# Swinburne University of Technology

Swinburne University of Technology is one of Australia's leading teaching and research universities.

Our influential links with industry, state-of-the-art facilities and groundbreaking specialist research centres make Swinburne a world-class institution. Swinburne's reputation for educational and research excellence attracts highly qualified academics and educational leaders.

In 2016, Swinburne was named among the world's top 100 universities under 50 years old by both the QS World University Rankings and the Times Higher Education Rankings. Swinburne was also ranked among the top 200 universities in the world for Graduate Employability by QS.

## Leadership at Swinburne

Strong leadership is about assessing the steps needed for common good, having the courage to take those steps and exhibiting the persuasive power to gain support. At Swinburne, high-impact leadership teaching aims to develop global leaders who understand these steps and who are courageous and collaborative in tackling global challenges.

The university has established the Swinburne Leadership Institute to conduct interdisciplinary leadership research, leadership seminars and online commentaries to engage the broader community. It works to serve as a trusted resource to improve the quality of leadership. Building a vibrant community of strong and ethical leaders is a central component of the institute's goals.

## Learn through experience

The best way to learn is through experience. Swinburne's strong relationships with industry and business provide unique access and learning opportunities. Industry-driven projects, case studies, research projects, guest lecturers and project-based assignments help you develop resources and skills that bridge the gap between theory and practice.

## Leadership in a global workplace

At Swinburne, we understand that the workplace has become a global space and that leadership needs to transform and adapt to meet the challenges this presents. Business is not limited by location or distance and the ability to lead across cultures is vital.

## Research and innovation

Swinburne has an international reputation for quality research that connects science and technology with business and the community. Our focus is on achieving significant innovations that address challenges and advance society. Our researchers foster extensive national and international academic networks and connections with industry, providing excellent opportunities for students.

As part of our vision to become Australia's leading university in the areas of science, technology and innovation by 2020, we are committed to producing outstanding research that is relevant and internationally recognised.

Our research focus will extend to five outcome areas:

- future manufacturing
- sustainable futures
- digital frontiers
- personal and societal wellbeing
- inspirational science and technology.

Swinburne has 15 research centres that bring together leading researchers and provide valuable opportunities for our postgraduate research students.

Visit [www.swinburne.edu.au/research](http://www.swinburne.edu.au/research) for more information about our latest research achievements and programs.

# Studying at Swinburne

## Hawthorn campus

John St, Hawthorn

**Student population:** 30,000

**Distance from Melbourne city centre:**

6 km (10 minutes by train)

Hawthorn is the main campus for international students and is an exciting place to study. Located on the edge of a vibrant local shopping and business area, it offers a range of facilities and services to help you balance the demands of study with your other interests.

Our Hawthorn campus is set directly behind Glenferrie Road. This lively shopping hub includes laneways and arcades where you can get a great coffee and find a quiet place to read.

There is a diverse choice of restaurants and cafés plus dozens of shops and boutiques, and a bookshop. Two supermarkets and a number of international grocers mean you'll never have to go far for the essentials.

Visit [www.swinburne.edu.au/aroundswinburne](http://www.swinburne.edu.au/aroundswinburne) to find out about the places students love on and around our Hawthorn campus.

## Living costs

Living costs will depend on the accommodation you choose and the lifestyle you lead, and as such all costs in this section are indicative only.

Students who are living and studying in Melbourne will require approximately A\$23,000 to A\$30,000 per year for ongoing living costs (not including tuition fees or airfares). Add to this a budget of approximately A\$2300 to A\$5000 for the initial costs of establishing yourself in Melbourne and approximately A\$1000 to A\$2000 if you need to purchase a computer.

Visit [www.swinburne.edu.au/study/life/campuses/hawthorn](http://www.swinburne.edu.au/study/life/campuses/hawthorn)

The Australian Government requires prospective student visa applicants and any family members accompanying them to have access to minimum funds to meet living cost requirements.

Visit [www.border.gov.au/Trav/Stud](http://www.border.gov.au/Trav/Stud) for more information.

## Accommodation

There are a range of housing options, including the Residential College and student apartments on-campus, as well as private rental, share accommodation and homestay options off-campus.

Visit [www.swinburne.edu.au/international/accommodation](http://www.swinburne.edu.au/international/accommodation) for more information.

## About Melbourne

Smart, captivating, multicultural, unique, fun, trend-setting, individual and welcoming. Melbourne is the capital city of Victoria and home to four million people.

In 2015, Melbourne was again named the world's most liveable city by the Economist Intelligence Unit's Global Liveability Survey, and is known as Australia's cultural, culinary and sporting capital. A mild climate, magnificent architecture, extensive public transport network, and beautiful parks and public spaces make living in Melbourne a great experience.

## Experiencing Melbourne city and suburbs

In the Melbourne city centre, you can discover hidden laneways and explore grand, tree-lined streets while experiencing first-class shopping, dining, theatre and entertainment options.

Melbourne's inner-urban suburbs are also popular destinations: Hawthorn boasts a vibrant café and shopping area; St Kilda offers beaches, clubs, bars and restaurants; Carlton has an Italian feel with coffee shops, pizzerias, bookshops and an arthouse cinema; Prahran is filled with trendy fashion boutiques; and Fitzroy has a bohemian vibe with unique shopping and dining options.

Melbourne hosts a wide range of festivals throughout the year, including:

- Melbourne Food and Wine Festival (March)
- Melbourne International Comedy Festival (March/April)
- Melbourne International Film Festival (August)
- Melbourne Festival (October).

In the city centre you'll find a multitude of cultural and arts venues, including the National Gallery of Victoria and the Australian Centre for the Moving Image (ACMI).

Melbourne is also home to major sporting events, including:

- Australian Open grand slam tennis event (January)
- Formula 1 Australian Grand Prix (March)
- Australian Rules football (March to September)
- Spring Racing Carnival featuring the Melbourne Cup horse race (September to November)
- international cricket matches such as the Boxing Day Test (December).

Northeastern University is a private research university located in the heart of Boston, USA. It is a leader in interdisciplinary research, urban engagement and the integration of classroom learning with real-world experience.

The university's signature co-operative education program, one of the largest and most innovative in the world, has been ranked among the best in the nation by US News & World Report. In the 'National Universities' ranking for 2017 Northeastern was ranked 39th, while in the 'Up-and-Coming Schools' category the university was ranked third.

Northeastern offers a comprehensive range of undergraduate and postgraduate programs and educates students for a life of fulfilment and accomplishment, while creating knowledge that meets global and societal needs.

Northeastern provides students with a transformative experience, grounded in experiential learning that ignites their passion for knowledge while opening up the endless possibilities around them. Students become engaged citizens of the world and confident and resourceful people who realise that their knowledge and action can have positive consequences for their own lives and for the lives of others.

## College of Professional Studies

The Master of Science in Leadership is offered by Northeastern's College of Professional Studies, a leader and innovator in professional and non-traditional learning. Faculty staff are academic scholars and industry leaders with experience applying knowledge to the problems and issues of their professions.

## Research merits

Many Northeastern faculty members have garnered national and international acclaim for their achievements in teaching and research, with particular strength in interdisciplinary scholarship.

Northeastern faculty members direct more than 37 research and education centres, highlighting the growing richness of our collaborative research environment.

Northeastern is one of only three universities in the USA with a National Science Foundation (NSF) Engineering Research Centre, an NSF Nanomanufacturing Centre and two NSF Integrated Graduate Education and Research Traineeship programs.

## Global experience

Boston is the ultimate college town. The city is a hub of cultural, educational and social activity, yet it's small enough to navigate on foot.

More than 300,000 college students from around the USA and the world call Boston home, and the city is alive with their energy.

Northeastern students add their own energy to the mix and are inspired by the different cultures, ideas and experiences they encounter.

High-achieving students with strong leadership potential have the opportunity to participate in the Global Leadership in Boston\* program.

This four-week program allows eligible students to complete two units at Northeastern in Boston during the northern hemisphere summer.

Students who take part in the Global Leadership in Boston program will be taught by Northeastern's experienced network of mentors, gain a greater global awareness of business practices in a cross-cultural setting, and develop knowledge and skills in international leadership.

*\*Students who wish to study in the USA must obtain an appropriate visa.*

## Campus information

Northeastern's urban campus offers the green spaces and tree-lined pathways of a traditional college campus combined with the energy and diversity of a university set in the heart of a vibrant city.

The central location of our campus puts you close to all the city has to offer. Located between the world-renowned Museum of Fine Arts and Symphony Hall on Boston's Avenue of the Arts, the 73-acre main campus is a centre of dynamic intellectual, social and cultural activity. Stylish Newbury Street is within walking distance, with great shopping and dining. Our students can hop on the 'T', Boston's subway, and shop at Quincy Market, eat in the North End, visit the Museum of Science, cheer on the Celtics and Bruins at the TD Garden, or hang out in the funky squares of Cambridge, right across the Charles River.

## A cosmopolitan connection

Boston has been called the 'Athens of America' for its range of educational and civic institutions. Northeastern students often find the city's cultural resources intertwined with their academic and social activities. No matter what their academic or personal interests, the riches of Boston play a part in the everyday life of Northeastern students.

## Beyond Boston

For those students who like to get out of town and explore, the options are endless. Ski in Vermont, view colourful foliage and pick apples in Western Massachusetts and New Hampshire, dig for clams in Maine, tour mansions in Newport and bask on the beaches of Cape Cod.

Global Leadership Program in Marketing

"I chose to study the Global Leadership Program in Marketing because I want to work in the Indian Ministry of External Affairs and help rebrand India as a strong leader in international affairs. A dual degree from two reputed universities in marketing and leadership was the obvious choice!"

# Leadership Stream

All students in the Global Leadership Program undertake eight units from Northeastern's Leadership Stream to receive the Master of Science in Leadership.

The traditional belief that leadership skills reside solely with a handful of top executives has been replaced by contemporary collaborative models where influence and decision-making is distributed throughout an organisation. The Leadership Stream is designed to assist today's leaders and prepare emerging leaders in meeting the challenges of an increasingly diverse and complex workforce.

Units feature an action-learning approach that is intended to leverage the interdisciplinary backgrounds of participants and help build leadership competencies. All Leadership Stream units are taught by Northeastern academic staff.
