

IRIS BERENT

Education

B. A. in Musicology, 1987 Tel-Aviv University,
B. Mus. in Flute performance, 1987, The Rubin Academy of Music
M. S. in Cognitive Psychology, 1990, University of Pittsburgh
M. A. in Music Theory, 1990, University of Pittsburgh
Ph. D. in Cognitive Psychology, 1993, University of Pittsburgh

Professional Experience

1995-1996 Post doctoral fellowship, Arizona State University
1997-2002 Assistant Professor, Department of Psychology, Florida Atlantic University.
2002-2007 Associate Professor, Department of Psychology, Florida Atlantic University.
2005-2008 Member, Center for Complex systems and Brain Sciences, Florida Atlantic University
2006-2007 Visiting Scholar, Department of Cognitive Sciences, Johns Hopkins University.
2007-2008 Professor, Department of Psychology, Florida Atlantic University.
2008- Professor, Department of Psychology, Northeastern University.
2013 Faculty, the Summer Institute of the Linguistic Society of America, Michigan University, Ann Arbor, MI.
2014 Associate, Department of Psychology, Harvard University.

Competitive Grants and Awards

1994-1996 Title: *The two cycles model of phonology assembly*. National Research Science Award for Individual Postdoctoral Fellows. (NIH, \$46,300 direct costs, PI: Berent).
1998-2005 Title: *The assembly of consonant and vowel phonology in reading*. First Independent Support & Transition (FIRST) Award (DC 23277; NIH, \$350,000 direct costs, PI: Berent).
2006-2012 Title: *Phonological markedness constraints on reading*. R01DC003277 NIH (NIDCD, \$850,000 direct costs, PI: Berent).
2013-2015 *The phonological grammar in dyslexia: functional and neural evaluation*. Northeastern University TIER 1 Seed grant/proof of concept program (\$48,599, PI: Berent)
2015-2016 *Role of the motor system in knowledge of language*. Mind Brain/Behavior Interfaculty Initiative, Harvard University (with Alvaro Pascual-Leone and Albert Galaburda, \$12,080)
2015-2018 *The scope of signed phonological generalizations*. 1528411, NSF. (\$196,028, Direct costs, PI: Berent).
2017-2020 *Collaborative research: Role of the motor system in phonological and phonetic systems* 173398, NSF (\$284,772, PI: Berent, Co-PI: A. Pascual-Leone).

Honors

- 1989-1990 The Andrew Mellon Predoctoral Fellowship, University of Pittsburgh.
1991 The Tim Post Memorial Award. Department of Psychology, University of Pittsburgh.
1991-1992 Andrew Mellon Predoctoral Fellowship, University of Pittsburgh.
2003 Researcher of the Year, Charles E. Schmidt College of Science, Florida Atlantic University
2006 Researcher of the Year, Charles E. Schmidt College of Science, Florida Atlantic University
2006 Research Incentive Award, Florida Atlantic University
2006 Researcher of the year, Florida Atlantic University
2014 Fellow, Psychonomic Society
2016 Klein Lecturer, Northeastern University.
2017-8 Humanities Fellow, Northeastern University.
2018 Fellow, Association for Psychological Science.

Professional Membership

The Psychonomic Society, The linguistic society of America, Association for Psychological Science.

Editorial duties

Associate Editor:

Journal of Language and Speech (2008-2016)
PLoS ONE (2014-)
Frontiers in Language Science (2014-)

Editorial board:

The Mental Lexicon (2005-present)
Evolutionary Psychology (2006-present)

Ad hoc reviewer

a. Journal review

Brain and Language; Cognition; Cognitive Psychology; Cognitive Science; Journal of aging research; Journal of Experimental Psychology: Human Perception and Performance; Journal of Experimental Psychology: Learning, Memory and Cognition; Journal of Memory and Language; Language and Cognitive Processes; Memory and Cognition; Perception and Psychophysics; Psychological Review; Reading and Writing; The Mental Lexicon; Vision research; Language; Phonology; Lingua; Cognition & Neuroscience; Journal of Cognitive Neuroscience.

b. Grant review

Ad hoc reviewer for NIH and NSF.

Publications

Books

Berent, I. (2013). *The phonological mind*. Cambridge: Cambridge University Press.

Berent, I. & Goldin-Meadow, S. (Eds.). (2015). *Language by mouth and by hand*. Frontiers Media SA.

Berent, I. (forthcoming). *The blind Storyteller: How we reason about human nature*. Oxford University Press.

20. Berent, I & Marom, M. (Florida Atlantic University, USA): *The CV-structure of printed words: Evidence from the Stroop task* A poster presented at the Third International Conference on the Mental Lexicon. Banff, Alberta, Canada
21. Berent, I., Pinker, S., Tzelgov, J., Bibi, U.& Goldfarb, L. (2002, November). *The Perceived Numerosity of Printed Words*. A paper presented at the 43rd meeting of the Psychonomic Society. Orlando, Florida.
22. Berent, I., Marom, M.& Steriade, D. (2003, November). *Are phonological markedness constraints innate? Evidence from the restrictions on English onset clusters*. A paper presented at the 44th meeting of the Psychonomic Society. Vancouver, Canada.
23. Berent, I., Pinker, S.& Ghavami, G. (2003, November). *The Constraint Against Regular Plurals in Compounds: Phonological or Grammatical?*. A poster presented at the 44th meeting of the Psychonomic Society. Vancouver, Canada.
24. Berent, I., Marom, M. & Steriade, D. (2003, November). *Are phonological markedness constraints innate? Evidence from the restrictions on English onset clusters*. A poster presented at the 44th meeting of the Psychonomic Society. Vancouver, Canada.
25. Berent, Marucs, & Vaknin (2004, June). *Lexical representations in Hebrew: Roots or stems?* A paper presented at the 4th international conference on the Mental Lexicon, Windsor, Canada.

26. Berent, Marucs, & Vaknin (2005, January). *Lexical representations in Hebrew: Roots or stems?* A paper presented at the conference of the Linguistic Society of America, Oakland: California.
27. Berent, I. & Lennertz, T. (2006, October). *What we know about what we have never heard: Evidence from perceptual illusions.* A paper presented at the 5th international conference on the Mental Lexicon, Montreal, Canada.
28. Lennertz, T & Berent, I. (2006, October). *Now you hear it, now you don't: The effect of markedness on the perception of unattested clusters.* A poster presented at the 4th international conference on the Mental Lexicon, Montreal, Canada.
29. Berent, I., Steriade, D., Lennertz, T. & Vaknin, V. (2006, November). *What we know about what we have never heard.* A paper presented at the 47th Annual Meeting of the Psychonomic Society. Houston, Texas.
30. Berent, I., Steriade, D., & Lennertz, T. (2007, April). *Speakers' sensitivity to the markedness of unattested clusters.* A paper presented at the West Coast Conference on Formal Linguistics. Berkeley: CA.
31. Berent, I & Lennertz, T (2007, May). *What we know about what we have never heard before: evidence from perceptual illusions.* A paper presented at the workshop on Experimental Approaches to Optimality Theory. Ann Arbor: Michigan.
32. Lennertz, T. & Berent, I. (2007, July). *Markedness constraints on the perception of s/z-initial onset clusters.* A paper presented at the workshop on Variation, Gradience
33. and Frequency in Phonology Stanford: CA.
34. Berent, I., Lennertz, T & Balaban, E. (2008, November) *Universal Grammar And Misperception: It's A Two-Way Street.* A paper presented at the 49th Annual Meeting of the Psychonomic Society. Chicago, IL.
35. Gervain, Berent, Werker. 2009. *"The encoding of identity and sequential position in newborns: an optical imaging study"*. Poster presented at the Neurobiology of Language Conference, Oct 15-16, 2009, Chicago, IL.
36. Gervain, I. Berent, J. Werker. 2009. *The encoding of identity and sequential position in newborns: An optical imaging study.* Talk presented at the 34rd BUCLD, Nov 3-6, 2009, Boston, MA
37. Berent, I., Balaban, E, Lennertz, T & Vaknin-Nusbaum, V. (2009, November). *Phonological universals constrain the processing of nonspeech stimuli.* A paper presented at the 50th Annual Meeting of the Psychonomic Society. Boston, MA.

38. Lennertz, T & Berent, I. (2009, November). *People's sensitivity to phonological universals: Evidence from fricatives and stops*. A poster presented at the 50th Annual Meeting of the Psychonomic Society. Boston, MA.
39. Berent, I., Balaban, E, Lennertz, T & Vaknin-Nusbaum, V. (2010, January). *Phonological universals constrain the processing of nonspeech stimuli*. A paper presented at the 50th Annual Meeting of the Psychonomic Society. Boston, MA.
40. Gervain, J., Berent, I, Werker, J. (2010, January). *The encoding of identity and sequential position in newborns: an optical imaging study*. Poster presented at the CDC Opening Conference, Jan 15-16, 2010, Budapest, Hungary
41. Gervain, J., Berent, I., Werker, J. (2010, March). *The Perception of Repetition-Based Regularities in Newborns*. Talk presented at ICIS, March 10-14, 2010, Baltimore.
42. Berent, I., Harder, K., & Lennertz, T. (2010, November). *Phonological universals in early childhood: Evidence from sonority restrictions*. Boston University Conference on Language Development. November, Boston, MA.
43. Berent, I. (2011, July). *Core phonology: Evidence from grammatical universals*. Paper presented at the 33rd Annual Conference of the Cognitive Science Society. Boston, MA.
44. Zhao, X. and Berent, I., (2011, November). *Are markedness constraints universal? Evidence from Mandarin Chinese speakers*, in *Boston University conference on language development*. 2011: Boston, MA.
45. Gomez, D.M., Benavides-Varela, S., Bion, R. A.H., Macagno, F., Nespor, M., Berent, I., & Mehler, J. (2011, November). *Sonority hierarchy in one-month-old infants' brains*. in *Boston University Conference on Language Development*. 2011. Boston, MA.
46. Berent, I., Bat-El, O. & Vaknin-Nusbaum, V. (October, 2012). *Morphology is special: evidence from universal restrictions on reduplication*. A paper presented at the *Mental Lexicon conference, Montreal, Canada*.
47. Berent, I. (October, 2012). *The phonological grammar in dyslexia*. A paper presented at the *One Day Conference for Dyslexia/Reading disability*. Harvard University, Cambridge, MA.
48. Berent, I., Dupuis, A., Brentari, D. (2012, November). *Amodal aspects of linguistic design*. Paper presented at the 53rd meeting of the Psychonomic Society. Minneapolis, MI.
49. Berent, I., Dupuis, A., Brentari, D. (2013, January). *Amodal aspects of linguistic design*. Paper presented at the 87th meeting of the Linguistic Society of America. Boston, MA.

50. Dupuis, A & Berent, I. (2013, November). Lexical access to signs is automatic. Poster presented at the 54th annual meeting of the Psychonomic Society. Toronto, Canada.
51. Zhao, X & Berent, I. (2013, November). What do Speakers Know About the Sound Structure of Language Beyond Articulation? Poster presented at the 54th annual meeting of the Psychonomic Society. Toronto, Canada.
52. Berent, I., Bram, A. K, Zhao, X., Seligson, E. Pan, H., Epstein, J., Stern, E., Galaburda, A., & Pascual-Leone, A (September, 2014). Linguistic sound patterns and their vessel. Poster presented at the MIT annual phonology meeting. Boston, MA.
53. Zhao, Z. & Berent, I. (September, 2014). Universal phonological preferences are not articulatory. Poster presented at the MIT annual phonology meeting. Boston, MA.
54. Dupuis, A. & Berent, I. (September, 2014). Signers automatically generalize phonological rules. Poster presented at the MIT annual phonology meeting. Boston, MA.
55. Berent, I. , Vaknin-Nusbaum, V. & Galaburda, A. (October, 2014). Compensatory speech perception mechanisms in dyslexia: the contribution of phonological competence. A paper presented at the 2nd Annual Meeting of the New England Research on Dyslexia (NERDY) Society. Boston, MA.
56. Berent, I., Bram, A. K, Zhao, X., Seligson, E. Pan, H., Epstein, J., Stern, E., Galaburda, A., & Pascual-Leone, A (November, 2014). Linguistic sound patterns and their vessel. A paper presented at the 55th annual meeting of the Psychonomic Society. Long Beach, CA.
57. Xu, Zhao & Berent, I. (November, 2014). Universal phonological preferences are not articulatory. Poster presented at the 55th annual meeting of the Psychonomic Society. Long Beach, CA.
58. Dupuis, A. & Berent, I. (November, 2014). Signers automatically generalize phonological rules. Poster presented at the 55th annual meeting of the Psychonomic Society. Long Beach, CA.
59. Berent, I (January, 2016). On the basis of sonority restrictions. Paper presented at the CUNY phonology forum. New-York, NY.
60. Berent, I., Bat-El, O. & Vaknin-Nusbaum, V. (October, 2016). *The double identity of doubling*. Annual Meeting of Phonology, University of Southern California, Los Angeles.
61. Berent, I. & Dupuis, A. (November, 2016). The unbounded productivity of language: Evidence from the Stroop task. Paper presented at the 57th annual meeting of the Psychonomic Society, Boston, MA.
62. Berent, I., Bat-El, O. , Brentari, D., & Vaknin-Nusbaum, V. (November, 2016). One language system, two modalities: Evidence from the double identity of doubling. Paper presented at the 57th annual meeting of the Psychonomic Society, Boston, MA.
63. Berent, I., Bat-El, O. , Brentari, D., & Vaknin-Nusbaum, V. (February, 2017). The double identity of doubling: One language faculty, two channels. Paper presented at the Old World Conference on Phonology 2017, Düsseldorf, Germany.

64. Dana, Q., Brentari, D., Bat-El, O. & Berent, I. (July, 2017). ANCHORING is amodal: evidence from a signed language. A poster presented at the 39th Annual Meeting of the Cognitive Science Society, London, UK.
65. Gervain, J., De La Cruz Pavía, I., Berent, I. (October, 2018). “The detection of repetition-based regularities from visual input at 6 months of age”. Poster presented at the fNIRS 2018 Biennial meeting of the Society for fNIRS, Tokyo, Japan.
66. Berent, I, Bat-El, O., Andan, Q, Brentari, D & Vaknin-Nubaum, V. (May, 2018). *Constraints on doubling are amodal*. Paper presented at the 26th *Manchester Phonology Meeting*. Manchester, UK.
67. Andan, Q., Berent, I & Bat-El., O. ANCHORING restrictions are amodal. (May, 2018). Poster presented at the *NAPhCX conference, Concordia University, Montreal, CA*.
68. Berent, I (June, 2018). Origins of cognitive anti-nativism. Paper presented at the *2nd Context, Cognition and Communication Conference*. Warsaw, Poland.
69. Berent, I., Platt, M., Theodore, R., Pascual-Leone, A., & Balaban, E., (November, 2018). Role of the motor system in phonetic categorization: Evidence from mechanical suppression. Paper presented at the *59th annual meeting of the Psychonomic Society*. Louisiana, MI.
70. Andan, Q., Bex, P. & Berent, I. (November, 2018). Seeing double, seeing clear: Implications for the architecture of language. Poster presented at the *59th annual meeting of the Psychonomic Society*. Louisiana, MI.
71. Corrdry, R., & Berent, I. (November, 2018). Speech Perception Engages Both Motor Simulation and Abstract Rules. Poster presented at the *59th annual meeting of the Psychonomic Society*. Louisiana, MI.
72. Sandoboe, G & Berent, I. (November, 2018). In-SANE for the brain: Dualism and the allure of Neuroscience. *59th annual meeting of the Psychonomic Society*. Louisiana, MI.
73. de la Cruz Pavia, I., Gervain, J., Berent, I. (August, 2019). “The detection of repetition-based regularities from visual input at 6 months of age”. Poster presented at the 2019 SNL Annual Meeting, Helsinki, Finland.

Invited talks

1. Berent, I. (November, 1996). *The structure of Hebrew words: Are mental constituents necessary?* Invited talk, Haskins Laboratories.
2. Berent, I. (1998, November). *Do mental representations specify variables? Evidence from the Obligatory Contour Principle.* Invited talk. The department of Cognitive Science, Johns Hopkins University.
3. Berent, I. (1999, June). *Do mental representations specify variables? Evidence from the Obligatory Contour Principle.* Invited talk, The department of Psychology, Ben-Gurion University of the Negev, Beer-Sheva: Israel.
4. Berent, I (2003, January). *Does a theory of language need a grammar?* Invited talk. The department of Cognitive Science, Johns Hopkins University.
5. Berent, I (2003, April). *Does a theory of language need a grammar?* Invited talk. Department of Psychology, Michigan State University.
6. Berent, I., Marcus, G. F., & Vaknin, C. (June, 2003). *Does a theory of language need a grammar?* Meeting of the Human Frontiers Research Program, Barcelona, Spain.
7. Berent, I. (January, 2004). *Does a theory of language need a grammar? Evidence from the constraint on identical root consonants in Hebrew.* Invited talk, Department of Linguistics and Philosophy, Massachusetts Institute of Technology.
8. Berent, I. (February, 2004). *Does a theory of language need a grammar? Evidence from the constraint on identical root consonants in Hebrew.* Invited talk, International School for Advanced Studies, Cognitive Neuroscience; Trieste, Italy
9. Berent, I (2004, April). *Does a theory of language need a grammar?* Invited talk. Department of Psychology, New-York University.
10. Berent, I (2004, April). *Co-occurrence restrictions on identical Hebrew consonants: Is identity restricted?* Invited talk. Department of Linguistics, New-York University.
11. Berent, I (2005, January). Co-occurrence restrictions on non-adjacent Hebrew consonants: Are they long distance? An invited talk, the department of Cognitive Science, Johns Hopkins University.
12. Berent, I. (2005, March). *Does a theory of language need a grammar?* Invited talk. McGill University.

13. Berent, I (2005, March). *What's wrong with rats-eaters?* Invited talk, Concordia University.
14. Berent, I (2006, March). *What we know about what we have never heard.* Invited talk, MIT.
15. Berent, I (2006, March). *What we know about what we have never heard.* Invited talk, University of Pittsburgh.
16. Berent, I (2006, June). *What we know about what we have never heard.* Invited talk, Haskins Laboratories.
17. Berent, I (2007, January). *What we know about what we have never heard.* Invited talk, Rutgers Center for Cognitive Science, Rutgers University.
18. Berent, I (2007, February). *What we know about what we have never heard.* Invited talk, Department of Psychology, Northeastern University.
19. Berent, I (2007, March). *What we know about what we have never heard.* Invited talk, Department of Cognitive Science, Johns Hopkins University.
20. Berent, I (2007, April). *What we know about what we have never heard.* Invited talk, Department of Linguistics, Harvard University.
21. Berent, I (October, 2008). *What we know about what we have never heard.*
22. Invited talk, Department of Psychology, Harvard University.
23. Berent, I. (April, 2010). *What we know about what we have never heard.*
24. Invited talk, Departments of Psychology/Linguistics, University of Massachusetts, Amherst, MA.
25. Berent, I. (October, 2010). *What we know about what we have never heard.* Invited talk, Departments of Linguistics, University of Arizona, Tucson, AZ.
26. Berent, I. (October, 2010).
26. Berent, I. (June, 2011). *What we know about what we have never heard.* Invited talk, Gonda Brain Research Center, Bar-Ilan University, Israel.
27. Berent, I. (June, 2011). *What we know about what we have never heard.* Invited talk, Cognitive Science Forum, University of Haifa, Israel.
28. Berent, I. (December 2011). *What we know about what we have never heard.* Invited talk, Linguistics Program, Northeastern University.
29. Berent, I (May, 2012). *The Phonological mind.* Invited talk, Tufts University

30. Berent, I. (September, 2012) *The Phonological mind*. Invited talk, University of Maryland.
31. Berent, I (September, 2012). *The Phonological mind*. Invited talk, Department of Linguistics, Harvard University.
32. Berent, I (September, 2012). *The Phonological mind*. Invited talk, Cognitive Sciences, Yale University
33. Berent, I. (February, 2013). *The Phonological mind*. Invited talk, Rutgers Center for Cognitive Sciences, University of Rutgers.
34. Berent, I. (March, 2013). *What is impaired: Phonology or phonetics?* Invited talk, Third Oxford-Cobe symposium on Dyslexia. Oxford University, Oxford UK.
35. Berent, I. (April, 2013). *Reading is recycling—it's human nature*. An invited talk, The Learning Research and Development Center, The university of Pittsburgh.
36. Berent, I. (May, 2013). *The phonological mind*. Invited talk, Department of Linguistics, Tel-Aviv University. Tel-Aviv, Israel.
37. Berent, I. (May, 2013). *Linking the phonological mind: Rules and core knowledge*. Invited talk, in Linking language and cognition to neuroscience via computation, An NSF workshop linking linguistics and systems neuroscience (organized by David Poeppel). NSF, Arlington, VA.
38. Berent, I. (November, 2013). *The Phonological mind*. Invited talk, Department of Cognitive & Brain Sciences, Tufts University.
39. Berent, I. (January, 2014). *The Phonological mind*. Invited talk, Institute of Research in Cognitive Science, University of Pennsylvania.
40. Berent, I. (March, 2014). *Phonological design: speech and sign*. Invited talk at the annual meeting of the Eastern Psychological Association, Boston, MA.
41. Berent, I. (May, 2014). *The phonological mind*. Invited talk, Deafness Cognition And Language Research Centre, University College London, London, UK.
42. Berent, I. (May, 2014). *Language universals: a view from phonology*. Third Cambridge Comparative Syntax Conference, Cambridge University, Cambridge, UK.
43. Berent, I. (May, 2014). *Epenthesis as a UG reflex*. The Manchester phonology conference, Manchester, UK.

44. Berent, I. (October, 2014). The phonological mind. Invited talk, Department of Linguistics, The university of Chicago.
45. Berent, I. (October, 2014). Phonological design: speech and sign. Invited talk, Department of Linguistics, The university of Chicago.
46. Berent, I. (October, 2014). The phonological mind. Department of Linguistics, City University of New-York. NY, NY.
47. Berent, I. (October, 2014). The phonological mind. Department of Linguistics, Harvard University.
48. Berent, I. (December, 2014). Language universals in human brains. Invited talk, Department of Psychology, Harvard University.
49. Berent, I. (February, 2015). The phonological Mind. Invited talk, Mind Brain & Behavior lectures, Harvard University.
50. Berent, I. (June, 2015). Language Universals in human Brains. Invited talk, Aphasia Congress, ABC hospital, Mexico DF, Mexico.
51. Berent, I. (June, 2015). The language system in dyslexia: why is speech impaired. Invited talk, Aphasia Congress, ABC hospital, Mexico DF, Mexico.
52. Berent, I. (June, 2015). The phonological mind. Invited talk, University of Potsdam, Germany.
53. Berent, I. (November, 2015). The phonological mind. Invited talk, Florida International University.
54. Berent, I. (March, 2016). How human brains give rise to language. Klein Lecture, Northeastern University.
55. Berent, I. (October, 2016). What's special about language? Invited talk, Harvard Mind, Brain and Behavior.
56. Berent, I. (September, 2017). On the origins of phonology. Richard B. Millward Lecture, Brown University.
57. Berent, I. (May, 2018). *Amodal phonology*. Keynote address. NAPhCX conference, Concordia University, Montreal, CA.
