Re: **Smoke-Free Campus Policy**

Northeastern University strives to provide a safe and healthy environment in which to teach, learn, research, live, and work. The University has concluded that a smoke-free campus is consistent with the University's mission and purpose; will promote individual and community health; and will recognize employees' right to work in a smoke-free workplace.

**Effective Aug12, 2013**

***Smoking of any tobacco products is prohibited at Northeastern University, consistent with applicable law.***

This policy applies to all persons, including *vendors* and visitors, anywhere on University property and in buildings and facilities on all campuses, including parking lots, green spaces, and pedestrian walkways.

Please be sure to notify all employees who may be working on any NU owned and/or operated location that this policy will be enforced and could result in immediate dismissal from campus.

Sincerely,

Northeastern University
