NSF PAPPG

- The revised PAPPG will be released in the coming months and, as is standard practice, will be effective 90 days after its release.
- Important info re: preparation and submission of the BioSketch and C&P sections
 - SciENCv as an approved format for both BioSketch and C&P
 - Approved format required upon implementation of revised PAPPG
 - Integrate ORCID to enable pre-population for BioSketch
 - SciENCv will produce NSF compliant PDF versions; save/submit through Research.gov or Fastlane
 - More details, visit [NU-RES Homepage](#), News (12/17/19)

NIH Grants Policy Statement

- [NOT-OD-20-043](#)
- Applicable to all NIH grants and cooperative agreements with budget periods beginning **on or after October 1, 2019**
- More details, visit [NU-RES Homepage](#), News (12/17/19)

Space Survey Training

Northeastern will be developing their F&A proposal due this year based on FY2019 activity. We are required to complete a space survey which documents activities, funding sources and personnel working in the space. There will be two space survey trainings conducted:

Monday, January 6 from 2:30 – 4 pm

Tuesday, January 7 from 10:30 -12:00

Location: Curry Student Center Conference Room 346

Please make sure you attend one of these sessions and RSVP to a.tran@northeastern.edu.

Thank You!
See you in January,
and...
