## From your SYEB Chair

---

Hello, Class of 2023! My name is Reanna Mankaryous and I am the chair of the **Class of 2023 Senior Year Experience Board**. I am so excited to make this year as memorable as we can, especially since the COVID-19 pandemic affected most of our time here. But this year, our goal is to change that and make sure that every single one of us experiences the year we all deserve.

Countless morning coffee runs and late nights studying (with more coffee) have led us to this moment – we finally made it! Since this is our last year at Northeastern, I hope that you all join in on these senior events when you can because we want to give you all a year to remember. I wish everyone in the Class of 2023 the best of luck with your final classes and I am excited to be working with you all. And finally, please feel free to reach out to me about any ideas you might have to enhance our senior year experience!
