

French, Minor

The French minor focuses on two outcomes: developing students' linguistic proficiency and broadening their insights into francophone cultures so that students may engage in meaningful interactions with French speakers throughout the world. The communication skills and transcultural awareness that students acquire throughout the course of the minor provide preparation for a wide range of opportunities and experiences, both in and beyond the classroom.

Minor Requirements

Complete all courses listed below unless otherwise indicated. Also complete any corequisite labs, recitations, clinicals, or tools courses where specified.

Students will be required to take a total of five classes. These classes may include courses and language classes at or above the intermediate level in Dialogues of Civilization at Northeastern University. A maximum of two courses of transfer credits, including transferable courses taken abroad, may count toward the five classes in the minor.

Required Culture Course

This course must be taken on campus. Courses taken on Dialogue programs, through study abroad, or at another institution may not be substituted.
