute of Technology, PhD

Melissa Pearson

Assistant Teaching Professor, Writing Program; University of South Carolina, PhD

Christoffer Pedersen

Assistant Professor, Art + Design; University of Copenhagen (Denmark), PhD

Melissa Peiken

Associate Cooperative Education Coordinator, College of Computer and Information Science; Emerson College, MEd

Russell Pensyl

Professor, Art + Design; Western Michigan University, MFA

Diane Perez

Assistant Academic Specialist, College of Professional Studies; Salem State University, MEd

Ivan Petkov

Assistant Professor, Economics; Boston College, PhD

Courtney Pfluger

Assistant Teaching Professor, Chemical Engineering; Northeastern University, PhD

Pegaret Pichler

Assistant Professor, Finance; Stanford University, PhD

Susan E. Picillo

Senior Lecturer, Communication Studies; Cambridge College, MEd

Pamela Pietrucci

Visiting Lecturer, Communication Studies; University of Washington, PhD

Jessica Pike

Assistant Cooperative Education Coordinator, College of Engineering; Bridgewater State University, MEd

Sara Pintado-Lopez

Associate Professor, Health Sciences; University Carlos III of Madrid (Spain), PhD

Ameet Pinto

Assistant Professor, Civil and Environmental Engineering; Virginia Polytechnic Institute and State University, PhD

Maricla Pirozzi

Assistant Cooperative Education Coordinator, Graduate School of Engineering; European School of Economics (Italy), MBA

Leigh Plant

Research Associate Professor, Pharmaceutical Sciences; University of Leeds (United Kingdom), PhD

Harlan D. Platt

Professor, Finance; University of Michigan, PhD

Marjorie Platt

Professor, Accounting; University of Michigan, PhD

Robert Platt Jr.

Assistant Professor, Computer and Information Science; University of Massachusetts, Amherst, PhD

Mya Poe

Associate Professor, English; University of Massachusetts, Amherst, PhD

Hermine Poghosyan

Assistant Professor, Nursing; University of Massachusetts Boston, PhD

Ann Polcari

Associate Clinical Professor, Nursing; Boston College, PhD

Stephanie Pollack

Professor of the Practice, Public Policy and Urban Affairs; Harvard Law School, JD

Michael P. Pollastri

Professor, Chemistry and Chemical Biology; Brown University, PhD

Marius Popescu

Visiting Assistant Professor, Finance; Virginia Polytechnic Institute and State University, PhD

Hilary Poriss

Associate Professor, Music; University of Chicago, PhD

Gary Porter

Assistant Teaching Professor, Finance; University of South Carolina, PhD

Gerald Porter

Visiting Lecturer, Economics; Babson College, MBA

Richard D. Porter

Professor, Mathematics; Yale University, PhD

Veronica L. Porter

Associate Professor, Cooperative Education, College of Science; Northeastern University, MEd

John Portz

Professor, Political Science; University of Wisconsin, Madison, PhD

Mary-Susan Potts-Santone

Teaching Professor, Biology; University of New Hampshire, PhD

Karen Pounds

Assistant Clinical Professor, Nursing; University of Rhode Island, PhD

Michael J. Power

Lecturer, Supply Chain and Information Management; Northeastern University, MBA

Edward Powers

Assistant Teaching Professor, College of Professional Studies; Northeastern University, PhD

Susan G. Powers-Lee

Professor, Biology; University of California, Berkeley, PhD

Silvia Prina

Associate Professor, Economics; Boston University, PhD

Robert Prior

Associate Teaching Professor, College of Professional Studies; Nova Southeastern University, EdD

Robert Pritchard

Associate Teaching Professor, Economics; Northeastern University, PhD

Mark Prokosch

Senior Lecturer, Psychology; University of California, Davis, PhD

Sheila M. Puffer

Professor and University Distinguished Professor, International Business and Strategy; University of California, Berkeley, PhD

Q**Karen Quigley**

Research Associate Professor, Psychology; Ohio State University, PhD

R**Gordana Rabrenovic**

Associate Professor, Sociology and Anthropology; State University of New York, Albany, PhD

John Rachlin

Assistant Teaching Professor, Computer and Information Science; Boston University, PhD

Joseph A. Raelin

Professor and Asa S. Knowles Chair of Practice-Oriented Education, Management and Organizational Development; State University of New York, Buffalo, PhD

Sriramasundarar Rajagopalan

Assistant Teaching Professor, College of Professional Studies; Capella University, PhD

Rajmohan Rajaraman

Professor, Computer and Information Science; University of Texas, Austin, PhD

Ravi Ramamurti

University Distinguished Chair Professor, International Business and Strategy; Harvard University, DBA

Valeria Ramdin

Assistant Clinical Professor, Nursing; Northeastern University, DNSc

Alireza Ramezani

Assistant Professor, Electrical and Computer Engineering; University of Michigan, PhD

Janet Randall

Professor, English; University of Massachusetts, Amherst, PhD

Aanjhan Ranganathan

Assistant Professor, Computer and Information Science; ETH Zurich (Switzerland), PhD

Carey M. Rappaport

College of Engineering Distinguished Professor, Electrical and Computer Engineering; Massachusetts Institute of Technology, ScD

Andrea Raynor

Teaching Professor, Art + Design; School of Visual Arts, MFA

Desislava Raytcheva

Lecturer, Biology; Northeastern University, PhD

Leena Razzaq

Assistant Teaching Professor, Computer and Information Science; Worcester Polytechnic Institute, PhD

Joseph Reagle

Associate Professor, Communication Studies; New York University, PhD

Debra J. Reid

Associate Clinical Professor, Pharmacy and Health Systems Sciences; Northeastern University, PharmD

Imke Reimers

Assistant Professor, Economics; University of Minnesota, PhD

Karen Reiss Medwed

Associate Teaching Professor, College of Professional Studies; New York University, PhD

Marketa Rejtar

Assistant Clinical Professor, Nursing; Massachusetts General Hospital Institute of Health Professions, PhD

John R. Reynolds

Professor, Pharmacy and Health Systems Sciences; Duquesne University, PharmD

Karl Reynolds

Associate Teaching Professor, College of Professional Studies; University of Washington, PhD

Mahtab Rezvani

Assistant Academic Specialist, College of Professional Studies; California State University, Los Angeles, MA

Christopher Richardson

Lecturer, Biology; Boston University, PhD

Milda Richardson

Lecturer, Art + Design; Boston University, PhD

Megan Richmond

Assistant Cooperative Education Coordinator, D'Amore-McKim School of Business; Boston College, MEd

Janet S. Rico

Associate Clinical Professor, Nursing; Northeastern University, PhD

Mirek Riedewald

Associate Professor, Computer and Information Science; University of California, Santa Barbara, PhD

Christoph Riedl

Assistant Professor, Supply Chain and Information Management and Computer and Information Science; Technische Universität München (Germany), PhD

Justin B. Ries

Associate Professor, Marine and Environmental Sciences; Johns Hopkins University, PhD

Matteo Rinaldi

Associate Professor, Electrical and Computer Engineering; University of Pennsylvania, PhD

Christie Rizzo

Assistant Professor, Applied Psychology; University of Southern California, Los Angeles, PhD

Christina Roberts

Associate Cooperative Education Coordinator, D'Amore-McKim School of Business; Simmons College, MBA

Susan J. Roberts

Professor, Nursing; Boston University, DNSc

Christopher J. Robertson

Professor, International Business and Strategy; Florida State University, PhD

Craig M. Robertson

Associate Professor, Media and Screen Studies; University of Illinois, Urbana-Champaign, PhD

William Robertson

Associate Professor, Computer and Information Science and Electrical and Computer Engineering; University of California, Santa Barbara, PhD

Cordula Robinson

Associate Teaching Professor, College of Professional Studies; University College London (United Kingdom), PhD

Hillary Robinson

Associate Professor, Law and Sociology and Anthropology; Massachusetts Institute of Technology, PhD; Harvard University, JD

Holbrook Robinson

Associate Professor, Cultures, Societies, and Global Studies; University of California, Berkeley, PhD

Tracy L. Robinson Wood

Professor, Applied Psychology; Harvard University, EdD

Brian Robison

Assistant Teaching Professor, Music; Cornell University, DMA

David Rochefort

Distinguished Professor, Political Science; Brown University, PhD

Rachel Rodgers

Associate Professor, Applied Psychology; Université de Toulouse-Le Mirail (France), PhD

Kirsten Rodine Hardy

Associate Professor, Political Science; University of California, Berkeley, PhD

Bruce Ronkin

Professor, Music; University of Maryland, DMA

Tayla Rose

Assistant Clinical Professor, Pharmacy and Health Systems Sciences; University of Connecticut, PharmD

Rebeca B. Rosengaus

Associate Professor, Marine and Environmental Sciences; Boston University, PhD

James R. Ross

Associate Professor, Journalism; American University, MA

Alexandra Roth

Associate Academic Specialist, International Business and Strategy; University of Frankfurt (Germany), PhD

Sara Rouhanifard

Assistant Professor, Bioengineering; Yeshiva University, PhD

Deya Roy

Postdoctoral Teaching Associate, Communication Studies; State University of New York, Amherst, MA

Jeffrey W. Ruberti

Professor, Bioengineering; Tulane University, PhD

Michael Ruff

Assistant Teaching Professor, Accounting; Bentley University, PhD

Timothy J. Rupert

Professor, Accounting; Pennsylvania State University, PhD

Ivan Rupnik

Associate Professor, Architecture; Harvard University, MArch

Bruce Russell

Associate Academic Specialist, Supply Chain and Information Management; National University of Ireland (Ireland), PhD

S**J. Timothy Sage**

Associate Professor, Physics; University of Illinois, Urbana-Champaign, PhD

Vinod Sahney

University Distinguished Professor, Mechanical and Industrial Engineering; University of Wisconsin, Madison, PhD

Yuki Sakurai

Visiting Lecturer, World Languages Center; Ohio State University, MA

Masoud Salehi

Associate Professor, Electrical and Computer Engineering; Stanford University, PhD

Carmel Salhi

Assistant Professor, Health Sciences; Harvard University, PhD

William Sanchez

Associate Professor, Applied Psychology; Boston University, PhD

Nada Sanders

Distinguished Professor of Supply Chain Management, Supply Chain and Information Management; Ohio State University, PhD

Tova Sanders

Associate Teaching Professor, College of Professional Studies; George Washington University, EdD

Ronald Sandler

Professor, Philosophy and Religion; University of Wisconsin, Madison, PhD

Billye Sankofa Waters

Associate Teaching Professor, College of Professional Studies; University of North Carolina, PhD

Ravi Sarathy

Professor, International Business and Strategy; University of Michigan, PhD

Linda Sarkisian

Assistant Cooperative Education Coordinator, D'Amore-McKim School of Business; Lynn University, MBA

Mehrdad Sasani

Associate Professor, Civil and Environmental Engineering; University of California, Berkeley, PhD

Ajay B. Satpute

Assistant Professor, Psychology; University of California, Los Angeles, PhD

Behrooz (Barry) Satvat

Associate Teaching Professor, Chemical Engineering; Massachusetts Institute of Technology, ScD

Daniel Saulnier

Associate Cooperative Education Coordinator, College of Engineering; Babson College, MBA

Kevin Scanlon

Professor of the Practice, Entrepreneurship and Innovation; University of London (United Kingdom), PhD

Samuel V. Scarpino

Assistant Professor, Marine and Environmental Sciences and Physics; University of Texas, Austin, PhD

Carmen Sceppa

Professor, Health Sciences; Francisco Marroquin University (Guatemala), MD; Tufts University, PhD

Martin Schedlbauer

Associate Clinical Professor, Computer and Information Science; University of Massachusetts, PhD

Gunar Schirmer

Associate Professor, Electrical and Computer Engineering; University of California, Irvine, PhD

Ralf W. Schlosser

Professor, Communication Sciences and Disorders; Purdue University, PhD

Benjamin Schmidt

Assistant Professor, History; Princeton University, PhD

Walter Schnyder

Associate Teaching Professor, Computer and Information Science; Swiss Federal Institute of Technology (Switzerland), PhD

Egon Schulte

Professor, Mathematics; University of Dortmund (Germany), PhD

Kathryn Schulte Grahame

Associate Teaching Professor, Engineering; Columbia University, PhD

Joseph Schwartz

Associate Teaching Professor, Communication Studies; University of Iowa, PhD

Michael Schwartz

Assistant Cooperative Education Coordinator, Graduate School of Engineering; Northeastern University, MS

Martin Schwarz Jr.

Associate Professor, Mathematics; Courant Institute, PhD

Cody Scott

Assistant Professor, Computer and Information Science; University of Maryland, PhD

Douglass Scott

Senior Lecturer, Art + Design; Yale University, MFA

Frank (Alex) Scott

Assistant Professor, Supply Chain and Information Management; Pennsylvania State University, PhD

Steven Scyphers

Assistant Professor, Marine and Environmental Sciences; University of South Alabama, PhD

Darcey Searles

Postdoctoral Teaching Associate, Communication Studies; Rutgers University, PhD

Max Sederer

Assistant Cooperative Education Coordinator, College of Engineering; Tufts University, MEd

Magy Seif El-Nasr

Associate Professor, Computer and Information Science and Art + Design; Northeastern University, PhD

Ethan Selinger

Assistant Cooperative Education Coordinator, College of Computer and Information Science; University of Massachusetts, Lowell, MS

Laura Senier

Assistant Professor, Sociology and Anthropology and Health Sciences; Brown University, PhD

Sumi Seo

Lecturer, Mathematics; University of Missouri, Columbia, PhD

Susan Setta

Associate Professor, Philosophy and Religion; Pennsylvania State University, PhD

Bahram Shafai

Professor, Electrical and Computer Engineering; George Washington University, ScD

Michael Shah

Lecturer, Computer and Information Science; Tufts University, PhD

Rebecca M. Shansky

Assistant Professor, Psychology; Yale University, PhD

Harvey Shapiro

Associate Clinical Professor, College of Professional Studies; Hebrew Union College, PhD

William T. Sharp

Assistant Teaching Professor, Psychology; Boston Graduate School of Psychoanalysis, PhD

Gavin M. Shatkin

Associate Professor, Public Policy and Urban Affairs and Architecture; Rutgers University, PhD

Dennis R. Shaughnessy

Senior Academic Specialist, Entrepreneurship and Innovation; University of Maryland, JD

Margaret Shea

Associate Cooperative Education Coordinator, D'Amore-McKim School of Business; Boston University, BLS

Thomas C. Sheahan

Professor, Civil and Environmental Engineering; Massachusetts Institute of Technology, ScD

Sandra Shefelbine

Associate Professor, Mechanical and Industrial Engineering and Bioengineering; Stanford University, PhD

Abhi Shelat

Associate Professor, Computer and Information Science; Massachusetts Institute of Technology, PhD

Paxton Sheldahl

Assistant Teaching Professor, Architecture; Harvard University, MArch

Eliot Sherman

Senior Lecturer, Finance; Bentley College, MST

H. David Sherman

Professor, Accounting; Harvard University, DBA

Amit Shesh

Associate Teaching Professor, Computer and Information Science; University of Minnesota, Twin Cities, PhD

Shiaoming Shi

Assistant Teaching Professor, Bioengineering; University of Pittsburgh, PhD

Craig Shillaber

Assistant Teaching Professor, Civil and Environmental Engineering; Virginia Polytechnic Institute and State University, MS

Jennifer Shire

Assistant Cooperative Education Coordinator, College of Computer and Information Science; Columbia University, MBA

Olin Shivers

Professor, Computer and Information Science; Carnegie Mellon University, PhD

Mariya Shiyko

Associate Professor, Applied Psychology; City University of New York, PhD

Katy Shorey

Assistant Teaching Professor, Philosophy and Religion; University of Missouri, PhD

Aatmesh Shrivastava

Assistant Professor, Electrical and Computer Engineering; University of Virginia, Charlottesville, PhD

Stephanie Sibicky

Assistant Clinical Professor, Pharmacy and Health Systems Sciences; University of Rhode Island, PhD

Brandon Sichling

Assistant Teaching Professor, Art + Design; Emerson College, MFA

Jose Sierra

Associate Teaching Professor, Computer and Information Science; Universidad Carlos III de Madrid (Spain), PhD

Robert Sikes

Associate Professor, Physical Therapy, Movement, and Rehabilitation Sciences; University of Texas, Houston, PhD

Michael B. Silevitch

Robert Black Professor of Engineering and College of Engineering Distinguished Professor, Electrical and Computer Engineering; Northeastern University, PhD

Peter Simon

Teaching Professor, Economics; Northern Illinois University, PhD

Simon Singer

Professor, Criminology and Criminal Justice; University of Pennsylvania, PhD

Hanumant Singh

Professor, Electrical and Computer Engineering and Mechanical and Industrial Engineering; Massachusetts Institute of Technology, PhD

Rifat Sipahi

Associate Professor, Mechanical and Industrial Engineering; University of Connecticut, PhD

Michail V. Sitkovsky

Eleanor W. Black Chair in Immunophysiology and Pharmaceutical Biotechnology and Professor, Institute for Tissue Damage and Biology; Moscow State University (Russia), PhD

Mark Sivak

Associate Teaching Professor, Art + Design and Engineering; Northeastern University, PhD

Adrienne Slaughter

Lecturer, Computer and Information Science; University of Washington, PhD

Nikolai Slavov

Assistant Professor, Bioengineering; Princeton University, PhD

Rory Smead

Ronald L. and Linda A. Rossetti Professor for the Humanities, Philosophy and Religion; University of California, Irvine, PhD

David A. Smith

Assistant Professor, Computer and Information Science; Johns Hopkins University, PhD

Keith Smith

Assistant Professor, Marketing; University of Georgia, PhD

Matthew Smith

Associate Professor, Philosophy and Religion; University of North Carolina, Chapel Hill, PhD

Ronald Bruce Smith

Associate Professor, Music; University of California, Berkeley, PhD

Wendy A. Smith

College of Arts and Sciences Distinguished Associate Professor, Biology; Duke University, PhD

Eugene S. Smotkin

Professor, Chemistry and Chemical Biology; University of Texas, Austin, PhD

Bridget Smyser

Associate Teaching Professor, Mechanical and Industrial Engineering; Worcester Polytechnic Institute, PhD

Nancy P. Snyder

Associate Teaching Professor, Psychology; Harvard University, EdD

Dani Snyder-Young

Assistant Professor, Theatre; New State University, PhD

Pablo Soberon Bravo

Zelevinsky Research Professor, Mathematics; University College London (United Kingdom), PhD

Claudia Sokol

Associate Teaching Professor, World Languages Center; University of Buenos Aires (Argentina), MD

Eduardo Sontag

University Distinguished Professor, Electrical and Computer Engineering and Bioengineering; University of Florida, PhD

Maria Sorenson

Visiting Clinical Instructor, Nursing; Northeastern University, MSN

Susan Soroka

Assistant Teaching Professor, Writing Program; Drew University, PhD

Nikolaos S. Soukos

Assistant Teaching Professor, Physics and Biology; University of Munich (Germany), PhD

Bert A. Spector

Associate Professor, International Business and Strategy; University of Missouri, PhD

Denise Spencer

Senior Lecturer, Supply Chain and Information Management; Boston College, PhD

Karen M. Spikes

Lecturer, Psychology; Cornell University, PhD

David Sprague

Lecturer, Computer and Information Science; University of Victoria (Canada), PhD

Bryan Q. Spring

Assistant Professor, Physics; University of Illinois, Urbana-Champaign, PhD

Shelia Springer

Postdoctoral Teaching Associate, Communication Studies; University of Arizona, Tucson, MA

Srinivas Sridhar

College of Arts and Sciences Distinguished Professor, Physics; California Institute of Technology, PhD

Kandarp Srinivasan

Assistant Professor, Finance; Washington University, St. Louis, PhD

Thomas Starr

Professor, Art + Design; Yale University, MFA

Mary Steffel

Assistant Professor, Marketing; Princeton University, PhD; University of Florida, PhD

Karen Stein

Visiting Assistant Professor, Art + Design; Virginia Commonwealth University, MFA

Leslie Stein

Assistant Teaching Professor, College of Professional Studies; United States International University, EdD

Armen B. Stepanyants

Associate Professor, Physics; University of Rhode Island, PhD

Jennie Stephens

Professor, Public Policy and Urban Affairs; California Institute of Technology, PhD

Dagmar Sternad

Professor, Biology and Electrical and Computer Engineering; University of Connecticut, PhD

Sara Stifano

Postdoctoral Teaching Associate, Communication Studies; University of Connecticut, PhD

Sebastian Stockman

Associate Teaching Professor, Writing Program; Emerson College, MFA

Milica Stojanovic

Professor, Electrical and Computer Engineering; Northeastern University, PhD

Janos Stone

Lecturer, Art + Design; Boston University, MFA

Michael Stone

Assistant Teaching Professor, Economics; University of Connecticut, PhD

Jacob Stowell

Associate Professor, Criminology and Criminal Justice; State University of New York, Albany, PhD

Tracy Strain

Professor of the Practice, Media and Screen Studies; Harvard University, MEd

Amy Stratman

Assistant Academic Specialist, College of Professional Studies; Simmons College, MA

Phyllis R. Strauss

Matthews Distinguished University Professor, Biology; Rockefeller University, PhD

Heather Streets-Salter

Professor, History; Duke University, PhD

Aron P. Stubbins

Associate Professor, Marine and Environmental Sciences and Civil and Environmental Engineering and Chemistry and Chemical Biology; Newcastle University (United Kingdom), PhD

Ming Su

Associate Professor, Chemical Engineering; Northwestern University, PhD

Fernando Suarez

Jean C. Tempel Professor, Entrepreneurship and Innovation; Massachusetts Institute of Technology, PhD

Alexandru I. Suci

Professor, Mathematics; Columbia University, PhD

Annemarie C. Sullivan

Clinical Instructor, Health Sciences; Northeastern University, MS

Denis Sullivan

Professor, Political Science and International Affairs; University of Michigan, PhD

Fareena Sultan

Professor, Marketing; Columbia University, PhD

Hao Sun

Assistant Professor, Civil and Environmental Engineering; Columbia University, PhD

Linlin Sun

Assistant Research Professor, Chemical Engineering; Northeastern University, PhD

Nian-Xiang Sun

Professor, Electrical and Computer Engineering; Stanford University, PhD

Ravi Sundaram

Professor, Computer and Information Science; Massachusetts Institute of Technology, PhD

Gloria Sutton

Associate Professor, Art + Design; University of California, Los Angeles, PhD

John D. Swain

Associate Professor, Physics; University of Toronto (Canada), PhD

Richard S. Swasey Jr.

Principal Lecturer, Finance; University of Virginia, MBA

Jacqueline F. Sweeney

Senior Cooperative Education Coordinator, College of Arts, Media and Design; Northeastern University, MS

Nina Sylvanus

Associate Professor, Sociology and Anthropology; Ecole des Hautes Etudes en Sciences Sociales, Paris (France), PhD

Balazs Szelenyi

Associate Teaching Professor, College of Professional Studies; University of California, Los Angeles, PhD

Mario Szaier

Dennis Picard Trustee Professor, Electrical and Computer Engineering; University of Washington, PhD

T**Srinivas Tadigadapa**

Professor, Electrical and Computer Engineering; Cambridge University (United Kingdom), PhD

Gilead Tadmor

Professor, Electrical and Computer Engineering; Weizmann Institute of Science (Israel), PhD

Paul Tagliamonte

Visiting Lecturer, Supply Chain and Information Management; Boston College, MS

David Tamés

Assistant Teaching Professor, Art + Design; Massachusetts College of Art and Design, MFA

Michael Tannebaum

Visiting Lecturer, Communication Studies; Georgia State University, PhD

Aysen Tanyeri-Abur

Associate Teaching Professor, Economics; Texas AM University, PhD

Peter Tarasewich

Assistant Teaching Professor, Supply Chain and Information Management; University of Connecticut, PhD

Mary Suzanne Tarmina

Associate Clinical Professor, Nursing; University of Utah, PhD

Mohammad E. Taslim

Professor, Mechanical and Industrial Engineering; University of Arizona, PhD

Tomasz R. Taylor

Professor, Physics; University of Warsaw (Poland), PhD

Philip Thai

Assistant Professor, History; Stanford University, PhD

Ganesh Thakur

Associate Professor, Pharmaceutical Sciences; Institute of Chemical Technology (India), PhD

Ronald S. Thomas

Senior Lecturer, International Business and Strategy; Harvard University, PhD

Corliss Thompson

Associate Teaching Professor, College of Professional Studies; University of North Carolina, Chapel Hill, PhD

Jamal Thorne

Assistant Teaching Professor, Art + Design; Northeastern University, MFA

George Thrush

Professor, Architecture; Harvard University, MArch

Jonathan L. Tilly

University Distinguished Professor, Biology; Rutgers, the State University of New Jersey, PhD

Frank Tip

Professor, Computer and Information Science; University of Amsterdam (Netherlands), PhD

Lisa J. Tison-Thomas

Assistant Cooperative Education Coordinator, College of Science; Emmanuel College, MA

Devesh Tiwari

Assistant Professor, Electrical and Computer Engineering; North Carolina State University, PhD

Yustianto Tjiptowidjojo

Assistant Teaching Professor, Mechanical and Industrial Engineering; Mississippi State University, PhD

Gordana G. Todorov

Professor, Mathematics; Brandeis University, PhD

Svetlana Todorova

Visiting Lecturer, Supply Chain and Information Management; Varna University of Management (Bulgaria), PhD

Alessio Tognetti

Assistant Academic Specialist, World Languages Center; University of Washington, MA

Valerio Toledano Laredo

Professor, Mathematics; University of Cambridge (United Kingdom), PhD

Michael Tolley

Associate Professor, Political Science; Johns Hopkins University, PhD

Peter Y. Topalov

Professor, Mathematics; Moscow State University (Russia), PhD

Vladimir P. Torchilin

University Distinguished Professor, Pharmaceutical Sciences; Moscow State University (Russia), PhD, DSc

Ali Touran

Professor, Civil and Environmental Engineering; Stanford University, PhD

Emery A. Trahan

Professor, Finance; State University of New York, Albany, PhD

Stavros Tripakis

Associate Professor, Computer and Information Science; Joseph Fourier University (France), PhD

Andrew Trotman

Assistant Professor, Accounting; Bond University (Australia), PhD

Geoffrey C. Trussell

Professor, Marine and Environmental Sciences; College of William and Mary, PhD

Kumiko Tsuji

Assistant Teaching Professor, World Languages Center; Georgetown University, PhD

Nathaniel Tuck

Lecturer, Computer and Information Science; University of Massachusetts, Lowell, PhD

Eugene Tunik

Associate Professor, Physical Therapy, Movement, and Rehabilitation Sciences; Rutgers University, PhD

Berna Turam

Professor, International Affairs and Sociology and Anthropology; McGill University (Canada), PhD

Esther Tutella-Chen

Assistant Academic Specialist, College of Professional Studies; Vanderbilt University, MEd

U**Rafael Ubal Tena**

Assistant Teaching Professor, Electrical and Computer Engineering; Universidad Politecnica de Valencia (Spain), PhD

Jonathan Ullman

Assistant Professor, Computer and Information Science; Harvard University, PhD

Annique Un

Associate Professor, International Business and Strategy; Massachusetts Institute of Technology, PhD

Christopher Unger

Associate Teaching Professor, College of Professional Studies; Harvard University, EdD

Steven R. Untersee

Lecturer, Biology; Tufts University, PhD

Moneesh Upmanyu

Professor, Mechanical and Industrial Engineering; University of Michigan, PhD

V**Ricardo Valdez**

Assistant Teaching Professor, College of Professional Studies; University of Washington, PhD

Steven Vallas

Professor, Sociology and Anthropology; Rutgers University, PhD

Jenny A. Van Amburgh

Clinical Professor, Pharmacy and Health Systems Sciences; Albany College of Pharmacy, PharmD

Jan-Willem Van De Meent

Assistant Professor, Computer and Information Science; Leiden University (Netherlands), PhD

Anne L. Van De Ven-Moloney

Research Assistant Professor, Physics; Rice University, PhD

Maria Van Pelt

Associate Clinical Professor, Nursing; Villanova University, DNSc

Kathleen Vander Laan

Associate Cooperative Education Coordinator, College of Computer and Information Science; Salem State University, MBA

Ashkan Vaziri

Associate Professor, Mechanical and Industrial Engineering; Northeastern University, PhD

Elaine Vejar

Assistant Academic Specialist, College of Professional Studies; University of Massachusetts, Lowell, MS

Oana Veliche

Lecturer, Mathematics; Purdue University, PhD

Venkata Vemuri

Research Assistant Professor, Pharmaceutical Sciences; Osmania University (India), PhD

Vivek Venkatachalam

Assistant Professor, Physics; Harvard University, PhD

Madhavi Venkatesan

Visiting Assistant Teaching Professor, Economics; Vanderbilt University, PhD

Anand Venkateswaran

Associate Professor, Finance; Georgia State University, PhD

Susan H. Ventura

Associate Clinical Professor, Physical Therapy, Movement, and Rehabilitation Sciences; Northeastern University, PhD

Alessandro Vespignani

Sternberg Family Distinguished University Professor, Physics and Health Sciences and Computer and Information Science; University of Rome La Sapienza (Italy), PhD

Gustavo Vicentini

Assistant Teaching Professor, Economics; Boston University, PhD

Thomas Vicino

Associate Professor, Political Science and Public Policy and Urban Affairs; University of Maryland, PhD

Emanuele Viola

Associate Professor, Computer and Information Science; Harvard University, PhD

Jan Vitek

Professor, Computer and Information Science; University of Geneva (Switzerland), PhD

Olga Vitek

Sy and Laurie Sternberg Interdisciplinary Associate Professor, Computer and Information Science and Chemistry and Chemical Biology; Purdue University, PhD

Triet Vo Huu

Research Assistant Professor, Computer and Information Science; Northeastern University, PhD

Steven V. Vollmer

Associate Professor, Marine and Environmental Sciences; Harvard University, PhD

Robert J. Volpe

Associate Professor, Applied Psychology; Lehigh University, PhD

Erik Voss

Associate Teaching Professor, College of Professional Studies; Iowa State University, PhD

W**Sara Wadia-Fascetti**

Professor, Civil and Environmental Engineering; Stanford University, PhD

Nancy Waggner

Associate Cooperative Education Coordinator, Pharmaceutical Sciences; Suffolk University, JD

Thomas Wahl

Associate Professor, Computer and Information Science; University of Texas, Austin, PhD

Thomas E. Wales

Research Associate Professor, Chemistry and Chemical Biology; Duke University, PhD

C.J. Walker

Professor of the Practice, College of Professional Studies; George Washington University, PhD

Jacob Walker

Assistant Cooperative Education Coordinator, College of Engineering; Northeastern University, MS

Louise Walker

Associate Professor, History; Yale University, PhD

Byron Wallace

Assistant Professor, Computer and Information Science; Tufts University, PhD

Rachel Walsh

Assistant Cooperative Education Coordinator, College of Engineering; Suffolk University, MS

Robin Walters

Zelevinsky Research Professor, Psychology; University of Chicago, PhD

Suzanna Walters

Professor, Women's, Gender, and Sexuality Studies and Sociology and Anthropology; City University of New York, PhD

Belinda Walzer

Assistant Teaching Professor, Writing Program; University of North Carolina, Greensboro, PhD

Richard Wamai

Associate Professor, Cultures, Societies, and Global Studies; University of Helsinki (Finland), PhD

Kai-tak Wan

Professor, Mechanical and Industrial Engineering; University of Maryland, College Park, PhD

Lu Wang

Assistant Professor, Computer and Information Science; Cornell University, PhD

Ming Wang

College of Engineering Distinguished Professor, Civil and Environmental Engineering; University of New Mexico, PhD

Qi Wang

Assistant Professor, Civil and Environmental Engineering; Virginia Polytechnic Institute and State University, PhD

Yanzhi Wang

Assistant Professor, Electrical and Computer Engineering; University of Southern California, PhD

Meni Wanunu

Associate Professor, Physics; Weizmann Institute of Science (Israel), PhD

Robert J. Ward

Lecturer, Music; University of California, San Diego, MA

Oliver Wason

Visiting Assistant Teaching Professor, Theatre; Yale University, MFA

Gregory Wassall

Associate Professor, Economics; Rutgers University, PhD

Barbara L. Waszczak

Professor, Pharmaceutical Sciences; University of Michigan, PhD

Maureen Watkins

Assistant Clinical Professor, Physical Therapy, Movement, and Rehabilitation Sciences; Northeastern University, DPT

Natalya Watson

Assistant Teaching Professor, College of Professional Studies; University of Colorado, PhD

Dov Waxman

Professor, Political Science and International Affairs and Jewish Studies; Johns Hopkins University, PhD

Rebecca Webb

Assistant Cooperative Education Coordinator, College of Engineering;
Boston College, MA

Thomas J. Webster

Arthur W. Zafropoulos Professor, Chemical Engineering; Rensselaer
Polytechnic Institute, PhD

Vanessa Wei

Assistant Teaching Professor, World Languages Center; University of
Iowa, MA

Liza Weinstein

Associate Professor, Sociology and Anthropology; University of Chicago,
PhD

Michael Weintraub

Associate Clinical Professor, Computer and Information Science; Ohio
State University, PhD

Jonathan Weitsman

Robert G. Stone Professor, Mathematics; Harvard University, PhD

Brandon Welsh

Professor, Criminology and Criminal Justice; University of Cambridge
(United Kingdom), PhD

Edward G. Wertheim

Associate Professor, Management and Organizational Development;
Yeshiva University, PhD

Richard West

Assistant Professor, Chemical Engineering; University of Cambridge
(United Kingdom), PhD

Alan West-Durán

Associate Professor, Cultures, Societies, and Global Studies; New York
University, PhD

Rebecca Westerling

Assistant Cooperative Education Coordinator, College of Social Sciences
and Humanities; Boston College, MA

Richard Whalen

Teaching Professor, Engineering; Northeastern University, PhD

Susan Whitfield-Gabrieli

Professor, Psychology; University of California, Berkeley, PhD

Paul C. Whitford

Assistant Professor, Physics; University of California, San Diego, PhD

John Whitney

Assistant Professor, Mechanical and Industrial Engineering; Harvard
University, PhD

Daniel Wicks

Assistant Professor, Computer and Information Science; New York
University, PhD

Peter H. Wiederspahn

Associate Professor, Architecture; Harvard University, MArch

Afi Wiggins

Assistant Teaching Professor, College of Professional Studies; University
of Virginia, PhD

John Wihbey

Assistant Professor, Journalism; Columbia University, MS

Ronald J. Willey

Professor, Chemical Engineering; University of Massachusetts, Amherst,
PhD

Margaret Williams

Visiting Lecturer, Communication Studies; University of Illinois, Chicago,
PhD

Mark C. Williams

Professor, Physics; University of Minnesota, PhD

Stephen Williams

Associate Cooperative Education Coordinator, College of Social Sciences
and Humanities; Suffolk University, JD

Tiffani Williams

Professor of the Practice, Computer and Information Science; University
of Central Florida, PhD

Christo Wilson

Assistant Professor, Computer and Information Science; University of
California, Santa Barbara, PhD

Sheila Winborne

Assistant Teaching Professor, Philosophy and Religion; Harvard
University, PhD

Eric Winter

Assistant Cooperative Education Coordinator, College of Engineering;
Northeastern University, MS

Pamela Wojnar

Assistant Teaching Professor, College of Professional Studies; University
of Sports Academy, EdD

John Wolfe

Associate Teaching Professor, College of Professional Studies; Columbia
University, EdD

Darien Wood

Professor, Physics; University of California, Berkeley, PhD

Dori C. Woods

Assistant Professor, Biology; University of Notre Dame, PhD

Adam Woolley

Associate Clinical Professor, Pharmacy and Health Systems Sciences;
Massachusetts College of Pharmacy, PharmD

Benjamin Woolston

Assistant Professor, Chemical Engineering; Massachusetts Institute of
Technology, PhD

Lisa Worsh

Senior Cooperative Education Coordinator, College of Social Sciences and
Humanities; Bridgewater State College, MEd

Shu-Shih Y. Wu

Lecturer, Mathematics; Northeastern University, PhD

Sara A. Wylie

Assistant Professor, Sociology and Anthropology and Health Sciences;
Massachusetts Institute of Technology, PhD

X**Xia Xiao**

Assistant Professor, Accounting; University of Arizona, PhD

Wei Xie

Assistant Professor, Mechanical and Industrial Engineering; Northwestern University, PhD

Y**Shiawee X. Yang**

Associate Professor, Finance; Pennsylvania State University, PhD

Diane Yasgur

Assistant Cooperative Education Coordinator, College of Engineering; New York University, MBA

Lichuan Ye

Associate Professor, Nursing; University of Pennsylvania, DNSc

Mishac K. Yegian

College of Engineering Distinguished Professor, Civil and Environmental Engineering; Massachusetts Institute of Technology, PhD

Edmund Yeh

Professor, Electrical and Computer Engineering; Massachusetts Institute of Technology, PhD

Boris Yelin

Assistant Teaching Professor, World Languages Center; Purdue University, PhD

Benjamin Yelle

Assistant Teaching Professor, Philosophy and Religion; University of Miami, PhD

Sheng-Che Yen

Assistant Professor, Physical Therapy, Movement, and Rehabilitation Sciences; New York University, PhD

Mark L. Yorra

Senior Cooperative Education Coordinator, Pharmacy and Health Systems Sciences; Northeastern University, EdD

Carol Young

Assistant Teaching Professor, College of Professional Studies; University of Massachusetts, PhD

Gary Young

Professor, International Business and Strategy and Health Sciences; State University of New York, Buffalo, PhD

Lydia Young

Associate Teaching Professor, College of Professional Studies; Boston College, PhD

Nancy Young

Assistant Teaching Professor, College of Professional Studies; Boston University, PhD

Sara C. Young-Hong

Clinical Instructor, Communication Sciences and Disorders; University of Pittsburgh, MA

Qi (Rose) Yu

Assistant Professor, Computer and Information Science; University of Southern California, Los Angeles, PhD

Shuishan Yu

Associate Professor, Architecture; University of Washington, PhD

Jennifer Yule

Associate Academic Specialist, Marketing; Glasgow Caledonian University (Scotland), PhD

Z**Nizar Zaarour**

Assistant Teaching Professor, Supply Chain and Information Management; Northeastern University, PhD

Michelle Zaff

Assistant Cooperative Education Coordinator, College of Social Sciences and Humanities; Suffolk University, JD

Christos Zahopoulos

Associate Professor, College of Professional Studies; Northeastern University, PhD

Carl Zangerl

Assistant Teaching Professor, College of Professional Studies; University of Illinois, PhD

Alan J. Zaremba

Associate Professor, Communication Studies; State University of New York, Buffalo, PhD

Michele C. Zee

Assistant Teaching Professor, Behavioral Neuroscience; University of Oregon, PhD

Ibrahim Zeid

Professor, Mechanical and Industrial Engineering; University of Akron, PhD

Edward David Zepeda

Assistant Professor, Supply Chain and Information Management; University of Minnesota, PhD

David P. Zgarrick

Professor, Pharmacy and Health Systems Sciences; Ohio State University, PhD

Ke Zhang

Associate Professor, Chemistry and Chemical Biology; Washington University, St. Louis, PhD

Yue May Zhang

Associate Professor, Accounting; University of Pittsburgh, PhD

Xiaolei Zhao

Zelevinsky Research Professor, Mathematics; University of Michigan, PhD

Kungcheng Zheng

Assistant Professor, Finance; University of Michigan, PhD

Ting Zhou

Associate Professor, Mathematics; University of Washington, PhD

Xiaomu Zhou

Assistant Teaching Professor, College of Professional Studies; University of Michigan, PhD

Zhaohui S. Zhou

Professor, Chemistry and Chemical Biology; Scripps Research Institute, PhD

Hongli Zhu

Assistant Professor, Mechanical and Industrial Engineering; South China University of Technology (China), PhD

Sali Ziane

Associate Teaching Professor, World Languages Center; University of Paris XIII (France), PhD

Nathaniel Ziegler

Assistant Cooperative Education Coordinator, College of Engineering; Indiana University of Pennsylvania, MEd

Katherine S. Ziemer

Professor, Chemical Engineering; West Virginia University, PhD

Emily Zimmerman

Assistant Professor, Communication Sciences and Disorders; University of Kansas, PhD

Gregory Zimmerman

Associate Professor, Criminology and Criminal Justice; State University of New York, Albany, PhD

Kathrin Zippel

Associate Professor, Sociology and Anthropology; University of Wisconsin, Madison, PhD

Steven Zoloth

Professor, Health Sciences; University of Pennsylvania, PhD

Elizabeth Zulick

Assistant Teaching Professor, College of Professional Studies; Boston University, PhD

Ronald Zullo

Senior Lecturer, Accounting; Bentley University, MS

Günther K. H. Zupanc

Professor, Biology; University of California, San Diego, PhD; University of Tübingen (Germany), Dr. rer. nat. habil.

Alexander Zvonok

Research Assistant Professor, Pharmaceutical Sciences; Belarusian State University (Belarus), PhD

Nikolai Zvonok

Research Assistant Professor, Pharmaceutical Sciences; Russian Academy of Sciences (Russia), PhD

University Leadership

Officers of the University

Joseph E. Aoun, BA, MA, PhD, President

Michael A. Armini, BA, MA, Senior Vice President for External Affairs

James C. Bean, BS, MS, PhD, Provost and Senior Vice President for Academic Affairs

Diane Nishigaya MacGillivray, BA, MA, Senior Vice President for University Advancement

Philomena V. Mantella, BS, MSW, PhD, Senior Vice President and CEO of the Professional Advancement Network

Ralph C. Martin II, BA, JD, Senior Vice President and General Counsel

Thomas Nedell, BA, MBA, Senior Vice President for Finance and Treasurer

Academic Deans

Nadine Aubry, BS, MS, PhD, Dean of the College of Engineering

Carla E. Brodley, BA, MS, PhD, Dean of the College of Computer and Information Science

Raj Echambadi, BS, MBA, PhD, Dean of the D'Amore-McKim School of Business

Kenneth W. Henderson, BSc, PhD, Dean of the College of Science

Elizabeth Hudson, BA, MA, PhD, Dean of the College of Arts, Media and Design

Mary Loeffelholz, BA, MA, PhD, Dean of the College of Professional Studies

James R. Hackney, AB, JD, Dean of the School of Law

Uta Poiger, BA, MA, AM, PhD, Dean of the College of Social Sciences and Humanities

Susan L. Parish, BA, MSW, PharmD, Dean of Bouvé College of Health Sciences

Vice Provosts

Susan Ambrose, BA, MA, PhD, Senior Vice Provost for Undergraduate Education and Experiential Learning

John Armendariz, EdD, Vice Provost for Institutional Diversity and Inclusion

Debra Franko, BA, PhD, Senior Vice Provost for Academic Affairs

David Luzzi, BE, PhD, MBA, Senior Vice Provost for Research

Brean Fortier, BA, MA, Senior Vice Provost for Budget, Planning, and Administration

Ni (Phil) He, LLB, PhD, Vice Provost for Graduate Education

Sara Wadia-Fascetti, BS, MS, PhD, Vice Provost for the PhD Network

Vice Presidents

Anthony Rini, BA, MPA, EdD, Vice President for Finance

Rick Davis, BS, MA, Vice President for Alumni Relations

Joseph J. Donnelly Jr., BA, Vice President for Advancement and Campaign Director

Nicholas F. Ducoff, BBA, JD, Vice President for New Ventures

Madeleine A. Estabrook, AB, JD, Vice President for Student Affairs

Cole W. Complese BA, MS, Vice President and Chief Information Officer

Luanne M. Kirwin, BA, MA, Vice President of Development

Sundar Kumarasamy, BA, MS, Vice President for Enrollment Management

Timothy E. Leshan, BA, MPA, Vice President for Government Relations

Chris Mallet, BS, MPA, Vice President for Online Experiential Learning

Jane Moyer, BA, MA, Vice President for Human Resources Management

Lisa Sinclair, BA, JD, Vice President of Legal Affairs

Kathy Spiegelman, BA, MS, Vice President and Chief of Campus Planning and Development

Brian Sullivan, BS, MBA, Vice President and Chief Marketing Officer

John Tobin, BA, Vice President for City and Community Affairs

Renata Nyul, BA, MS, Vice President for Communications

Other Administrative Leaders

Linda D. Allen, BA, MEd, Assistant Vice President and University Registrar

Michael A. Davis, BA, MA, Director of Public Safety and Chief of Police

Jeff Konya, BA, JD Director of Athletics and Recreation

Dan Cohen, BA, MA, PhD, Dean, University Libraries and Vice Provost for Information Collaboration

Statements of Accreditation and State Authorization

Accreditation

Northeastern University has maintained its status as a member in good standing of the New England Association of Schools and Colleges (NEASC) Commission on Institutions of Higher Education (CIHE) since it was awarded its initial accreditation in 1940. The university was last reviewed by NEASC in 2008 and will be reviewed again in fall 2018.

Northeastern University possesses degree-granting authority in Massachusetts, under the auspices of the Massachusetts Board of Higher Education.

Program	Accrediting Agency
Northeastern University	New England Association of Schools and Colleges (NEASC)
Bouvé College of Health Sciences	
BS in Athletic Training	Commission on Accreditation of Athletic Training Education (CAATE)

General Information

The *Northeastern University College of Professional Studies Undergraduate Catalog* contains the university's approved academic programs and degree requirements, as authorized by the president or the Board of Trustees. The catalog also contains official academic policies and procedures. For information about other academic policies and procedures; student responsibilities; student academic and cocurricular life; faculty rights and responsibilities; or general personnel policies, benefits, and services, please refer to the *Undergraduate Student Handbook*, *Undergraduate Catalog*, *Graduate Catalog*, *Cooperative Education Student Handbook*, *Faculty Handbook*, and related procedural guides, as appropriate.

Accreditation. Northeastern University is accredited by the New England Association of Schools and Colleges, Inc.

Delivery of Services. Northeastern University assumes no liability for delay or failure to provide educational or other services or facilities due to causes beyond its reasonable control. Causes include, without limitation, power failure, fire, strikes by university employees or others, damage by natural elements, and acts of public authorities. The university will, however, exert reasonable efforts, when it judges them to be appropriate, to provide comparable services, facilities, or performance; but its inability or failure to do so shall not subject the university to liability.

Northeastern University reserves the sole right to promulgate and change rules and regulations and to make changes of any nature in its program; calendar; admissions policies, procedures, and standards; degree requirements; fees; and academic schedule whenever necessary or desirable, including, without limitation, changes in course content and class schedule, the cancellation of scheduled classes and other academic activities, and the substitution of alternatives for scheduled classes and other academic activities. In any such case, the university will give whatever notice is reasonably practical.

Northeastern University will endeavor to make available to its students a fine education and a stimulating and congenial environment. However, the quality and rate of progress of an individual's academic career and professional advancement upon completion of a degree or program are largely dependent on his or her own abilities, commitment, and effort. In

¹ The Massachusetts Board of Education approves (not accredits) programs.
² The Massachusetts Board of Registration in Nursing approves (not accredits) programs.
³ Accredited under the aegis of the "sponsoring" full-time college.
⁴ The Association of American Law Schools is an elected membership organization, not an accrediting body.

State Approvals, Authorizations, and Exemptions

Some states require that universities authorized to operate in their state make public disclosures. See the corresponding addendum on the Online and Graduate Professional Degree Programs website

many professions and occupations, there are also requirements imposed by federal and state statutes and regulatory agencies for certification or entry into a particular field. These requirements may change while a student is enrolled in a program and may vary from state to state or country to country. Although the university stands ready to help its students find out about requirements and changes in them, it is the student's responsibility to initiate the inquiry.

Tuition Default Policy. In cases where the student defaults on his or her tuition, the student shall be liable for the outstanding tuition and all reasonable associated collection costs incurred by the university, including attorneys' fees.

Emergency Closing of the University. Northeastern University posts emergency announcements, including news of weather-related closings, on its homepage (<http://www.northeastern.edu>) and notifies members of the community individually through the NU ALERT system. In addition, the university has made arrangements to notify students, faculty, and staff by radio and television when it becomes necessary to cancel classes because of extremely inclement weather. AM stations WBZ (1030), WILD (1090), and WRKO (680), and FM station WBUR (90.9), are the radio stations authorized to announce the university's decision to close. Television stations WBZ-TV4, WCVB-TV5, and WHDH-TV7 will also report cancellations. Since instructional television courses originate from live or broadcast facilities at the university, neither the classes nor the courier service operates when the university is closed. Please listen to the radio or television to determine whether the university will be closed.

If a storm occurs at night, the announcement of university closing is given to the radio stations at approximately 6 a.m. Classes are generally canceled for that entire day and evening at all campus locations unless stated otherwise. When a storm begins late in the day, cancellations of evening classes may be announced. This announcement is usually made between 2 and 3 p.m.

Equal Opportunity Policy. Northeastern University does not discriminate on the basis of race, color, religion, sex, sexual orientation, age, national origin, disability, or veteran status in admission to, access to, treatment in, or employment in its programs and activities. In addition, Northeastern University will not condone any form of sexual harassment. Handbooks containing the university's nondiscrimination policies and its grievance procedures are available in the Office of Institutional Diversity and Inclusion, 125 Richards Hall. Inquiries regarding the university's nondiscrimination policies may be directed to:

Office of Institutional Diversity and Inclusion
125 Richards Hall
Northeastern University
Boston, Massachusetts 02115
617.373.2133

Inquiries concerning the application of nondiscrimination policies may also be referred to the Regional Director, Office for Civil Rights, U.S. Department of Education, 8th Floor, 5 Post Office Square, Boston, MA 02109-3921.

Disability Resource Center. The Disability Resource Center provides a variety of disability-related services and accommodations to Northeastern University's students and employees with disabilities.

Northeastern University's compliance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 are coordinated by the senior director of the Disability Resource Center. Persons requiring information regarding the Disability Resource

Center should contact the center at 617.373.2675 or, if using TTY, via Relay 711.

Family Educational Rights and Privacy Act. In accordance with the Family Educational Rights and Privacy Act of 1974, Northeastern University permits its students to inspect their records wherever appropriate and to challenge specific parts of them when they feel it is necessary to do so. Specific details of the law as it applies to Northeastern are printed in the *Undergraduate Student Handbook* and *Graduate Student Handbook* and are distributed annually at registration for the university's colleges and graduate schools.

Clery Act. Northeastern is committed to assisting all members of the university community in providing for their own safety and security. Information regarding campus security and personal safety, including topics such as crime prevention, university police law enforcement authority, crime reporting policies, crime statistics for the most recent three-year period, and disciplinary procedures, is available upon request from the Northeastern University Director of Public Safety, 360 Huntington Avenue, Boston, MA 02115, or by calling 617.373.2696.

Mission Statement:

To educate students for a life of fulfillment and accomplishment.
To create and translate knowledge to meet global and societal needs.
